**PLAYFIELD TOURNEY  
WON BY WATERTON**

Winnetka Playfield association held a blind bogey sweepstakes tournament Sunday, June 14, with Charles Waterton taking the first prize with a score of 71. Robert English and Harold Moses were even up for second award with scores of 72.

Tournaments will be conducted in regular order every Saturday and Sunday, beginning July 1, if enough

golfers apply for play, it was announced this week. The course is reported in splendid shape. Professionals John and Walter Stelzel are at the links continuously prepared to give instructions.

The statesmen say they are listening to the voice of the people, but just now that voice is busy trying to rattle the visiting team.

**LARGE ATTENDANCE  
AT VACATION SCHOOL**  
Bible Classes at Presbyterian Church Attracting Many Pupils Daily

The Daily Vacation Bible School which is meeting at the Presbyterian church five mornings a week, has had an average attendance of 98 plus per cent for this week.

The Kindergarten children under Miss Annie Cobb are making a home furnishing it throughout and providing a family of paper dolls. The stories have to do with their duties in the home. Work with crayons, paper cutting, pasting and sand table has been done each morning.

The Primary department under Miss Frances Cutler have been working out the creation story through poster painting and at the special service on Friday will present the story for the school. They are also making and furnishing a doll house. This department is earning their thank offering for each Friday by doing things in the home. A great deal of interest is shown in this work for "other children, everywhere."

The lessons in the Junior department have dealt with the various nationalities in America. In magic airplanes the children have visited Washington, New York, Ellis Island, Alaska, Indian reservations, and the Southern mountains. Many interesting places are still to be visited. Each child keeps a log book of happenings on the trip and things learned about the different people. The Juniors are sacrificing some pleasure that they may have the money for the thank offering. Last Friday one little girl's story was, "Well, you know I guess that we have a new drug store in Ravinia and I started out by going every day for ice cream but this week I just went one day, and here's my money." These children are also working for five perfect stars to represent the work of the five weeks. The points of the stars for each week stand for the following: Scripture passages learned; Hymn memorized; present every day; on time every day; Thank Offering each Friday. Last week there were ten perfect stars earned.

The music under Mrs. Virgil Musser is proving one of the happiest periods of the day. In the Junior department a course in the history of hymns and hymn singing is being given and each child is making a note book.

On Friday morning at 11 o'clock a special Fourth of July program will be given and the parents and friends of the school are especially invited. The devotionals will be given by the Primary children and Ashley Thomas of the Primary group will play the offertory. Eunice Hall will recite the Declaration of Independence. There will be songs and stories. The exercises will close, as they do each day with the salutes to the United States and to the Christian flags, and this song: "My country's flag takes care of me, a good American I will be."

**SWIMMING CLASSES  
AT THE HIGH SCHOOL**  
Attendance Increasing and More Expected; Schedule for the Season

Attendance has been very good at the swimming classes in the pool at Deerfield-Shields high school in the last two weeks, and as the warm season advances increase in patronage is expected. The pool is open to the public. A small charge is made on Tuesdays and Thursdays and the summer schedule is as follows:

9 to 10 a. m.—Boys under high school age.  
10 to 11 a. m.—Girls under high school age.

Tuesday and Thursday, 12 to 1 p. m.—Girls.

**One-Minute Sermon**

**Living in Compartments**

Woe unto the man who lives in compartments—who keeps his religion for Sundays and his business for the other six days. Woe unto the public servant, who, decorous and smiling at his devotions, goes forth to rob and plunder at the first opportunity. Woe unto those who, in the management of the state, or its institutions, or its social functions, has no disposition to carry the spirit of religion into practical effect. The man of compartments is the pest of society.

**HOMESTEAD ENTRIES  
IN MONTANA GROWING**

Farms in northeastern Montana now average four times the original homestead entry, or about 640 acres. Department of Agriculture figures in this territory 320 acres as a one-man farm unit. With the help of a boy doing a man's work, 480 acres in crops can be handled.

**To Our Depositors**

Following an analysis of our commercial accounts, we find ourselves obligated to impose on August 1, 1925, a uniform monthly charge of \$1.00 against such accounts as fail to show an average balance of \$100.00. You can readily understand that, after charging an account showing a smaller balance, the reserve required by law, the cost of checks, pass-books, statements, clerical service and a reasonable sum for general overhead, a substantial loss to the bank becomes apparent.

We feel confident that when this is brought to your attention, you will agree with us that, either the account should be increased to an average balance of no less than \$100, or you should consent to the nominal monthly charge of \$1.00 for the service rendered.

