ing their employees, and also other structures, on the right-of-way of the North Shore Line, north of Deerfield road, at Blodgett, subject to the city ordinances and to other regulations deemed necessary by the commissioner of public health and safety.

On motion of Commissioner Card tentative approval was accorded a plat of McKillop's Central avenue subdivision of lots 7 and 8 of block 27. Commissioner Card also moved that the first and second installments on Special Assessment No. 264 against lot 1, block 87, amounting to \$196.60, and first and second installments of Special Assessment No. 265 against the same property, amounting to \$151.06, be paid from the special interest on deposit fund.

City Planner Gets \$1,000
Commissioner Gourley moved that Jacob L. Crane, Jr., city planner, be allowed partial payment of \$1,000 on his bill for services in preparation of development plans.

Commissioner Card moved that the reports of the building inspector be received and filed. He also moved that the Peters Real Estate Improvement corporation be allowed a refund on building permits Nos. 450 and 451, in amounts of \$19.66 and \$19.33, respectively.

Commissioner Gourley moved that James C. Hesler be granted permit to install a 1,000 gallon storage tank and gasoline pump on his property, on Green Bay road, near County Line road, in accordance with the plan submitted, with the understanding that the permit may be revoked at any time, and that he will remove tank and pump on order of the council.

**DUFFY'S CLEANERS
WIN FROM DRIVERS**

Take Close Contest by Score of Nine to Eight; Play Jack Rabbits Next

(By A. Fell)

Playing only seven innings due to the cold weather Duffy's Cleaners' beat out the Commission Drivers 9-8. It was a see-saw battle, the lead changing every inning. The crowd was small, because of the weather.

The game was featured by the hitting of G. Glader and Hohlfelder and the catching of Robertson for the locals. Therrien at third was the only one not to have an error chalked up against him in the infield. Tully struck out 9 men and did not walk a man. Eleven men were given bases on balls and plus nine hits accounted for the local runs. Five of the Commission Driver's runs were due to errors.

This was the last game for the local team. Next week the Elks will again have their strong team ready to play.

Score by innings:
R H E
C. Drivers 2 10 3 2 10—9 11 3
Duffy's 0 2 3 1 2 0 x—8 9 4
Batteries—Tully and Robertson; Strunk and Huff.

Jack Rabbits Next
The Elks under the management of Bob Greenslade will play the Cicero Jack Rabbits Sunday at 3 o'clock. Last year the Elks beat the Jack Rabbits twice and this year the Cicero aggregation is coming over with a strengthened ball club in order to win over their long standing rivals, the Elks.

Hessler the star twirler of the locals will pitch, and if it is a hot day he will be at his best.

This year's Elks team will be as strong as their previous teams and will do honor to their lodge and town. Support is what they need. Don't forget to be at the Elks ball field at 3 o'clock Sunday to see the opening game of the Elks 1925 baseball season.

**LOCAL RESIDENTS
RECEIVE CERTIFICATES**

**Lyman Murphy and Heil Keagle
Red Cross First Aid
Honors**

Two local residents, Lyman Murphy and Heil Keagle, both employees of the Public Service Company of Northern Illinois, have been given first aid certificates by the American Red Cross.

The men were given ten weeks training by J. A. Reilly, the company's first aid instructor, and then passed an examination by a physician named by the Red Cross.

It is the company's plan to similarly instruct all of its employees and thus make them valuable aids in times of emergency.

Each employee receiving the training is impressed with the idea that first aid cannot take the place of medical treatment and that in every instance a physician should be called in at the earliest possible moment.

**SECURE FISHING
LICENSES HERE NOW**

Of interest to fishermen and hunters is the announcement that fishing and hunting licenses may now be procured in Highland Park. Purdy's Sport Shop will issue these licenses. This notice will no doubt be welcomed by the local sportsmen, as heretofore, it has been difficult to know where to procure such licenses.

**FINANCIAL REPORT
SCHOOL DISTRICT 107**

(Continued from page 1)

ing and educational purposes, the financial pinch probably will be felt. Additional expense is caused in this district because of the fact that it is accommodating over 50 pupils from Fort Sheridan, and while the people at the fort make special effort to aid in defraying the cost of tuition, the amounts received do not nearly reach the actual expense to the district in this matter.

These facts in part, at least, account for the deficits as reported. The report furnished by Secretary Greenslade is comprehensive and gives figures clearly showing the present financial condition of the district.

Financial Report
The financial report of the affairs of School District 107 during the school year 1924-1925 is given below:

Expect to Balance

At the last meeting of the board of education held May 11, 1925, the budget for the coming year, amounting to \$123,716.30 was adopted. For the first time in several years it is expected that the budget will be balanced for the school year 1925-1926.

The meeting was attended by General Benjamin A. Poore and Captain Orville M. Moore who presented the school district with a check for \$1,100.00 as a result of the horse show recently held at Fort Sheridan. This sum was paid the school board as a contribution toward the expense of educating the 55 children from Fort Sheridan who attend the school.

