NEWS OF INTEREST ON THE NORTH SHORE

North Shore Society

Mrs. Henry Taylor Smith of 710 Bluff street, Glencoe, has issued invitations for a tea to be given at her home Wednesday, Sept. 16, at which she will present to society her daughters, the Misses Dorothy and Gertrude Smith. Mrs. Sheldon Knight, of Chicago, a cousin of the debutantes, will be in the receiving line. Mrs. Knight is well known in Glencoe by reason of her many visits in the village. The list of the young women who will assist that afternoon has not yet been definitely decided upon, but there will be many of the girls' college classmates among them.

From 4 until 7 o'clock Friday afternoon, Mr. and Mrs. Benjamin H. Marshall of Winnetka received their friends in their delightful studio home on the lake's edge at Wilmette harbor at a tea that introduced to society their daughter, Miss Betty.

Assisting during the reception hours were Mrs. Edwin L. Brashears, Mrs. James Marr, Miss Beatrice Burnett, Miss Grace McGinn, Miss Dorothy Peck and Miss Alice Ransom.

Later in the evening, Mr. and Mrs. Marshall gave a dinner-dance in their daughter's honor.

Mr. and Mrs. Harry C. Holloway will give a debut tea for their daughter, Miss Ruth, Saturday, Sept. 19, from 4 until 7 o'clock, at their home, 589 Sheridan road, Glencoe. Assisting the debutante will be the Misses Jane Scriven, Joan Stuart, Margaret Orde, Gertrude Smith, Agnes Cornell, Martha Thomas, Katharine Adams, Evelyn Wood, Eleanor Stevens, Elizabeth Clore, Mary Ott, Mary Fortress and Elizabeth Stout of Indianapolis. Following the reception Mr. and Mrs. Holloway will give a dinner-dance at the Skokie club for the girls who assisted during the afternoon.

Mr. and Mrs. Frederick A. Rye of 1015 Chestnut avenue, Wilmette, announce the engagement of their daughter, Betty, to Brower Munroe, son of Mr. and Mrs. Walter Howard Munroe of Evanston.

Mrs. Arthur V. Calloway, 627 Eleventh street, Wilmette, announces the engagement of her daughter, Ann Rowles, to George H. Stephens, son of Mr. and Mrs. C. D. Stephens, of Hubbard Woods.

Dr. and Mrs. Charles Spencer Wilson of Chicago have announced the engagement of their daughter, Isabel G. Williamson, to Lewis Andrew Day, Winnetka. Miss Williamson was a member of the class graduating from Vassar college last June, and was one of last winter's debutantes. Mr. Day was graduated from Yale in the class of 1923. The wedding day has not been set.

Owing to serious illness in the family, Mr. and Mrs. William C. Boyden of Winnetka have recalled the invitations for the reception they had planned for their debutante daughter, Miss Elizabeth Boyden, to take place on Saturday afternoon, from 4 to 7 o'clock in the Boyden garden. Miss Boyden is to enter Smith college this fall.

Mr. and Mrs. A. C. Chaplin and their family have returned to their home at 800 Sheridan road, Glencoe, from Wautoma, Wis., where they have been spending the summer. Charles G. Haskins of 139 Hazel avenue, who was a guest of the Chaplin family for a fortnight's time, returned to Glencoe last Monday.

Miss Olivia Fentress, daughter of James Fentress of Hubbard Woods, has arrived in New York following a year of travel in Europe, during which time she spent several months studying in Vienna. Before returning home Miss Fentress will visit relatives and friends in the east for two weeks.

The Eastern College association of Chicago will be host to several hundred alumni of 11 eastern colleges and universities at the Budlong Woods golf club Tuesday, Sept. 15, as was previously announced.

Leslie W. Miller, 510 Washington avenue, Wilmette, chairman of the board of governors, will give complete information concerning field day plans to alumni of eastern colleges not receiving formal notice of the events.

Mr. and Mrs. Robert Dickinson of Lake Forest, who motored to Cape Cod, have arrived at Wood's Hole, Mass. They expect to return west about the middle of the month.

Miss Dorothy Smith, daughter of Mr. and Mrs. Robert Smith of Kenilworth, is spending a month on a ranch in Wyoming. She will also visit Yellowstone before returning.

