

RAVINIA PROGRAM FOR COMING WEEK

INCLUDES FAVORED OPERA

Schedule for Fifth Week Contains Several Features Always Pleasing and Crowds Assured

Tonight at Ravinia Park "Il Trovatore," always popular as one of the most tuneful of all the operas, will be given, with Rosa Raisa, Giovanni Martinelli and Ina Bourakaya in leading roles.

Next Week's Program

The fifth week of Ravinia opera and concerts is filled with works which rank among the prime favorites of all Ravinia patrons.

The new week will formally open Sunday night with "La Traviata" in which Lucrezia Bori captures the hearts of her auditors as well as that of the ardent Alfredo.

GENARO PARI

NEW PEARL THEATRE IS NAMED "ALCYON"

Verse Also Contributed With Name Describes Beauty of Theatre

"A single star is rising in the East and from afar sheds lovely lustre and shines a brilliant jewel in a galaxy of stars."

The above descriptive lines were submitted by Miss Marjorie Cutler of Highland Park along with the winning suggestion for a name for the new Pearl theatre on East Central avenue.

It is with great pleasure that the management of the new theatre presents to Miss Cutler a year's pass to the Alcyon theatre and a handsome silver loving cup, which will be engraved to the effect that she has named the North Shore's newest and most beautiful theatre.

GOOD BILL NEXT WEEK AT PEARL THEATRE

Irene Rich in "Eve's Lover" Sunday and Monday; "The White Outlaw" Saturday

Pearl Theatre will present the following pictures next week: Tonight and tomorrow night, "Chickie," the great newspaper serial; Saturday, "After Six Days," acclaimed to be a bigger and better production than "The Ten Commandments"; Sunday and Monday, Irene Rich, Bert Lytell and Clara Bow in "Eve's Lover"; Tuesday and Wednesday, House Peters in "Raffles"; Thursday and Friday, Dorothy Devore and Matt Moore in "How Baxter Butted In"; Saturday, Jack Hoxie in "The White Outlaw" with "Scout" the wild mare and his dog pal "Rex" Matinee Saturday. See program on local page of this paper.

MOOSE DAY TO BE CELEBRATED SEPT. 7

Highland Park lodge No. 446, Loyal Order of Moose will as in the past, hold a celebration in Sunset Park on Labor Day, Sept. 7th. Dancing and games will be among the features. Among prizes to be given away will be an Overland coach. Further details will appear in a later issue of the Press.

Foley Leads Field In First Round of East Park Tourney

H. Foley led a field of 75 last Sunday in the qualifying round of the Highland Park open championship. He shot a 35-38-73 which is good golf. J. P. Rouse last year's title holder had a 38-37-75. In the second flight Mr. Samuelson had an 84 to lead his flight. Johnny Jappso led third flight with a 97.

The pairings for next Sunday in first flight show that there will be some good matches played. John Rouse plays N. Gemmer and should win. Swede Olson will find plenty of trouble in Wes Conrad. A close match will be between P. Carain and Frank Brady. Ray Sheahan and Fritz Johnson are evenly matched. Nafey and Lloyd Larson should find no trouble in downing their opponents M. Bendin and George Bilhart. H. Foley the low qualifier meets Walter Flynn and Bert Brand plays Chet Brady in the other matches.

In second flight, Samuelson meets E. M. Laing; E. W. Hargrave plays G. Eyley; Art McCaffery vs. W. Hise; E. B. Low vs. W. Hill, and the rest drew Byes.

In third flight the only match in first round will be J. Jappso vs. W. Chalmers. The second round matches find A. Fell matched against Elmer Evans, T. Larson vs. Cliff Moran and Todd vs. J. Chalmers.

All the matches will be interesting to watch. The course is in great shape and some good golf will be played. Professional Kelly has the cup all ready to give to the winner. May the best man win.

