SIX RULES GOVERN COUNTY ROAD HOUSES

Licenses for road house proprietors were received Tuesday by County Clerk Hendee for issuance to dance hall owners in Lake county at the next meeting of the board of supervisors on September 8.

Fees for operating amusement centers in the county will be required this year.

Six provisions for the conduct of licensed road houses are printed on the permit. Patrons less than 16 years of age must not be admitted unless with parents or guardian; the peace must not be disturbed; no intoxicating liquor is to be permitted in the place; if conditions become such that the license should not have been issued, the permit will be revoked; no vagrant or intoxicated person shall be permitted in the road house; and the fine for violations shall be from \$25 to \$500 or imprisonment from 30 days to six months or both.

LINE IS DIFFICULTY FOR THISTLETHWAITE

LOSES NINE LETTER MEN

Northwestern University Football Coach Faces Task of Creating New Wall Out of Green Material

Evanston, Ill. - Whipping together a new forward line to replace the veterans lost through graduation will be the early task which will face Coach Glenn Thistlethwaite at Northwestern university as the 1925 grid season gets under way.

Out of eleven letter men who will be missing when the candidates gather for the first time on Sept. 15, nine of them are linemen. This one-sided situation is causing the Purple men considerable apprehension and he will center his activities during the early practice sessions in getting a line on just what material he has available for the forward positions.

The loss of Parsons, Townsend, Smith, Kelly and Simonds, all of them powerful and reliable guards, leaves the filling of these two positions to untried sophomore material. Just how much can be expected from this new crop of candidates is always a matter of doubt and whether they will be able to make the grade remains to be seen.

Guards Are Needed
"Duke" Cohen and Jim Ford are the only guards remaining on the squad who won their letters last fall. Both these men were injured frequently last season and it is doubtful whether they will be able to accept the call for first line duty. Besides filling a couple of regulars Coach Thistlethwaite must build up a reserve force. All in all, the job of filling the guard positions on the Purple eleven this fall begins to look like a mighty difficult task.

The tackle and end assignments have promise as here the coach has a number of likely performers remaining from last season, as well as a crop of newcomers who should develop into good reserve material. Bruce Johnson and Seibemann will form the nucleus of veteran tackles around which will be built the incoming sophomores.

Wally Seidel and Barney Matthews are the only ends remaining from the 1924 eleven. Seidel is one of the ablest ends developed at Northwestern in years and Coach Thistlethwaite expects him to hold down one of the flanks regularly. From the sophomore ranks will come Waldo, Fisher, Fargo, N. D., whose performance with the freshmen last fall marks him as a likely candidate for an end position. He is fleet, lithe and can catch passes which should make him an excellent teaming mate for Seidel. However, here again, as in the guard positions the creation of a reserve strength is going to be a problem.

"Fighting Tim" Back
Center is one of the few positions about which Coach Thistlethwaite is not worrying greatly. Captain Tim Lowry, a husky reliable chap who has played consistent ball for the past two years, will be at the pivot job. "Fighting Tim" has been a tower of strength in the line for the Purple. Last season he won a position on a number of all-conference selections and he should be in for one of the biggest seasons of his career. Lester Greenberg, former Chicago high school prep star, and Dan Dorchester, who hails from Smithtown, N. Y., will be used as reserves for the center job.

The backfield does not present such a problem. Led by the fleetfooted "Moon" Baker at half the Purple backfield should be one of the fastest combinations developed at Northwestern in years. Other backs from last season who will help bolster this department are Harold White, "Ziggle" Solheim, Al Edmunds and Frank Schumacker. Vic Gustafson and Leonard Lewis are two backfield men from the freshman squad who are expected to work into regular berths on the eleven. Lewis, it is hoped, will fill the full back position left open by the graduation of Captain Bob Weinecke.

COMMUTERS COMPLAIN AT REMOVAL OF RACKS

Hubbard Woods Improvement Association Joins in Exploring Action

The Hubbard Woods Improvement association, Stanley P. Farwell, president, has joined with hundreds of north shore citizens, represented in groups or individually, in registering a general protest against the proposal of the Chicago and North Western railroad officials to remove the parcel racks from suburban trains.

In the name of the association Mr. Farwell has penned no less than two pointed communications to President Fred Sargent, youthful executive of the steam road, pointing out the fact that Hubbard Woods commuters view with resentment the announced intention of the railroad to remove the convenient, if not actually essential racks, with the idea in mind of providing unobstructed view of advertising matter soon to be placed in the coaches.

Protest Is General
This sentiment is by no means confined to Hubbard Woods, Mr. Farwell explains, for he has been conducting a general survey of commuterdom, as represented on the north shore, that has been productive of convincing evidence that the patrons of the North Western suburban service are practically unanimous in their opposition to the road's latest move.

"We have discussed this matter unofficially in associational ranks," Mr. Farwell said, "and I have communicated with the North Western officials in my capacity as president of the organization. We are merely joining with hundreds of other commuters, with many of whom I have spoken, in the effort to effect a reconsideration of the railroad's action."