Saturday, Sept. 12, the North Shore branch of the Chicago Rockford College association will entertain at tea at the home of Mrs. Catherine Waugh McCulloch, a graduate of Rockford college, living at 2236 Orrington avenue, Evanston, in honor of the Chicago and near-Chicago girls who have been accepted for admission to Rockford college in September.

Assisting Mrs. McCulloch will be: Miss Margery B. Windes of Winnetka, chairman of the North Shore branch of the Chicago-Rockford college association; Miss Lydia Robinson, president of the Chicago-Rockford College association; Miss Lorena Church, registrar of the college; Mrs. Walter Giffin, chairman of the South Side College association; Mrs. J. S. Milne of Evanston, former North Shore chairman; Mrs. Arthur L. Aldrich, Evanston associate chairman; Mrs. Herbert Lautmann of Highland Park, Lake Forest and Highland Park chairman; Miss Elizabeth Shedd of Chicago, Mrs. Emily Parsons Hunt of Evanston, Mrs. W. T. Hackley, the Misses Julia and Olive Raffree of Chicago, and Mrs. W. D. Marsh of Evanston.

Mrs. McCulloch's annual tea has proved a delightful way to bring the incoming freshmen in immediate contact with an enthusiastic group of Rockford college women who have finished their college work but have an active interest in the college and its new students. Thirty or more girls are entering this fall from the Chicago region.

Mr. and Mrs. Edgar Stanton of 30 Locust road, Winnetka, announce the marriage of their daughter, Harriet Rew Nichols, to Robert Duperoye, Ontario, Canada. M. and Mme. Duperoye will make their home at 19 Boulevard Fambetta, Grenoble, France. Mr. and Mrs. Stanton will remain at Desbarats through the early autumn.

Henry Cutler Jr. of Wilmette, is home for the remainder of the summer, after spending six weeks in the east.

Gorden and Robert Ramsey of 100 Beach road, Glencoe, are among the north shore members of Beta Theta Pi fraternity attending the convention which was held the first four days of this month at Bigwin inn, north of Toronto.

Mr. and Mrs. J. P. Yoder of Winnetka are planning to move to Florida shortly, where they will reside at Coral Gables, near Miami. At present they are in Washington for a visit with relatives.

Mr. and Mrs. Samuel Clark of Glencoe are departing tomorrow by automobile for a week at Redfeather Lodge, Wis.

Mr. and Mrs. Andrew C. Perrin and their small son, have returned to their home at 85 Abbottsford road, Winnetka, after a month spent in the north woods of Wisconsin. On their return trip, the party motored through the iron country in the northern peninsula of Michigan.

Announcement is made of the marriage of Miss Beatrice Andrews, daughter of William Andrews of Hubbard Woods, to Fred Edwards, son of Mr. and Mrs. William Edwards of Glencoe, which took place Aug. 23, with Rev. William B. Lecah reading the service at his home. Miss Catherine Schmitt and Harold Clavey were the attendants.

Fifty members of the Young Women's guild of the Glencoe Union church, were given the opportunity to appreciate late summer weather from the standpoint of entertaining this week when they were served a luncheon on the lawn at the home of Mrs. Austin L. Wyman, 27 Crescent drive, at their meeting Wednesday. Assisting Mrs. Wyman were Mrs. B. M. Kohler, Mrs. Guy St. Clair, Mrs. Kimball Montgomery, Mrs. Sinclair Willmarth, Mrs. Harold A. Workman and Mrs. Walter Jensen. After the luncheon, the young women turned to sewing for the afternoon's occupation. The next meeting of the guild will be held Wednesday, Sept. 16, at the home of Mrs. A. C. Goodnow at 439 Hazel avenue.

