NORTH SHORE NEWS

There have been many entertainments for Miss Martha Blair Hamm of Kenilworth and Rush Clark Butler, Jr., of Winnetka, whose marriage took place Wednesday afternoon. Wednesday, November 18, Mrs. L. M. Butler of the Orrington hotel entertained the bridesmaids and a group of other friends at luncheon at the Drake hotel followed by a matinee performance of William Hodge in "The Judge's Husband." That evening, the groom's mother, Mrs. Rush C. Butler, entertained at dinner and dancing for them in the Ballroom of the Congress hotel. Thursday, November 19, two of the ushers were hosts in their honor; Charles Denney gave a dinner at his home in Chicago, and afterwards Ira Couch entertained the bride party at a dance at the Crillon. Miss Florence Notz, one of the bridesmaids, was hostess at her home Friday evening, later taking her guests to a dance at the Drake hotel. Saturday evening, Miss Elizabeth Hannah of Kenilworth gave a dinner-dance for the bride party at the Opera club. The following day, Mrs. Rush Butler entertained at tea. Monday evening the bachelor dinner was held at the University club, and Tuesday night, the bride dinner was given at the home of the bride's father and mother, Mr. and Mrs. Edward F. Hamm of 517 Sheridan road, Kenilworth.

When Miss Frances Dorothea Kemp of Glencoe became the bride of Egbert H. Spencer, son of Mr. and Mrs. Earl Spencer of Highland Park, she was attended by Miss Bertha Maxie of Houston, Tex., as her maid of honor, and by Miss Anne Bridgers of New York City and Miss Dorothy Brown of Rhinelander, Wis., as bridesmaids.

Frederick Spencer of Highland Park, served his brother as best man, and George Massey, Gorton Fautleroy, Edward A. Small, Jr., of Geneva, Ill., Paul Harper of Evanston, and Robert Whiting of Chicago, were ushers.

The service was read at Christ church at 8:30 o'clock, and will be followed by a reception at the home of the bride's mother, Mrs. Edward M. Kemp of 765 Sheridan road.

Mrs. Rosamond Coffin, daughter of Mr. and Mrs. Spaulding Coffin of Indian Hill, assisted at the debut of Miss Elizabeth Meyersburg, daughter of Robert Carr Meyersburg of Chicago, which took place at the Fort-nightly, Friday, November 20. Mrs. Edward F. Bayley was hostess at the tea during which she presented Miss Meyersburg to society.

Mr. and Mrs. John N. Ott of 17 Indian Hill road, Winnetka, introduced their daughter, Mary Ott, at a reception Thanksgiving evening. Mrs. Ott was assisted by three brothers and their wives. Dancing for the young people followed the reception. A group of college girls and debutantes assisted, among whom were Jean McClelland, Jane Warren, Joan Stuart, Elizabeth Clore, Cathrine Greaser, Eleanor McEwen, Cynthia Kehlman, Suzanne Kohlsaat, Rosamond Coffin, Janet Chase, Harriet Lynn, Isabel Scott, Jane Story, and Marcelle Vennema.

On Wednesday afternoon, November 25, Miss Ethel Louise Elsholz, daughter of Mr. and Mrs. C. Elsholz, 569 Melburn street, Evanston, became the bride of Claude D. Stephens, Jr., of 1433 Asbury avenue, Hubbard Woods. The ceremony was read by the Rev. Munstermann at the St. John's Evangelical church at 5:30 o'clock.

Bernice Galitz, the maid of honor, was dressed in pale green, and the bridesmaid, Louise Stephens, sister of the groom, was attired in peach color. The bride wore white with a tulle veil and carried a shower bouquet. The best man was Harold Stephens, brother of the groom, and the ushers were Raymond Stephens and Russell Johnson.

John Dewar, 797 Pine street, Winnetka, has recently had demonstrated to him the truth of the quotation in the Bible about bread cast upon the waters. On the evening of July 20, 1923, Dewar rescued Sidney Wilcox, 1020 Lake Shore drive, Chicago, from the lake at the Winnetka beach.

Wilcox, an insurance broker, had dived into shallow water, striking his head against the bottom and breaking his neck. Dewar, who was standing nearby, noticed that he didn't return to the surface after the dive so he

swam out and brought the man to shore. Wilcox lay for a long while at Evanston hospital in a serious condition, and Dewar heard nothing more from him.

This week Dewar received a gold watch from Tiffany's, of New York, sent by Mr. Wilcox, who has nearly recovered from the accident. Dewar is a student at New Trier high school.

Langworthy of Winnetka are members of the committee formed by Mr. Harry Edward Freund for the purpose of singing Christmas carols through Chicago and suburbs Christmas eve and morning. Others on the committee are Messrs. John Mitchell, Max Mason, Harry Pratt Judson, Walter Dill Scott, Frederick Stock and William McAndrew. The music research bureau, 165 East Ontario street, is the headquarters for the committee.

Judge Elbert H. Gary of New York, will pass the Christmas holidays with his son-in-law and daughter, Mr. and Mrs. E. Gary Sutcliffe of 610 Spruce street, Winnetka. He will also be present at the christening of his only grandson, Elbert Gary Sutcliffe, Jr., which will take place during the holiday season. Plans are being made for a number of social affairs during Judge Gary's brief visit in Winnetka.

