FRANCES BIEDERSTADT TO OPEN MUSIC CLASS

Miss Frances Biederstadt announces
the starting of class lessons in sight
reading for piano training which de-
velops the ability to read pieces and
song accompaniment at sight. Also
duet playing, which is the prepara-
tion for ensemble playing. This
course will include ear training and
practical use of simple chord combi-
nations, to be used for song accom-
paniment and selection of chords to
fit well known melodies. This work
is a preparation for more serious
study, as class lessons could not take
the place of private instruction, as
more time is necessary for the full
development of the individual pupil.
It is, however, an excellent substi-
tute for those who do not wish or have
not time for more serious study, but
who have a desire to know something
about music and the piano.

In having classes she can offer this
work at very reasonable rates. Class-
es will be limited to six pupils and
are now forming for September.

cago office.

Harold R. Vant and E. H. Selig,
now conducting a real estate busi-
ness under the heading of Vant and
Selig had their start in the Deerfield
office of the Johnson real estate firm.
Miss Marjory Garrity who has been
working in their office this past year,
is now assisting with the clerical
work at the Deerfield Switch Board.

The Johnson office has been ren-
ted by our very efficient dentist, Dr. J.
P. O'Connell, who also has an office
in Northbrook.

at Deerfield Corners,

Mrs. Fred Meyer, Deerfield, post-
mistress and local correspondent for
the Lake County Independent at
Libertyville, was knocked down and
badly cut and bruised last Wednesday
evening at the Deerfield corners, by
an automobile driven by Mrs. George
Bowden of Highland Park, who
swung out to pass a Niles Center bus.
Mrs. Meyer was picked up by Mrs.
Jassey and with the assistance of
others, was removed to her home,
where Dr. Davis was summoned. Mrs.
Meyer is still in bed and is recovering
very slowly from the effects of the
accident.

VACATION SCHOOL IS OPENED IN DEERFIELD

Daily Bible School Held at Bun-
galow Church; Miss Carrie
Brown in Charge

The Daily Vacation Bible school was
first organized in Deerfield at the
Evangelical Bungalow church in the
summer of 1924, when the weekly ses-
sion consisted of only three days,
while this year there are five days to
the school week. The enrollment is
practically the same as for the same
grades represented in the Sunday
school.

School opens at 9:00 a. m. and
closes at 11:30 a. m. The children
are divided into three groups: Begin-
ners, Primary, and Juniors. The aim
is the following four-fold development
of the child: physical, mental, social,
and spiritual. The program consists
of the following periods: Worship,
9:00-9:15; Bible Memory, 9:15-9:25;
Bible story, 9:25-9:45; Bible expres-
sional, 9:45-10:40; Recreational,
10:15-10:30; Music, 10:30-10:40; Mis-
sional, 9:45-10:00; Recreational,
10:50-11:20; Closing, 11:20-11:30.

The children form in line at the
ringing of the bell and march into the
church from the front entrance. They
remain standing until chords are
sounded, indicating that they are to
be seated. Then follows the worship
service of song, prayer, the reading of
Scripture, and on Fridays, the taking
of the offering.

A scripture alphabet is being mem-
orized during the Bible drill period,
and also the names of the books of the
Bible and their divisions.

The little folks go to the basement
for the Bible story and Bible expres-
sional periods, while the Juniors re-
main in the auditorium. Maps have
been drawn, illustrating the divided
kingdom of Israel, and the sand table
work is correlated with the Bible.
Mounting books are also in process
of construction, and dramatization is
sometimes employed to make the Bible
stories more realistic.

All pass outdoors for the recrea-
tional period, if the weather permits.
Here the play also is supervised.

New and old church songs are being
learned during the music period, and
missionary stories with biblical and
modern settings are told during the
missionary period.

For hand work, the little folks go to
the basement, and also the Junior
girls, who are industriously making
work aprons, while the Junior boys
gather in the pastor's garage, and
use the coping saws to good advan-
tage in the construction of boats.
These articles the children are mak-
ing for children in home and foreign
mission fields, who are not the posses-
sors of many toys.

The closing period finds all assem-
bled in the auditorium, where a pa-
triotic song is sung and salutes are
given to the American and Christian
flags, and the benediction is pro-
nounced.

The work is under the directorship
of Miss Carrie V. Brown, who holds a
Master's degree from Columbia uni-
versity, New York, has had two years
of training in Religious Education at
the Moody Bible Institute, Chicago,
and has had experience in teaching
in the grades and high school.

There are eight members of the
community co-operating in the work:
Messames A. F. Merner, C. I. Wes-
ling, D. W. Guy, and Rev. Roy M.
Williams and Miss Miriam Stryker in
the Junior department; Mrs. Ed. Beck-
man in the Primary department, and
Mrs. R. M. Williams in the Begin-
ners department. Mrs. M. A. Frantz
is pianist.

The school is proving that a Daily
Vacation Bible school can be an agent
profitable and entertaining at the
same time. An invitation is extend-
ed to all who are interested, to visit
the school.
