After the following program, refreshments will be served and plans for a permanent organization discussed. Chairman, Miss Elizabeth Bredin.

Solo "My Neighbor"—Thomas A. Goring, Mrs. Charles A. Pardee.

This meeting is held in response to a frequently expressed desire for an organization suited to the older young people of Highland Park, married and unmarried. The question of further activities is being left open for suggestions from all attending next Sunday evening. Some have asked for a discussion group, a forum which would consider present day problems. Others have asked for a social club. It is not impossible to combine intellectual and recreational pursuits; weekly discussions might be interspersed with ice cream socials.

All young people are cordially invited to present their views at the parish house Sunday evening.

GRAEME PLAYERS TO  
APPEAR AT HIGHWOOD

Open Sat., Nov. 28 in "Cappy Ricks," and Will Play Every Saturday Evening

"Cappy Ricks," Peter B. Kyne's most successful three-act comedy, will be produced at the Bartlett theatre, Highwood, on Saturday evening Nov. 28. This comedy has had engagements in New York, Chicago and London. It will be presented at the Bartlett theatre exactly as it was in New York and Chicago.

The Graeme Players company is the most successful repertoire organization in Chicago, and is under the personal supervision of Sigrid Graeme who has directed many of America's play hits.

In endeavoring to offer the theatre goers of the North Shore something new and entertaining in the way of amusement, W. W. Bartlett, proprietor of the theatre has contracted with the Graeme Players to present a new play every Saturday evening. Joe Driscoll of Highland Park closed the deal.

In order to accommodate the hundreds who will want to attend these unusual Saturday evening performances, two complete shows will be given. The first starts at 7 p. m. and the second at 8:40 p. m. Movies and music will complete the program.

BABY CLINIC TO BE  
HELD AT HOSPITAL

Continue Work Started by Visiting Nurse Association; Held Every Thursday

A "Baby Clinic" under the auspices of the Woman's Auxiliary of the Highland Park hospital is being held at the Highland Park hospital every Thursday afternoon at three o'clock. This clinic is for babies under two years and is a continuation of the work which was done at the City hall under the Visiting Nurse association.

A word of explanation seems necessary as to "Why the Clinic." For many years the city nurse, Mrs. Falley, has had a class at the City hall where babies were weighed and talks given on diet and care. The clinic at the hospital is a step forward as there is now not only the nurse but a doctor and several assistants in charge.

Preventive medicine is the great development of the time and it is the purpose of this clinic to instruct the mothers in the care and feeding of their children, thereby saving them from many diseases such as rickets and pneumonia, etc.

There are two important things to know in connection with the clinic. First, no sick child may be brought. Second, no parent who can afford the advice of a physician is expected to take a child to this clinic. It is to help those who would send for a doctor in case of illness but cannot afford to consult a physician for guidance in feeding.

It is hoped mothers from surrounding towns will take advantage of the clinic and bring their babies for inspection and help. The Highland Park hospital has one great ambition, to serve the public in every possible way, and this baby clinic with the dental clinic is part of its social service work.

Every Thursday afternoon at three o'clock. No charge is made.

FIREMEN PUT OUT  
TWO FIRES TUESDAY

The firemen had two calls this week, one to the north end of town on Tuesday, where they put out a grass fire, and the other about 10 o'clock Tuesday night, to the house owned by Mrs. Julia Donsing, corner Lincoln and St. Johns, where some rags had caught fire behind a radiator. There was considerable smoke but little fire damage, the firemen report.
