**HIGHWOOD DEFEATS REBEL A. C. SUNDAY**

Highwood took the Rebel A. C. from Austin, down to the tune of 7-0 last Sunday.

The weather was ideal for football although the field was muddy in spots. Highwood came on the field at exactly 2:30 wearing their flashy new Orange and Black uniforms.

The Rebels kicked to Highwood and with tackle smashes and short end runs the ball was taken to the four yard line. Allen went through tackle and twisted his way to the only touch-down of the game.

"Doc" Dever last year's Deerfield captain, was very much in evidence at quarter. Dever, Allen and Stewart played high school football together.

Highwood is confident of the pennant this year. Next Sunday when they line up against Rogers Park, three of last year's regulars will be back in the lineup, England, Stipe and Shannon.

Next Sunday at 2:30 Highwood will buck up against one of the best teams in the league, Rogers Park, whose team is made up of former Loyola academy and university stars.

October in **NORTHERN WISCONSIN**

Mellow, hazy, lazy days just made for loafing. Quiet water lanes wandering from lake to lake through forests aflame with color. Game, fish. Ideal golf and hiking, too. Snappy nights when you snuggle under for a round of the clock. That's Northern Wisconsin, in October.

**The Burley Shops**

**Without the Eye the Appetite is Blind**

Just as the savory fragrance of the roast makes the mouth water, so only a dainty plate can bring out the full attraction of a meal.

This week we are calling special attention to our showing of service plates.

No other item contributes so much to beauty and attractiveness of the dinner table. That is why the careful hostess buys her service plates where she is sure to find the wares that meet the demands of beauty and of fashion.

The Burley Shops are famous for their unrivalled display of dinner ware. The newest designs, from the finest potteries of America and Europe have just arrived.

Prices at the Burley Shops are always reasonable. English Bone China Service Plates range upward from \$3 each.

**De Forest DV-5 Super Tube**

**\$3.00**

THIS new De Forest tube fulfills the ambition always held by De Forest since his original invention of the radio vacuum tube. It is a tube of many superior points, but the "unattainable" that is now attained is positive uniformity. No more matching—no more gamble. Methods of control have been developed so that one DV-5 in a given socket in your set will give exactly the same results as any other DV-5. Consult the De Forest chart in our store.