MUCH INTEREST IN PLAYGROUND ACTIVITY

The playground is growing every day. The attendance averages around 150 a day, from 20 to 40 in the mornings and around 70 in the afternoon and from 50 to 60 in the evening. This includes some of the parents of the kiddies who enjoy the playground and who are warmly welcomed.

The importance of having the parents come and see and take part in the things that are making their children healthier and happier has been stressed before.

Miss Welch, physical education teacher from Minneapolis and of wide playground experience is in the playground with Miss Daniel and is organizing classes in swimming and life saving for girls from 12 years of age and up. The class meets Tuesdays and Thursdays at the playground at 3:30 p. m. and from there is taken to the lake.

The playground is open from 10 to 12 noon; from 1:30 to 4:30 in the afternoon and from 7:00 until dark evenings. Activities are as follows: Boys hand work; girls' handwork; drills club; folk dancing; ukelele club; games of all kinds; story hour and dramatization of stories; trackwork; volley ball; baseball. The activities given special attention in the evening are ukelele club, volley ball, and baseball, when work with the older boys and girls is stressed.

It is not very far from Green Bay road down into Sunset park. Everybody welcome.

PLAY LIBERTYVILLE HERE NEXT SUNDAY

There was no ball game last Sunday because of the rain that came down in the afternoon. It was impossible to play as the field was all muddy.

Next Sunday the Elks will play Libertyville here. Libertyville has the edge on the Elks because of two previous victories. The Elks have beaten them once this year.

The Elks have strengthened their infield by adding Cronin, formerly of Rock Island on second. The team is now the best that it has been all year. They are hitting better and should beat Libertyville. Last Sunday Libertyville beat the Monarchs 1-0. Bixby pitched a 4 hit game. He will oppose Hessler Sunday.

CARD PARTY MONDAY IS BENEFIT AFFAIR

A benefit card party will be given Monday afternoon and evening, July 27th, at the home of Mrs. Andrew Walsh, Prairie avenue, Highwood, under the auspices of St. James' Court of the Catholic Daughters of America. All members and their friends are invited to attend.

EX-SERVICE MEN ARE URGED TO FILE BONUS

All ex-service men who have not filed their claim for the Federal Bonus are warned to do so at once as the time is now limited for filing same. Post commander H. A. Hansen of the American Legion will be glad to assist any ex-service man. For appointment call H. P. 1014 or H. P. 1599.

DEERFIELD PLANNING MANY IMPROVEMENTS

PARK DISTRICT PROPOSAL

Special Election to Be Held; New Water Reservoir, Tank and Pump; Other Work in Prospect

One of the notable things in this part of the country is the rapid growth in population and modern municipal facilities of the village of Deerfield, the prosperous and beautifully located community which is Highland Park's nearest neighbor to the west.

With extensive sewer and water extensions in progress, numerous new subdivisions being laid out, many handsome new residences in course of erection and others planned, the village authorities with good judgment and wise foresight are planning ahead for the future of the community and are taking steps to provide civic improvements adequate to the needs of the village for many years to come.

Plan Park District

The Deerfield Plan Commission, at its meeting last Thursday evening, designated a park district to be known as the Deerfield Park district, taking in the entire territory of West Deerfield township. Petitions for an election for the organization of the district will be circulated, and the date of election will be fixed later by the village board.

It was also recommended to the Board of Local Improvements that Deerfield avenue, and also Waukegan road, be widened to a width of 100 feet clear through the village, from boundary to boundary.

The Deerfield Plan Commission is composed of Arthur J. Ender, chairman; Theodore J. Knaak, secretary; James J. Hood, Paul Hunter, B. H. Kress, Alexander L. Taylor.

Another modern facility recently installed in Deerfield is a new and powerful fire siren, which is located on the top of the Stryker building. It is electrically controlled from the office, and also from the office of Village Clerk Knaak, and by its use Deerfield's efficient volunteer fire department can be quickly called together, at the same time notifying residents in all parts of the village of the alarm.

New Water Facilities

At the last meeting of the village board \$20,000 in water certificates was voted for the installation of a 350,000-gallon water reservoir to provide a more adequate supply of water to the community. It is planned to locate their reservoir near the eastern limits of the village.

