DEERFIELD DEFEATS RIVERSIDE, 13 TO 0

(Continued from page 1) ren and showed up well by running the ends in fine style and punting between 45 and 55 yards on each try.

Riverside Passes Lindenmeyer showed up well in the third frame by recovering two fumbles in Riverside's territory and by intercepting a forward pass on the five yard line. Three line backs failed to put the pigskin over the goal line so Martin took the ball around the end for the second score of the game. He then dropped back and put a pretty place kick over the bar for the extra point.

Riverside opened the fourth quarter by a spectacular passing game, with Ryan, Riverside's flashy quarterback, on the hurling end. Six passes netted a total gain of seventy-five yards and for a while it looked as if the Brook-field and Hollywood boys might score. But Martin spoiled everything for them by intercepting a long pass and returning the ball to the center of the field. He then punted and the game ended.

Deerfield Line-Up The Deerfield line-up was as follows: Frye, lb, McClure lt, Bahr lg, Santi c, Bubb rg, Johnson rt, Stipe re, Baker qb, Warren lb, Boylan rh, Lindenmeyer fb.

of Commerce, and Secretary W. E. Becker reports four additional applications for membership received. The five new members are Dr. G. Q. Grady, physician and surgeon; E. F. Drieske, florist; J. M. Dewey, cleaner and dyer; Thomas S. Duffy, furniture dealer, and G. Augustine, contractor. The organization is growing rapidly, and the secretary suggested that as many as possible be induced to join before Jan. 1, 1926, when the initiation fee will be raised from \$4 to \$15.

Adjutant H. H. Kline, in charge of the local Salvation Army campaign for funds, to start Thursday of next week, was present and addressed the meeting. In response to his appeal the members individually contributed \$108, and the association voted the same amount, making the total contribution from the Chamber of Commerce and its members \$216. President C. H. Witt will head a committee of the members to canvass the business district for this campaign. It was agreed, and Secretary Becker, William Witten and others of the members have signified their willingness to act on this committee which will be appointed shortly.

Urges Park Addition Several matters were discussed at length, principal of which was the proposition that the East Park district should proceed as soon as possible to annex additional territory west of its present holdings. This move was urged as expedient and necessary, and it is believed by those advocating the project that no delay should occur in acting on this suggestion.

The North Shore Chapter of the Daughters of the American Revolution started their year's work with a delightful luncheon last Thursday at the home of Mrs. C. A. Winston. A very enjoyable program was given by members and also by Mrs. C. E. Her- rick of Chicago. The Chapter pledged

money to meet any deficit which may occur in the class which has been started for the teaching of reading, writing and arithmetic in the night school which is held twice weekly in the Elm Place school.
Next Thursday afternoon, Oct. 22, at two o'clock at the Woman's club auditorium the chapter will give a card party to raise money for Americanization and patriotic education work. Tickets may be obtained at the door and the public is cordially invited to attend.
