

The Highland Park Creed

I believe in Highland Park and its possibilities; and I shall do my part to make it a better place in which to live.

I believe in good government for Highland Park, and I shall assume my share of the civic responsibility that rests on the shoulders of all our citizens.

I believe in supporting local enterprises that make for community development, and shall contribute my moral support and energy to any worthy cause championed by them.

I believe in patronizing home merchants, for they are greatly responsible for our having good schools and churches, better roads and promotion of the general welfare of this community.

I believe in making Highland Park clean and attractive, for a healthy atmosphere is an inducement to honest and right-thinking citizens.

I believe in boosting my home town at every possible opportunity; that thinking, talking and acting progress is the quickest and surest way to bring permanent prosperity to Highland Park—the best town in America—because it is MY HOME!

This is our Creed. Make it YOURS!
