Bad Ninth Inning Results in Defeat of Locals Last Sunday; Good One for June 28, Promise

(By A. Fell)

A bad ninth inning cost the Elks a ball game last Sunday. For eight innings the Elks played Libertyville to a standstill but in the ninth cracked, to lose 4-1. Hessler was the whole show. He scored the only run on a homer and pitched a very good game. No man got a base on balls, he struck out 8 men and allowed six hits.

The Elks team is not hitting the ball. In order to win ball games a team must hit. The playing has also been erratic but is showing signs of improvement. The Elks get men on bases but cannot bring them in.

F. Glader got the first hit of the game when he singled. He got put out on a quick throw by Bixby. Hessler got his home run in the fifth and it looked that that run would be enough the way he was going.

A fast double play, G. Rudolph to Werner to Robinson killed a rally in the fifth. Libertyville tied the score in the seventh on two scratch singles and a sacrifice hit. Although the Elks got men on bases in the seventh and eighth they lacked the necessary punch to bring them in.

**Big Ninth Inning**

Brewer, first man up, singled to right and when G. Glader let the ball go through he went to second. Strong hit to Hessler and when Hessler threw too high to Rudolph both men were safe. Metten bunted to Robinson and Brewer slid across the home plate safe according to the umpire. This decision was a bad one and it really cost the Elks the game. Baxter bunted to Robinson who threw home, with no one on third and this mis-play filled the bases. Montgomery got a hit scoring two runs. The next three men made out, ending the rally, and the score 4-1.

In the home ninth Werner singled but M. Rudolph and Hessler fled out. Duffy singled and Page fled out to end the inning.

**Calumet City Next**

Next Sunday the Elks play Calumet City, Indiana. They have a strong semi-pro team and the Elks have a good game on their hands. They are bringing a big crowd and a good game will be played. Hessler will pitch for the local aggregation. There will also be a few changes in the lineup because something will have to be done to get the team out of their slump.

The Score

**MAN LONGEST IN RAIL HOME DIES**

**Jerry Ben Buskirk, Who Entered Institution in 1893, Is Taken by Death**

Jerry Ben Buskirk, who had been longer an inmate of the Railroad Men's Home, here, than any other man there, died Tuesday morning about 8:30 o'clock. He entered the home Oct. 15, 1893, suffering from an injury to his spine which caused partial paralysis, and he had been practically disabled ever since, using a wheeled chair to move about.

Mr. Buskirk was born at Thayer, Union county, Iowa, Dec. 5, 1863, and entered the railroad work in early life. He was a member of Lodge No. 12 of the Brotherhood of Railway Trainmen at Ottumwa, Iowa, and was sent by that lodge to the home. He was popular with the many men who from time to time sojourned in the home and was known to some outsiders here, all of whom were impressed by his patience in the face of his affliction. A brother lives in Kansas and a sister-in-law at Elgin.

The body will be placed in a vault until the return of Supt. John O'Keefe of the home, who is in the west, and burial take place thereafter.

**Smoothing the Road to a Good Old Age**

Years that seem long stretches of time when you are young shorten up considerably when middle age and then the declining period comes. Then the policy of life is proven.

If your policy now is to save a certain sum each month or each week, as a safeguard against want and worry in later years, you have no reason to fear.

Regular saving takes many a bump out of life's highway — makes for smoother going all the way.

**LOCAL COUNCIL OF BOY SCOUTS ORGANIZED**

Gen. Wood Elected President; Other Officers; 125 Scouts Here

During the last week a group of men met at the call of the Scout Masters of the four Highland Park troupes of Boy Scouts and the immediate need of a local council was outlined to them.

Highland Park now has 125 enrolled Boy Scouts, and with the coming of the opening of school in the fall two additional troops must be organized.

A great many permanent Scout camps have been opened in the Forest Preserves, where cabins have been erected and a paid scout executive placed in charge.

Highland Park has 75 scouts who will be at home during the summer months and it is to provide organized recreation and play for them that a scout camp for Highland Park boys has been made possible through the generosity of Mr. Everett Millard who has loaned a camp site along the Des Plaines river about seven miles west of the county line.

Here a camp will be laid out and a cabin built, where the boys can come and go at their pleasure. A Scout Master will be in charge all through the summer months, day and night.

At the organization meeting of the council the following officers were elected, and accepted office:

President, Gen. Robert E. Wood.  
Vice-Pres., R. L. Sandwick.  
Sec'y, Allan Ira Wolf.  
Treas., George Allen Mason.  
Scout Commissioner, H. Ame Babcock.  
Asst. Scout Commissioner, Major Harry E. Wightman.  
Deputy Scout Commissioner, Jerry Leaming.  
Deputy Scout Commissioner, Robert Anspach.