Mr. W. M. Fout was elected secretary of the board of education for the district.

Story of Operatta

A Glen near Hilo, a town in one of the Hawaiian Islands, is believed haunted. On nights of great storms, sounds as of beating of many drums are heard and the natives believe that ghosts are dancing and reveling on their island.

Once upon a time, after the Great Storm, a little girl was found at the entrance of the glen, strangely dressed and beating on a queer little drum which was fastened securely to her. This happened on the anniversary of the Feast of Laka (Laka personifying this nature) and each celebration of this feast with its dances and much drum-beating stir intensely the little girl who has been brought up as the sister of the Princess of Hilo.

The governess of the household of the Princess is a sorceress, but has no control over little sister and attributes her failure to some magic of the drum which the little sister always carries.

During the rites of the evening's celebration, by means of this little drum, the identity of Little Sister is established. The Feast of Laka is progressing with great gaiety as the curtain falls.

Part IV

- Overture—The Sky Pilot.....Laureana
- Unfinished Symphony.....Schubert
- The Ambassador March.....Bagley
- The Band

**SAM FELL ADDS NEW

**A. G. BECKER, BANKER,
DIES; RESIDED HERE**

A. G. Becker, pioneer banker, business man and philanthropist, with residence on South Sheridan road, Highland Park, died last Thursday at the Drake hotel, Chicago, of pneumonia. Mr. Becker was 68 years old. Since making his home in Chicago in 1885 he had been prominent in art and music circles as well as in banking and finance.

Death came after an illness of two weeks following a period of several months during which he had been confined to his home in Ravinia. Three weeks ago he moved to the Drake hotel to be near his doctors. The funeral was held Sunday and burial was at Rose Hill.

Mr. Becker, whose name is familiar to Chicago club members, was born in Warsaw, O., Sept. 21, 1857. His family brought him to Chicago eight years later. Since that time he had resided here.

Started as Bank Clerk
A business career, which won for the firm bearing his name recognition among leading bond and commercial paper establishments in the middle west, was begun as a boy in the employment of German National bank. In 1878 he became a partner in the banking house of Herman Schaffner & Co., of which he remained the active head until his death.

Mr. Becker was a director of the Westinghouse Electric and Manufacturing company, St. Louis & San Francisco Railroad company, Pressed Steel Car company, Hammermill Paper company, Harb, Schaffner & Marx, Drexel State bank and Greenbaum Sons Bank and Trust company.

Active in Civic Work
Business did not comprise his entire public activities. For many years he was a trustee of the Chicago Art Institute, Hebrew Union college and Sinai Temple. He was director of the Jewish Charities of Chicago and a member of the Chicago Symphony Orchestra association.

In 1887 Mr. Becker was married to Miss Kate Friedman of Chicago. He is survived by Mrs. Becker, three daughters, Mrs. Frank L. Sulzberger, Mrs. Moses E. Shire and Mrs. Herbert A. Friedlich; one son, James H. Becker, and two sisters, Mrs. Rachel Schaffner and Mrs. Viola Stern.

Mr. Becker was a member of the Union League club, Middy, Standard, Downtown, Hamilton, Illinois Athletic and Lake Shore Country clubs.

**THREE CARS STOLEN
ARE SOON RECOVERED**

Three automobiles were stolen in Highland Park in the last week and all were recovered where they had been abandoned. The cars belonged to D. L. Pearson, Lake Forest, Ambrose Gibbons and Nick Brandonisio of Highland Park. The police believe the cars were "borrowed" by soldiers who were preparing to leave Fort Sheridan the next day for Camp Custer.

The hearing of James Mines in connection with an automobile accident two weeks ago has been continued from May 15 to May 29.

**VIKINGS PLAN DANCE
FOR SATURDAY JUNE 6**

The Independent Order of Vikings will give a dance in Santi Hall, Highland, Saturday, June sixth. There will be good music. A large attendance is desired. All members and their friends are invited to attend.

**TAKES FIRST PLACE
IN H. S. GOLF TEST**

Dick Martin of Deerfield Leads in Tourney in Inter-scholastic Meet

Dick Martin of Deerfield-Shields high school placed first in the golf tournament at Champaign Saturday, held in connection with the Illinois Inter-scholastic Field and Track meet.

Against 32 qualifying, Dick's name headed the list, just nipping out Joe Paletti's of New Trier. With par for the course 74, Paletti started out brilliantly with a 75 for the 18 holes. Dick trailed him by four strokes, getting a 79. In the next round he recovered one of those when he maneuvered the course in 78 while Paletti was taking a 79. The third and final round found Martin master of the situation when he secured a 76, with his opponent slipping into the hole with a poor 83.

W. Paletti, brother of Joe took third place, with scores of 84, 80-78.

The number of illiterates in this country must be very large, if one estimates them from the number who can't read the danger signs on the highways.