It is also planned to ask for a special election on a question of public policy in the matter of a proposed bond issue of \$19,000 for the purpose of erecting an elevated water tank and installing a powerful pump to pump water from the reservoir, and also to take care of some old indebtedness of the corporation.

Many Improvements Planned

Plans also are under contemplation for the building of a new city hall and fire station, and other civic improvements are being considered commensurate with the rapid growth of this beautiful suburban town, where municipal progress is keeping step with the rapidly increasing population. New subdivisions are being laid out, and are being rapidly built up, and in every way the village is evidencing activity as one of the most progressive communities of the Chicago suburban district.

BOY SCOUT CAMP IS NEARING COMPLETION

Is Situated on DesPlaines River; Will Dedicate Camp Millard, Aug. 2

Camp Millard, the Highland Park local council Boy Scout camp, situated on the DesPlaines river at the county line eight miles from here, is rapidly assuming the air of a real camp.

A cook shack has been erected and plans for a bunk house are well under consideration. A trail is also being made from the road to the camp buildings.

Mr. Walter Reed, the camp director, wishes to announce that any Boy Scouts who have notified Lloyd L. Wightman two days previous, may come to the camp and stay overnight. Bedding, food, and cooking utensils will necessarily have to be furnished by each boy.

Camp Millard will be formally dedicated Sunday, August 2. Further announcements regarding this event will be published in the next issue of the Press.

MANY CITY STREETS RECENTLY IMPROVED

AND OTHERS UNDER WAY

Increase Facilities of Community; Other Improvements of Varied Character Needed and in Prospect

With many civic improvements recently completed and others under way or contemplated, Highland Park is rapidly becoming one of the best equipped suburban cities in the matter of public facilities, and this is especially true with reference to its extensive new paving facilities.

In this connection what has been a cherished dream of Highland Park people for many years has been made to come true by the efforts of the city officials in the completion of modern concrete thoroughfares of sufficient width and substantial construction from Central avenue clear through to Ravinia, along side the railway right-of-way with sidewalk throughout. This is a notable and much needed improvement and is greatly appreciated.

St. John's Avenue Open

St. John's avenue new pavement north from Central to Elm Place also is open and on Park avenue from St. John's to Sheridan road. This is a wide and commodious pavement and is a marked improvement in this area.

The new south Sheridan avenue pavement is open from Dean avenue to Roger Williams, and the section of St. John's avenue from Beach street to Roger Williams avenue is opening this week. The improvement of St. John's avenue in this section is part of the franchise agreement with the North Shore line, and another notable improvement is the beginning by the company of the erection of a handsome and commodious new station at Ravinia, which will add to the city's appearance.

CARD PARTY AUG. 3 AT MORAINES HOTEL

Mrs. Van Schaick Heads Committee; To Benefit Charity Cases at Local Hospital

A bridge and mah jongg party will be given Monday, August 3 at the Moraine hotel, for the benefit of charity cases at the local hospital. The party is in charge of the Woman's auxiliary of the Highland Park hospital. Single admission is \$1.25 and tables will be reserved at \$5.00. For reservations call H. P. 500.

The committee in charge headed by Mrs. Gerard Van Schaick is working hard to make this one of the biggest affairs ever given by the auxiliary and it is hoped they will receive the support of their friends.

Among those who have reserved tables for the party are:

- Mrs. J. McGregor Adams, Mrs. A. K. Foreman, Mrs. Alexander Carqueville, Mrs. A. W. Jerrons, Mrs. Martin J. Insull, Mrs. Albert Meyer, Mrs. Russell Mott, Mrs. Robert Wood, Mrs. Morris Wolf, Mrs. Allan I. Wolf, Mrs. E. V. Price, Mrs. Arthur McPherson, Mrs. John F. Mackenzie, Mrs. James L. Martin, Mrs. S. M. Hastings, Mrs. M. Goldsmith, Mrs. Eugene E. Andrews, Mrs. Paul F. Harkness.