In our desire to give the people of this community the highest quality of banking service, we have provided a most complete and convenient house and equipment and we employ only courteous and experienced men and women at substantial wages. We are sure that you will appreciate this service and that, knowingly, you will not permit us to carry your account at a loss. We shall be pleased to discuss the matter further if you will kindly call at the bank.

**COMPLAIN REGARDING  
OVERLOADING TRUCKS**

Complaints to city authorities regarding overloading of trucks hauling dirt from the excavation on Second street, where paving operations are in progress, resulted in an order to the police to watch the trucks and warn the drivers from whose trucks rubbish was spilled on the streets. Several were halted by the police and instructed to remedy this condition.

**POLICE WARN DRIVERS TO AVOID

The descendants of the old pioneers who split rails to fence off the country are now engaged in splitting hairs in philosophical and political discussion.

**VAUDEVILLE SHOW  
IS REAL SUCCESS**

Continued from page one

There was a full house both nights and laughter and applause filled the theatre from the first minute of the show until the final curtain dropped on Levi's futile attempt to hoist little Eva to heaven.

Taking into consideration the fact that this was the first appearance on the public stage for nearly all the members of the cast and that one act followed the other without a moments interruption, the young men have surely won for themselves an enviable reputation. It is hoped that the enthusiasm with which St. James Young men's club was greeted on its initial performance will be shown at future productions of the club.

To say the least those who failed to attend the "Varieties of 1925" surely missed an evening of good entertainment.

The music for the occasion was furnished by A. Biagi's band.

There will be a meeting of St. James Young Men's club Thursday evening, July 2, at 8 o'clock, in the parish hall. All members are urgently requested to attend.

**H. P. WOMEN CONDUCT  
CAMP HOSTESS HOUSE**

Legion Auxiliary Members Aid in Making Camp Roosevelt Boys Comfortable

Members of the women's auxiliary of the Dumas post of the American Legion here are in charge of the hostess house at Camp Roosevelt, the boys' camp at Fort Sheridan, and also have assisted in fitting up an emergency hospital for the camp.

The hostess house will be kept open during the entire term of the camp, and the boys will always find women there ready to help them in any way.

Part of one of the old hangars on the northern side of the area set aside for the camp has been fitted up as an emergency hospital, and here the women have made attractive curtains, bright cretonne cushions and added many little homelike touches which are going to cheer the lads who get a few bumps or sprains in the course of the vigorous training of the camp.

Mrs. Henry E. Mason, who has long been devoted to various activities at the fort, has been directing the committee of women who have been preparing the hostess house and the hospital for the boys. Mrs. Mason is president of the auxiliary, and assisting her are Mrs. Charles Benson, Mrs. William Bowden, Mrs. Mary H. Hoffman, Mrs. Mary C. McCarthy, Mrs. H. B. Roberts, Mrs. L. J. Rice, Mrs. Earl W. Spender, Mrs. Harry E. Wightman and Mrs. Josephine Wainwright.

**MISS MARY DANIELS  
DIRECTS PLAYGROUND**

Was Here Last Year; Urge Parents to Attend; Children to Join Parade

Miss Mary Daniel who was in charge of the playground in Sunset Park, last year, and who so successfully carried on the work, has returned to Highland Park and is directing play there.

Miss Daniel is eager for a popular playground, popular not only with the children, but for any and all adults with or without children.

The ideal playground is one where parents and children play. There is as much in and in some cases more reason for the parents to play than the children. If they will come over, get into the simple but wholesome folk dances and games with the kiddies, we guarantee satisfaction. If they will sit at the sand pile and let their imagination range as the child's does or if they will follow the child thru his play it will smooth out many wrinkles and make him a little bit gladder he is living.

The American Legion and Elks, who have charge of the July 4th celebration, will be glad to have all the children parade on July 4th and the Park Board will furnish "patriotic" costumes in the form of crepe paper to any child whose parents would like him to parade. These costumes will be simple, merely some striped paper sewed on to a white dress and a cap of the same material. But the time is short until Saturday and help is needed on the playground for the work. Those who desire to have their children parade are urged to bear this in mind. The making of the costumes is most simple but it is impossible for the director to handle costumes in numbers. Paper may be procured and taken home. Directions for meeting the rest of the paraders will be given the children on Friday at the playground.

People with incomes under \$4,000 or \$5,000 may be exempt from federal income tax under the new law, and that class of taxpayers have not so far made any objection to such a change.
