

Flowers For Thanksgiving

Flowers for Thanksgiving are plentiful this year — more reasonable in price than they have been for many years.

We cut them fresh — gorgeous Pompom Chrysanthemums, old gold, yellow, bronze and pink — no better stock anywhere.

We would like to send you some Thanksgiving morn-

ing or telegraph your order by direct wire anywhere in the United States or Canada.

You needn't go to Florida to see Oranges — we have them here in pots, full of fruit. Come over and see the wonderful Cyclamens, or potted Chrysanthemums, Begonias, the Ferns and Palms, Poehlmans Roses (fresh cut, twice a day), and last but not least, our blue ribbon Carnations want to be admired.

SPECIAL FOR ONE WEEK:

We are still planting Shrubs and Evergreens — have them by the thousands — preferred stock and this is the time to plant. Fresh lifted for every order we fill. Whether you need just a single plant or want 500, we like to serve you, even if only with offering practical suggestions over telephone 85.

There will be more Tulips and Jonquils in bloom next Spring in Highland Park than ever before, for we have sold more than twice as many bulbs than during any previous Fall season in the past 32 years. Will there be any in your Garden? Bulbs can still be planted and we have a splendid assortment and the same is true of Peonies, Iris, Phlox, Larkspur and 50 other varieties of hardy flowering plants. A call over 85 will bring you our special list of what is good. **THANK YOU.**
