Police News

The members of the police force appeared this week all decked out in handsome new overcoats of regulation blue, with brass buttons. The motor cops, however, have warmly lined leather jackets, while the seven other officers are wearing the blue coats. Chief Moroney has a five-year service bar on the sleeve of his.

Chief Moroney and Judge A. E. Smith have received invitations to attend the annual dinner and entertainment given by the Chicago Railway Special Agents and Police Association, to be held in the Auditorium hotel on the evening of Nov. 17.

Officer Martin Kopp on Tuesday escorted to Milwaukee a wandering veteran of the World War who arrived here apparently in an irresponsible condition. The local American Legion post paid the fare of the man and the officer to Milwaukee, where the man was turned over to proper authorities.

H. S. ATHLETIC FIELD NEARING COMPLETION

Work Progressing Rapidly, and
When Finished It Will
Be Among Best

The new high school athletic field is nearing completion and when finished it promises to be one of the most modern and complete athletic fields in the Suburban league. The land was purchased by the school board at one-half its present value. Recently it was annexed to the city of Highland Park.

One of the outstanding features of the field is the excellent drainage system which will do away with the muddy fields that we have had heretofore. This summer the tract was graded and sown in grass and oats, the oats merely for the purpose of shading the slower growing grass and not for a breakfast cereal. When the grass was cut it revealed a good foundation for football field, baseball diamond, and practice places. Water pipes were laid throughout the field in order to have adequate means to water the grass last summer and flood the skating pond this winter. It is hoped the pond will be completed in time for skating this season. Hockey will now be one of Deerfield's major sports.

The field will contain three baseball diamonds, one for league games and two for practice. This diamond will have bleachers running along the lines from home plate to first base and from third base to home. The football field for the league games is in the center, with bleachers on the east and west side.

MANY TO ATTEND PERFORMANCE DEC. 1

Tony Sarg's Marionettes Attract
Many; Students of Merit
to Be Awarded

Tony Sarg's new plays of "The Pied Piper of Hamelin" and "Treasure Island" will be seen here on December 1 at the Elm Place auditorium, under the auspices of the Woman's club. With each new piece, Mr. Sarg waxes in fancy, humor, diversity, discovering the technical means to every desired end. The spectator sees, hears, feels and knows these puppet-characters as only twice in a blue moon he may know the personages in a play.

A gift of twelve tickets will be given to high school and Elm Place students for the afternoon performance on Dec. 1. The public spirited citizens who is the donor has stipulated that these tickets be given students as award of merits.

Mayor and Mrs. Hastings are among the patrons of the Tony Sarg Marionettes. Mayor Hasting is fully in accord with the noteworthy work being done by the members of the Woman's club, who are financing the building of the club house, without public solicitation of funds.

Tickets may be obtained by calling H. P. 84 between 8 and 9 a. m. or 5:30 and 7 p. m., or mail check, money order or draft to Box 397, Highland Park.

HIGHWOOD DEFEATS WASHINGTON PARKS

Takes Game Last Sunday, 13-0;
Will Play Rebel Athletics
Next Sunday

Altho Highwood outplayed Washington Park Sunday at Highwood field, Coach Bolan is not at all satisfied with the showing of the local scoring machine. No points were made until the last quarter when Robinson caught a sloppy pass and ran 15 yards for a touchdown and in the last minute of play N. Fink ran the right end for a 25 yard touchdown, and Allen kicked.

Highwood had the edge all thru the game and lost nice chances to score twice before the final period, once in the second quarter when Shannon's place kick went wild and in the third quarter when on the ten yard line Highwood's passes failed to work.

With Thanksgiving drawing near, Highwood will have to put in many hours of hard drill before they can number Lake Forest among their victims.

Highwood has remained undefeated thus far in the Mid-West League race but this Sunday, Nov. 15, Highwood plays the Rebel A. C. of Chicago who a few weeks ago mauled the Chicago Blues for a trouncing at their own park. This game promises to be the most interesting of the season.

FIREMEN CALLED OUT TWICE; DAMAGE SMALL

The firemen were called out twice in the last few days. On Saturday night, about 9 o'clock an alarm came from the residence of Sidney Dexter, 424 South Sheridan road, where a blaze did several hundred dollars worth of damage before it was extinguished. It is believed by the firemen that the fire started from an electric iron. A hole in the floor and damage to an adjoining partition was the extent of the trouble.

Early Tuesday morning some damage was caused in the basement of the old Bergen house on Laurel avenue, when an oil burner got out of order, the firemen report, causing an explosion which hurried soot about the place and did other damage.
