DEDICATE SIX FLAG POLES AT EVANSTON

FEATURE OF CELEBRATION

Observation of Fourth to be Marked by Ceremonies of This Character; Fireworks at N. U.

Six new steel flag poles will be dedicated in Evanston parks on the morning of the Fourth of July as part of the patriotic celebration to be given at the north shore town.

The principal dedicatory service will be given at Fountain square where Mayor Charles H. Bartlett will deliver a patriotic address and officiate at the ceremony of unfurling the flag.

Other ceremonies will be held simultaneously in five parks where the new poles have been erected.

All the programs are being sponsored by the Fort Dearborn chapter of the D. A. R., which a number of years ago erected the flag pole at Fountain square that was blown down several weeks ago.

The flag raising ceremony will be in no manner interfere with the north end program which is to be the center of entertainment during the day.

Flag Donated by Chapter
The five flags to be raised on the new poles have been donated by the following members of the Fort Dearborn chapter: Mrs. Wilbur Helm, regent of the chapter; Mrs. Julian Goodhue, state chairman of patriotic education of the D. A. R.; Mrs. Frank L. Richardson, Mrs. William M. Gale and Mrs. G. J. Epenberger.

Plans for the north end celebration which will climax the Evanston observance of the Fourth are progressing rapidly. A parade of floats a mile long has been organized. This feature of the celebration will be a new addition to the annual program and is expected to be one of the outstanding numbers of the day.

An athletic program is to be staged in the afternoon on the Lincolnwood school grounds under the supervision of the bureau of recreation. Track events and numerous specialty contests will compose the program.

Fireworks at N. U.
In the evening the center of interest will shift to the Northwestern university athletic field, where the big fireworks celebration will be staged. Hundreds of brilliant displays have been ordered by the committee in charge. It is expected the big stands will be filled to capacity for this phase of the day's program.

FIRST ARDEN SHORE QUOTA NOW AT CAMP

Hundred and Fifty Children of Chicago Tenements; 500 During Season

One hundred and fifty children accompanied by their mothers left Chicago's west side this week for Arden Shore camp at Lake Bluff, on the north shore, where they will spend the summer in the woods and fields.

The summer camp for Chicago's tenement children is now open, and will continue throughout the summer. Permanent groups of undernourished children will be kept in the camp throughout the summer months, while temporary groups will come and go at intervals of several weeks.

The camp, which started twenty-five years ago with several tents and very little funds and equipment, has grown to a little city, containing many cottages and numerous other facilities to care for the visiting children. Last year twenty-seven new buildings were erected and the rest of the tents taken down.

Five hundred children will be accommodated this summer. They will be under the direction of Mrs. Joseph Siddal, president of the board, and her staff of assistants. They are Mrs. William E. Casselberry, Mrs. George Richardson, Mrs. F. W. Knapp, Mrs. Lydia Smith Shaw, Mrs. E. D. Parmelee and Mrs. Gann Ridgeway.

North Shore towns and villages wound up their drive for \$40,000 to equip the camp this summer. Evanston, Wilmette, Winnetka, Glenview and Lake Forest all went over the top in raising their quota of funds.

WINNETKA, GLENCOE BARRING FIREWORKS

There will be no fireworks in Winnetka and Glencoe this year, according to a village ordinance proposed to the ultimatums of the police departments. Village ordinances prohibit the use of fireworks and the law will be rigidly enforced.

The ordinances prohibit the use of rockets, crackers, torpedoes, squibs, fireworks, "or anything containing a substance of an explosive nature, under penalty."

Police chiefs say that conditions this year are much better than heretofore, when small boys were exploding fireworks in the streets of the business districts weeks before the Fourth of July.

BANDITS ROB THREE KENILWORTH PEOPLE

USE STOLEN AUTOMOBILE

Daylight Job on Essex Road is Staged Early Tuesday; Loot Value Totals \$4,000; Jewelry and Cash

Two bandits in a stolen automobile held up three people in front of their own homes in Kenilworth early Tuesday morning and escaped, after disabling their victims' car so that pursuit was impossible. Those robbed were M. F. Barrett and his wife, 50 Essex road and Benjamin T. Wright, who lives across the street at 55 Essex road, Winnetka. The loot included a \$2,500 diamond ring, \$1,000 diamond wrist watch and \$400 gold watch as well as a quantity of cash.

Barrett and his wife were just leaving for Chicago, accompanied by Wright, at 8:30 o'clock, when the robbery occurred. As they left the Barrett driveway the bandits' machine, a Buick coach stolen shortly before in Chicago, crowded them to the curb. Two men leaped out and confronted the party with revolvers, commanding them to put up their hands. It was said the bandit car had been parked near the Barrett home for 30 minutes.

Take Money, Jewelry
Barrett lost a small sum of money and Wright lost a diamond ring, a watch and \$15. Mrs. Barrett lost a diamond wrist watch and the contents of her purse. The robbers then tore the wires from the distributor of Barrett's car and sped south, in the direction of Wilmette. A few blocks further on Essex road they abandoned their car and were thought to have fled through the woods and boarded an electric car at the Forest and Elmwood station in Wilmette.

Wright notified the police immediately and a search for the men was started. For a time it was thought that they might be in hiding in the village, but after a hunt which lasted most of the morning police were convinced that the bandits had made the most of their few minutes start and escaped.

Steal Chicago Car
The car used by the thieves had been stolen from Louis Bortz, 845 Leland avenue, Chicago. It had been driven to his home by a garage employe and left parked in front of the house. He had only just discovered that it was stolen when the Kenilworth police telephoned him concerning it. Police said that this was the boldest robbery that had ever been staged in the village.