ANNOUNCES ANNUAL MUSICAL CONCERTS

Lake Forest School of Music Starts Tenth Season on October Third

The Lake Forest School of Music, sponsors for the annual subscription concerts given there through the winter, sends out the following announcement of the coming season's program: "The Lake Forest School of Music subscription concerts are this year celebrating their tenth anniversary. It is impossible to look back upon their history without thinking with gratitude of the great artists who in the earlier days with uncomplaining patience gave their best to audiences that were at times embarrassingly small. Deep appreciation also most fittingly goes at this time to the group of friendly sponsors who so graciously followed the career of these concerts from hall to hall, through experiments with lighting, seating and acoustics, always with tolerant understanding of every difficulty and helpful belief in the success of the venture. Without them these concerts would not be possible. Each succeeding concert brings increasing enjoyment and inspiration, and may this anniversary year be a memorable one. To this end the following program has been selected:

"October 3, 1925—Helen Freund, prima donna soprano of the Chicago Civic Opera and Ravinia Opera companies; Wally Heyman, violinist.

"Helen Freund is an American girl trained entirely in America, but recently a graduate of the Carl Schurz high school. Her phenomenal leap from the obscurity of the studio to the limelight of the Auditorium stage where she made her debut in the same opera with Mary Garden last winter, is now a matter of record.

"Wally Heyman lives in Chicago. She is a member of the faculty of the Lake Forest School of Music, extremely popular with her audiences, and highly esteemed by the most competent critics.

"October 24, 1925—Rene Thornton, soprano; Richard Hageman, pianist, conductor and composer.

"Rene Thornton is American born, but received her early musical training in Europe. Eight years ago she placed herself for further artistic study with Richard Hageman, formerly associated as music director with the Metropolitan and Chicago Civic Opera companies and who, to quote Glen Dillard Gunn, 'has the good fortune to be the husband of this delightful artist.' The promise of a concert by this admirable duo is cause for congratulation. This concert will be held at the Winter club, the others in Lake Forest College chapel.

"March 6, 1926—Wanda Landowska, harpsichordist and pianist.

"Famous in Europe as the foremost exponent of music of the olden times, Wanda Landowska is happily remembered here through her appearance last season with the Chicago Symphony orchestra. She will play both harpsichord and piano at her Lake Forest concert. Her book, 'Musique Ancienne,' a learned but charmingly witty volume, is now in its seventh edition, there being also an English translation. She is a unique personage in the music of our day.

"May 1, 1926—Ensemble Concert. Alfred Wallenstein, cellist; Robert Lindemann, clarinetist; Marta Milinowski, pianist.

"The last concert of the season will be devoted to the great composer, Brahms. Alfred Wallenstein, first cellist of the Chicago Symphony orchestra, has already been enthusiastically heard in these concerts. Robert Lindemann is the first clarinetist of the Chicago Symphony orchestra, and Marta Milinowski belongs to Lake Forest and needs no further introduction."

Miss Elizabeth Risser of Rome, head of an exclusive school for American girls in Villa Ryssega, will be the house guest of Mrs. Howard C. Phillips of Hill road, Winnetka, for a brief time. A number of affairs have been planned in Miss Risser's honor during her stay with Mrs. Phillips. In late September she will sail with pupils for her school in Rome.

Mr. and Mrs. William F. Howe of Winnetka have announced the engagement of their daughter, Mildred La Rue, to Dwight B. Yoder of Chicago, son of Dr. and Mrs. A. C. Yoder of Goshen, Ind. The wedding will take place in the late autumn.

Mr. and Mrs. Lawrence Vanney of Glencoe, with their daughter, Miss Marjorie, are coming home this month from Twin Lake villa, New London, N. H., where they have been most of the summer.

RATHBONE FIGHTS FOR NAVAL STATION

TALK OF CLOSING G. LAKES

Congressman-at-Large Will Oppose Any Move to Eliminate Station at Great Lakes; Part Economy Program

When in Waukegan last week Congressman-at-Large Henry R. Rathbone was asked what he thought about the move in Washington to take steps to close Great Lakes Naval station. Here's what he said: "My attention has just been called to some newspaper articles that seem to indicate that there is some agitation started for the doing away with the Great Lakes naval training station.

"I cannot believe that this is seriously contemplated but if it is I wish to state emphatically that I am unalterably opposed to any such move. 'Great Lakes has done and is doing a wonderful service for the entire country. It is important for national defense and its value in giving the best training to the young men of America cannot be exaggerated.

"It is, moreover, a great asset to Northeastern Illinois and I feel that it is a part of the very life of this community.

