-now 75 Horse Power

Buick Performance steps further ahead in World Leadership.

The Valve-in-Head engine in the Better Buick Master models delivers more than 75 horsepower!

Extra power has been added to the extra power always a feature of Buick's famous engine.

The Better Buick now leads the world in protection for engine and driving units. Three new seals have been added to Buick's famous Sealed Chassis. An air cleaner, a gasoline filter, and an oil filter, now insure clean air, oil and gasoline for the engine.

Drive one of the Better Buicks. Know how much the new 75 horsepower Standard of Performance adds to the pleasure of Buick ownership.

You never again will be satisfied with the power and performance of the ordinary motor car!
