position to uphold these restrictions and to admit

purchasers of refinement and responsibility only.

These lots at this low price offer an unusual op-

portunity to the family who would build their home

on the North Shore in one of its most beautiful com-

munities. By purchasing direct from the owner you

can secure a price so low that immediately after

purchasing, you have a potential profit that usually

comes only after months of waiting. Every lot in

this entire development is being sold at less than

the market price, and every purchaser should be

able to make within a very short time a substantial

Liberal Terms

There are a limited number of these lots. We have

priced them low to sell them quickly, and they will

move fast. So if you plan to build this year or at

any time later on the North Shore, it will pay you

Those who know North Shore values will appreciate

at once this unusual opportunity for profit, and we

invite anyone who is not familiar with these values

FOR DRY CLEANING & DYEING RUG CLEANING & CURTAIN STRETCHING THE RELIABLE LAUNDRY

Improvements Included in Price

Eliminating Dealer's Profit

We'are not subdividers. Our nursery and landscaping

business is one of the largest in the country. Years

ago, in anticipation of future expansion, we bought

this tract of land for nursery purposes. But since

are expanding our nurseries on cheaper ground, and

offering residential sites in this close-in property

direct to the home builder and investor, eliminating

the subdivider's profit and making the price to you

Easily Worth \$50.00 Per Foot

The lots offered here are in a strategic location.

Three blocks from excellent transportation. Paved

streets, sidewalks, sewer, water, electricity, tele-

phone, and landscaping, are being put in and paid

for. The work is now almost complete. Every lot

is spacious. Most of them are 60 to 75 feet in

This is one of the finest communities on the North

Shore. On this property now there is one home

which cost over \$20,000. This will be a development

Telephone: Highland Park 36 .

far lower than it could otherwise be.

then it has become too valuable for such use, so we

Note this important fact about these lots. Improvements are included: street paving, sidewalks, sewer, water, electricity, telephone, and landscaping. Here you get residential sites fully improved, ready for building, for less money than you have to pay for the same lots without improvements, if purchased from anyone but the owners.
