"MOVIES" SUBJECT OF ELM PLACE P.T.A. MEET

"The Movies and Your Child" will be the subject of the first meeting of the Elm Place Parent-Teacher Association which will be held Thursday, October 15. The speaker will be Mrs. Charles E. Merriam, president of the Film Council of America, an authority on the film.

This is a subject of vital interest not only to parents of grammar school age children but likewise those of high school age. With the addition

of another theatre in Highland Park, the desire of the child is even greater to attend movies, for many more shows are given, thus permitting more evenings out during the week.

Many questions regarding movies have arisen during the past two weeks, and a demand for authoritative advice prompted the arrangement of this program.

Mrs. Danley, president of the P. T. A., and Mr. J. L. Smith have conferred with Mr. Pearl, and it is hoped that arrangements may be made for children's programs or family night when selected films will be shown.

All parents interested are invited to attend this meeting. An invitation has been extended to the other divisions of the P.T.A. in this vicinity.