J. B. GARNETT ELECTED ASSISTANT SUPERVISOR

Town Board Takes Action to Fill Vacancy Made by Death of Fred Schaefer

Owing to the death of Fred Schaefer the Town Board held a special meeting Monday and elected J. B. Garnett assistant supervisor to fill the vacancy caused by Mr. Schaefer's death. Mr. Garnett's friends feel that the board chose wisely as he is one of Highland Park's most successful and respected business men and that he will serve this township to the best of his ability on the county board. Mr. Schaefer was chairman of the printing committee and this automatically makes Mr. Garnett chairman of that important committee.

He has, for several years, served with credit on the Highland Park Library board.

S. F. OF A. TO HOLD PICNIC SUNDAY, JULY 26

North Shore Lodge No. 171 S. F. of A. will hold a picnic Sunday, July 26, at Hinderberg Grove, west of Highwood on Waukegan road and Prairie avenue. Dancing and games will be features of the day. Busses will leave the Highwood station at intervals during the day for the convenience of those who desire to attend.

Committees Busy On Highland Park Day Preparations

Elaborate preparations are being made by the Highland Park Business Men's association for the annual celebration of Highland Park Day, Wednesday, August 12, and there is every indication that this year's observance of the city's special holiday will exceed all past records.

The outstanding feature is the plan to give away a Nash sedan worth \$1640, besides hundreds of other articles, and it is announced that the net receipts from this fund will be turned over to the Park board to be used in improving the children's playground in the park. This is a worthy object and should be well supported.

All of the committees are working hard for the success of the celebration, and all sorts of new and novel features are being arranged for the entertainment of the crowds which are sure to throng Sunset park all day, if the weather is fine.

A big parade with plenty of music and lots of decorated floats in line, besides a number of local organizations will be the forenoon feature, and everybody is urged to join the parade and help make it a success. Prizes for best decorated entries, etc., will be given. Businessmen and citizens are asked to decorate their premises appropriately for the occasion, and everybody is requested to participate in the festivities and make this Highland Park Day the biggest and best in the city's history.

HIGHLAND PARK GOLFERS GO TO NIPPERSINK

Twenty-Six Local Golf Bugs Motored to Wisconsin Course Wednesday Morning

Yesterday morning twenty-six of our local golf bugs motored to Nippersink, Wis., and spent the day knocking the "pill" around. Everybody "kicked in" one dollar and the money was used in buying prizes. After the smoke of the battle had cleared away the following were found to be the winners:

- Blind Bogey
- "Art" Olson, first prize with a 74 net, a steel shaft brassie.
- Rev. Frank Pitt, second with a 75 net, three golf balls.
- R. W. Martin, third with a 73 net.
- Low Net
- Judge A. E. Smith, first with a 90-31-59, a golf bag.
- Dr. J. W. Watson, second with a 112-48-64, four golf balls.
- George Koch, third with a 99-33-66, two golf balls.

It was a swell day and everybody had a good time with the exception of one member of the party who received a painful scratch on the nose while taking his "bawth." We mustn't reveal his name, but just look around for a man with a "scratched" nose; you all know him.

You have all heard the song, "The Girl I Left Behind Me," well, of course the girls were all left behind, but the real catastrophe of the day was that a "perfectly good" "Hole-in-one" golfer got left behind. Who ever heard of a golfer getting left behind? It happened anyway. Everybody had "checked in" and the party left a few minutes after schedule time. In making up the foursums, "Charlie" Harbaugh called E. F. Pratt's name, but no Pratt answered to roll call and on investigation it was learned that he had gone into Garnett's store to telephone and the parade left without him, each thinking he was in the other fellow's car. Don't you care, Pratt, old boy, you're the only one in the whole bunch who has ever made a hole-in-one and had your picture in the paper.