The members of the Council are:  
Col. Henry B. Clark,  
A. H. Emerson,  
Harry E. Faxon,  
R. Carleton Gifford,  
Arthur R. Joyce,  
Mayor Samuel Hastings  
Everett L. Millard  
A. J. Metzger  
Dr. D. W. Rogers  
Oswald F. Schuette,  
Jesse L. Smith,  
Clark G. Wright.

Application will be made immediately to National Headquarters, Boy Scouts of America, for a First Class Council Charter.

**BOY SCOUTS VISIT BIG POWER PLANT**

Conducted Through Public Service Company's Building at Waukegan

Last Saturday afternoon, forty Boy Scouts from Troops 2, 3, and 4, who had accepted the invitation of the Public Service company to visit their new power plant at Waukegan, met at the Elm Place school and boarded the two special buses which the Public Service company had furnished. The trip through the plant proved both interesting and instructive. The boys appreciate the kindness of the Public Service company in arranging the trip.

As nineteen members of Troop 1 went on an over-night hike to the Waukegan plants and the majority of the other members were not in town, Troop 1 was not represented on the trip to the Public Service company's power plant.

The nineteen boys from Troop 1 who went on the hike reported that they had a fine time and did not regret the choice they did. Mr. Platt was in charge.

**LOCAL MARKSMAN IS AT CAMP LOGAN**

Sergeant Jaynes Among Picked Sharpshooters Gathered for Tryouts

James E. Jaynes, of No. 373 Central avenue, Highland Park, is among thirty-five picked sharpshooters of the United States Infantry who are at Camp Logan from all parts of the country and from foreign garrisons of the Army for the final tryouts for the 1925 Infantry Rifle and Pistol teams. If successful he will be entered in the National Matches at Camp Perry, Ohio, in August.

Jaynes, who is a sergeant in the Second Infantry, and regularly stationed at Fort Sheridan, Ill., is one of the foremost marksmen in the Army. For several years he has been prominent in shooting circles and was selected for the tryouts at Fort Logan because of his consistently high marks.

Entering the Army in 1920, he saw service with the 29th Infantry for two years and was then ordered to his present station.

**JOHN GALLAGHER, JR. WINS PONY CONTEST**

Robert Brown is Close Second; Many Others Make Good Showing

A great deal of interest was manifested, and a great many children entered the Pony contest which was conducted by the various merchants of Highland Park for the past two months. The counting of the votes took place last week and the winner of the contest was little John Gallagher, son of Mr. and Mrs. J. F. Gallagher, who led with 9,173,500 votes. The next highest was Robert Brown son of Mr. Wm. J. Brown, who totalled 8,296,850 votes. Others in the order of the number of votes they had were Jeanne Geddes, Jeanne Delhaye, Jas. Berube, I. Freberg, Robert Forgan, Robert Wood, Duane Cope and D. Cannmann. A complete list of the contestants could not be given as there were so many entered. Only the names of those receiving the highest number of votes are published.

**MAKING ALLOWANCES**

Let us try to make the allowances for others that we want others to make for us. Let us be charitable towards those who are doing things contrary to our own judgment or opinion. For the best part of our own work is to lend the helping hand, say the approving word, utter the note of good cheer. The pattern of life is composed of many threads and it were no pattern at all were they all of the same color.

**ADDITIONAL LOCALS**

Mrs. A. R. Gross and small son of Detroit, Michigan, are visiting Mrs. Gross' sister, Mrs. Robert Seyfarth of South Sheridan Road, for a few days. Mr. and Mrs. Edgar M. Snow and children returned Tuesday from Wausaukee, Wis., where they spent the last ten days.

Miss Grace Hickox will give a talk on "The Drama as an Important Part of Individual Development and the Reason for Dalcroze Eurythmics" in the studio of Mrs. Elizabeth McCrystle Heath, 337 Central avenue, Highland Park, on Tuesday afternoon, June 30, at three o'clock. All interested are invited.

**SUMMER SWIMMING CLASSES ORGANIZE**

**WINNETKA WOMAN IS ACTING MAYOR**

Winnetka has never had a woman Village President, but last week approached that possibility when Mrs. B. F. Langworthy, trustee, was elected president pro tem of the Village council. She was accorded that distinction at last week's session of the council.

Mrs. Langworthy has been a leader in civic and administrative work for several years and was regarded by her colleagues as the logical successor to J. D. Pierce, who desired to be released from the duty as "pinch hitter" for President Miller, since he expects to be away from the village much of the summer.

Pretty soon our front yards will be full of ambitious young men, lined up to sell us something which will help them get an education.

Doesn't seem to be much for the college girls to do during vacation, but no public opposition will be expressed if they remain at home and learn to make pie.
