**Yellow Cab**  
Introduces  
the "Mile Merchant"

Responsible, progressive cab operators of America today call themselves "Mile Merchants."

The **YELLOW CAB CO.** of this city likes the term. It summarizes in two words most of the things we are constantly striving for.

**YELLOW CAB** miles are branded merchandise. Only as long as the commodity we sell is of superior value can we hope to have your continued patronage.

Our cabs are so many stores on wheels. Naturally you prefer to do your buying in a safe, clean, comfortable place.

Every one of our drivers is a salesman of miles. It is not enough that he know how to pilot an automobile skillfully. He must be able to deliver your purchase so that you will come back again and again. Our success is built on "repeat orders."

There is just as much difference between a "Mile Merchant" and the ordinary cab owner as there is between the well established business institution of this city and curbstone hawkers.

The one big difference between **YELLOW CAB** miles and just ordinary cab miles is Service and Financial Responsibility. The "Mile Merchant" recognizes and lives up to his obligations.

So we introduce a new term which we believe will find a permanent place in the lexicon of business.

We are proud to be known as "Mile Merchants."