Almost all lines of business and vocations were represented: real estate, dry goods, men's furnishings, lumbermen, bankers, printers, contractors, plumbers, auto salesmen, druggists, judges, auto painters, a perfectly good minister, and a school professor, a couple of handsome young doctors and a couple of "joy-killers" quite nicely on this occasion and didn't attempt to start anything, they probably figured the odds were against them. It's different from hav-

SPECIAL ELECTION AT RAVINIA SCHOOL

The board of education of School District No. 108 has issued notice of a special election to be held at the Ravinia school house on Saturday, Aug. 1, 1925, for the purpose of submitting to the voters of the district two propositions—one to erect a new school building on the site of the present Ravinia school, and the other to authorize the board to issue bonds in the sum of \$26,750. The polls will be open from 1 o'clock until 5 on the afternoon of Saturday, Aug. 1.

LAST RITES SUNDAY FOR FRED SCHAEFER

MASONS ARE IN CHARGE

Burial at Lake Forest of Well Known Citizen, Who Died Quite Suddenly on Thursday Last

Seldom in the history of Highland Park has the esteem in which a citizen has been held been more markedly manifested than was shown by the large attendance and profuse and beautiful floral tribute at the Masonic funeral services held Sunday afternoon for Fred Schaefer, for 34 years a resident and for many years

an-efficient and faithful public official.

The members of A. O. lodge No. 676 attended in a body, going first to the family residence in St. Johns avenue and accompanying the funeral cortege to the final resting place in the cemetery at Lake Forest, where the Masonic ceremonies were conducted by Past Master Archibald Abercrombie, assisted by Past Masters H. P. Clow and W. H. Thomas and Worshipful Master George and Greese. The pall bearers were A. G. McPherson, H. M. Prior, John Oliver, W. J. Obce, William J. Brown and E. L. Parrshall. Messrs. McPherson, Obce, Brown and Parrshall are past masters of the lodge. Messrs. McPherson and Prior, old friends of the deceased, were on their way to Wisconsin on a fishing trip and returned from Stevens Point when notified of the death of Mr. Schaefer.

Death Was Sudden

Fred Schaefer passed away quite suddenly about 6:15 o'clock Thursday evening, July 16. He had been in ill health for several years, but bore bravely up against his affliction and went about his business as usual. He was out posting assessment notices Thursday afternoon, returning home early. He told his family he was all right and sat awhile on the porch reading. Later he suffered a severe attack and a physician was called. The latter had left only a few minutes when the end came.

Mr. Schaefer was born June 8, 1864, in LaFayette, Ind. He came to Chicago when about 13 years of age and with the plumbing firm of E. Baggett & Co., he learned his trade, working in Chicago for a number of years. There he married Miss Frances Quigley, May 13, 1886. They lived in Chicago until five years later, when Mr. Schaefer became superintendent of the plumbing and heating contract at Fort Sheridan, then in course of construction, and 34 years ago he removed to Highland Park, which was thenceforth his home, and continued in the plumbing business here until about a year ago, when he retired on account of ill health.

The Family

Mrs. Schaefer is living and four of their five children. The living children are Mrs. Gertrude A. Bare of Midwest, Wyo.; Oliver Frederick Schaefer of Morgan Park, Ill.; Mrs. B. H. Adams of Bremerton, Wash., and Carl E. Schaefer, at home. One son, John Schaefer, died some years ago. There is one grandchild, Fred.

ELAINE HAMMERSTEIN IN "DARING LOVE"

Will be Shown 2 Days; "Are Parents People" Tuesday, Wednesday, Thursday

The following pictures will be shown at Highland Park theatre next week:

Tonight, Raymond Griffith with Betty Compton in "Paths to Paradise"; Friday and Saturday, Mildred Harris and Robert Agnew in "Private Affairs"; Sunday and Monday, Elaine Hammerstein in "Daring Love"; Tuesday, Wednesday and Thursday, Betty Bronson, Florence Vidor and Adolphe Menjou in "Are Parents People"; Friday and Saturday, Jack Hoxie in "The Red Warning." Matinee Saturday. See program on back page of this paper.