"A few years ago when there was some talk of doing away with the station I spoke as very strongly opposed to any such move. Nothing has occurred since to change my views and to make the retention of the Great Lakes Naval Training Station any less vital.

"All good citizens should realize and organize to resist to the utmost any attempt to deprive our state and our country, as well as Lake County of such an institution, of which we can all be justly proud."

Where \$353,000,000 was originally asked, the naval program is now understood to represent an outlay for the next fiscal year of approximately \$310,000,000. This compares with an appropriation of \$323,000,000 for the present fiscal year.

Inasmuch as officers regard \$300,000,000 as about the minimum necessary for maintenance and operation purposes, it has been necessary in meeting budget requirements to cut into plans for new construction as well as aviation development, in addition to curtailing the shore stations.

While conferences have not been concluded at the navy department on the situation, it is understood, the revised estimates provide for the closing of the Boston navy-yard, the Charleston, S. C., navy-yard, the supply base at Brooklyn, N. Y., and either the Great Lakes or the Hampton Roads naval training station.

In taking this stand, it is pointed out that recommendations of the board headed by Rear Admiral Rodman three years ago on the shore establishment situation are being followed.

Rodman's plan, three years ago, was to close Hampton roads and leave Great Lakes, which would make it appear that the great mid-western station would be the last to close.

CITIZENS PETITION TO RETAIN COUNTY FARM

With plans tentatively made for a big improvement on the Lake County Poor Farm at Libertyville, the County Poor Farm committee right now is battling with the proposition as to whether the improvement which voters of the county are expected to approve next spring will be carried on at the present poor farm or some other site to be purchased in another part of the county.

There seems to be a division of opinion among certain residents and therefore the board will have to decide the matter later. As a result, however, of the agitation, a petition has been signed by fifty-four residents of Libertyville township and has been filed with the board of supervisors. It asks that the poor farm be retained where it is.

Herman A. Meilinger of Hubbard Woods, who is finishing his theological studies in Rome, Italy, has had some very delightful visits recently with Rev. Joseph Lauerman of Chicago, Mrs. Berah of Milwaukee and Mrs. Henry S. Klauke of Hubbard Woods. Mr. Meilinger is at present spending a part of his vacation touring Europe. He will return to Rome to continue his studies this fall.

RACES CONTINUE AT LIBERTYVILLE

Week Following Close of Fair Fills Gap Between Aurora and Hawthorne

At a meeting of the management of the Lake County Fair Assn., held Monday night a unanimous vote was taken to permit the continuation of the running races for the balance of this week following the formal close of the fair on Monday.

This decision means a big thing to Lake county because it insures a real running meet not only after the fair closes but the fact that these additional days running events are scheduled means that better and more horses will come here to take part in the contests at the fair.

Louis Peters, well known race promoter, represented the horse owners and he predicted that because the Aurora racing meet follows the Lake County fair it will bring many horses to Libertyville to take part in the fair events and also in the subsequent days' racing that will follow the latter part of the week.

The Lake County fair is also to profit financially from the subsequent days' racing. A committee was named Monday night to confer with the racing men and decide on what financial arrangements shall be perfected. The fair will either get a percentage of the receipts or a definite sum. The committee appointed was President Woodin, Secretary Wirtz, W. E. Miller, Frank T. Fowler and George Baird.

An effort was made to get special trains on the St. Paul from Chicago for the subsequent races.

WINNETKA ANNEXES MORE TERRITORY

25 Acres Added to Village at Recent Meeting of City Council

Winnetka has enlarged its territory with the passage at the last meeting of the ordinance providing for the annexation of the territory south of Winnetka avenue, which has been under consideration for many months. The new addition to the village has an area of about 25 acres, and is a part of Manus' Hill subdivision.

The land is bounded on the north by Winnetka avenue, on the east by the right-of-way of the Chicago and Northwestern railroad, on the south by the north limits of the village of Kenilworth and on the west by Ridge avenue. At present there is only one house on this land, so that the gain in population is negligible.

Water and sewer connections with this ground have already been made, so that the only service furnished by the village will be fire and police protection. This ordinance, became effective five days after its passage, on Sunday, Aug. 6. Winnetka will have jurisdiction over zoning in the new territory.

