

# Do Unto Others--

Paying your bills promptly is one of the best way to follow the Golden Rule.

First---in fairness to the merchant or professional man who has invested cash and time in the merchandise or service you have received, you should reciprocate the favor of credit by taking care of your bligations in reasonable time.

Your merchant or professional man does not require security. He demands no interest---yet he is actually loaning you cash.

Second---in fairness to your own good name and reputation, your bills should be paid on time.

You are granted credit according to Your past record. Your character is the basis for confidence in your ability to pay.

Do your part. Pay your bills promptly. If you can't pay all at once, pay half or whatever you can and see to it that your creditor knows you are playing the game square.

That's one way we can all add to the good name of Highland Park.