WINNETKA BANS UNSIGHTLY SIGNS

Unsightly billboards will be very much taboo in Winnetka in the future, according to an ordinance passed by the village council at its regular session recently.

Signs that have already been erected in the past will not be affected by the new ordinance, but wholesale erection of billboards in the future will not be permitted.

At a recent meeting of the council the trustees passed a resolution requesting that the judiciary committee of that body meet with the chamber of commerce and draw up a new ordinance regulating the erection of signs.

"We intend to keep the village free of the big posters and unsightly signs that now line the public highways in this region," declared R. H. Schell, president of the chamber of commerce, who was one of the leaders in obtaining the present ordinance.

"The signs should be uniform and of a size that will not prove an eyesore. The present signs are an insult to the people of the north shore and should be regulated."

1400 STUDENTS AT NEW TRIER HIGH

Fourteen hundred students are expected to be on hand for classes when school opens at New Trier high school Monday morning, Sept. 14, at 8:30 o'clock. Registration up to the present time indicates that this will be the number to enter the school this year. It was announced by the school authorities this week.

HOW YELLOWSTONE PARK ACQUIRED NAME

TOLD BY MR. WESTERN

President of N. S. Cemetery In Letter to Press Describes Beauties In West; Is Fine Description

Mr. Jern Western, who is sojourning in the west, describes vividly the beauties about the Yellowstone National Park. From these letters one would almost feel that they too had spent some time in this beautiful playground.

In thinking of Yellowstone National Park — or any of the national parks — the reader should get a different meaning of the word "park" when used in connection with municipal playgrounds. Our government would not set aside a tract of level land for a people's playground. On the contrary a tract in order to be a national park must have extraordinary natural features and almost without exception one of those features must be high mountain ranges and peaks. Other features may be such uncommon phenomena as great geysers, hot springs, waterfalls, canyons, giant trees, etc.

Yellowstone National Park contains very conspicuous mountain ranges and peaks but for the most part it is an elevated plateau ranging from 7,000 feet to 8,000 feet in elevation above sea level, with such peaks as Electric Peak (upwards of 12,000 feet) and Mt. Washburn which attains an elevation of 10,317. However, the Park is surrounded by higher and more conspicuous mountain ranges, such as the Absaroka range to the east and north, the Gallatin range to the northwest, the Big Bend, Madison and Big Bear ranges to the westward, and the Grand Tetons to the south. The mountains have peaks ranging in elevation from 2,000 to 4,000 feet above the average level of the enclosed plateau which constitutes Yellowstone National Park.

In my last letter I referred to the Grand Loop—137 miles—over which a very large percentage of the travel in the park during recent years passed. To reach this Grand Loop all visitors to the park must pass thru

ROBBERS NET \$10,000 IN BARRINGTON LOOT

Merchandise to a value of fully ten thousand dollars was carted away in a wholesale robbery at the Samuel Lipsky fur goods and furnishing store, Barrington, some time between 12 o'clock Tuesday night and Monday morning. Because of the enormous quantity of goods taken it is believed that the thieves must have used a motor truck.

Included in the loot were fur coats valued at \$5,000, together with 150 men's suits, a large quantity of men's and women's sweaters and a large number of silk dresses, valued at an additional \$5,000.

The boldness of the theft is indicated in the fact that the lock on the front door was jammed and all the loot was carried out that way, rather than through a rear entrance. Barrington has but one night policeman and it is evident that the thieves staged their robbery at a time when he was in a distant part of town.

Lipsky for the last few days has been conducting a fur sale, having just received his stock of winter goods. The thieves not only carried away all the furs in the store but also removed fur coats that had been placed in the front windows for display purposes.

A complete description of the stolen articles has been supplied to the Chicago police department. Sheriff Ed Ahlstrom of Lake county also has been notified.

One-Minute Sermon

The Christian Principle
Stop for a minute and consider the humanity about us—the multitudes that the church in all its forms is trying to mold and develop and beautify—to make perfect and entire! Remember that, however irregular and even ugly it may appear to be, at its essence there is an immortal soul, a spark of the divine life in which we are never to lose hope and for which we are to make any sacrifice. That is the Christian principle.