On Tuesday, November 17, the Kenwood Union church of Chicago celebrated its fortieth anniversary with a dinner at which about 400 persons were present, thirteen of which were the original members.

VOICE APPRECIATION

Touched and Pleased by Many Manifestations of Good Will and Affection

Dr. and Mrs. Wolcott are very much touched and pleased by the many expressions of good will and affection which have come to them the past few days, and by the many beautiful flowers which have been sent to the church and the rectory for the services last Sunday morning and the reception Sunday afternoon.

In the hurry and bustle of packing and getting off for a five months stay in the south they find themselves unable to make personal acknowledgments in all cases and they beg their friends to accept this very inadequate expression of their grateful appreciation.

DUNDEE MINISTER TO
AID WINNETKA PASTOR

Rev. Thomas A. Goodwin Chosen as Associate to Assist Rev. J. A. Richards

The Rev. Thomas A. Goodwin of Dundee, Ill., has been called by the Winnetka Congregational church as associate minister. Mr. Goodwin was chosen at a church meeting held Monday evening of this week.

The question of calling a third minister caused the Congregational church meeting, Monday evening, to be well attended. An interesting and completely harmonious session resulted in a unanimous vote to extend the call to Mr. Goodwin. If his acceptance is received, as there is confidence hope it will be, a more complete account of the meeting and particulars concerning Mr. Goodwin will appear next week.

Rev. James A. Richards, pastor of the church, and other church officials have for a long time felt that the growth of the village and the expansion of the church activities created responsibilities which could not be met without finding another minister to supplement the work now being done. The meeting last Monday, resulting in the call to Mr. Goodwin, was the culmination of their efforts to adequately take care of the work in hand.

NEXT OPEN HOUSE AT
NEW TRIER H. SCHOOL

Program Planned for Parents of Seniors and Juniors; To Be Held December 3rd

The program of the next "open house" at New Trier high school has been changed to include the junior and senior classes only; with their parents, it was announced at the school offices this week.

It had been intended to have a program without any students present, but with the parents of all the students in attendance going to the classes, study halls, etc., in place of the children. However, there have been many favorable comments on the first meeting this year when parents attended with the sophomores and freshmen so that it was decided to plan the same kind of a meeting for the students and parents of the junior and senior classes.

The program will take place Thursday, December 3, beginning at 8:15 o'clock and ending at 9:15 in the evening.

PROVIDE SHELTER FOR
YELLOW CAB PATRONS

The shelter which has recently been placed at the cab stand on Central ave by the Highland Park Yellow Cab Co., was put there for the accommodation of people who might have to wait for cabs during the severe winter weather. This shelter is to be used by anyone waiting for cabs whether Yellow or those of any other company.

The location was secured through the courtesy of the C. & N. W. R. R. Co., who realized the necessity of the shelter and also to help the Yellow Cab Co., extend the service which is in line with their policy.

This location was considered proper since the city of Highland Park designated that part of Central ave., as a cabstand. The Yellow Cab Co., will do all in their power to keep the shelter clean and comfortable. Yellow Cab offices still remain at their garage 125 N. St. Johns ave.

NORTH CHICAGO FIRE
CAUSED BIG DAMAGE

N. SHORE FIREMEN CALLED

Abbott Laboratories' Loss near \$200,000; Highland Park and Other Towns Help Subdue Flames

Fire which broke out in the shipping department of the Abbott Laboratory in North Chicago at 8:30 Friday morning caused damage estimated at \$200,000, held up traffic on the North Shore Line for two hours and called into play the fire fighting apparatus of seven north shore towns. Edward Lindgren, Tenth st., Waukegan, a volunteer fireman on the force at the National Envelope company, was overcome by smoke.

Dr. A. S. Burdick, president of the Abbott Laboratories, declared while the place was still a mass of smoke, that the damage would equal \$100,000, largely in finished medicines and raw chemicals which were ready for shipment and the records, prescriptions and research work of the company in their \$25,000 library which was located in the same building. Later Dr. Burdick estimated the loss at nearer \$200,000.

The building, newly completed last summer, was of fire proof construction, one story high and about 200 feet square. While the fire raged within, the building stood intact and except for broken windows, blackened walls and broken fixtures, is intact. Dr. Burdick immediately issued a call for all of the officials of the company to meet at the Waukegan plant and make plans to carry forward the work as rapidly as possible. The work of cleaning up the building was started as soon as the firemen were out of the building.

Chemicals Explode

Rows of bottled chemicals started exploding and spreading the flames shortly after the fire started and at 8:30 calls were sent out to all other fire departments on the North Shore. Highland Park and Great Lakes arrived first, then Lake Bluff and Zion. The Lake Forest truck burnt out a connecting rod bearing near Lake Bluff and the firemen haled passing cars and were taken to the scene of the fire. By that time dense clouds of smoke were rolling out of the building from all directions and a chill west wind made the fire fighting more difficult. Explosions of minor importance, but all fire spreaders, occurred at regular intervals and the density of the smoke increased.

Firemen Work Hard

The firemen were having difficulty controlling their streams and time and time again the heavy pressure from the pumps would burst the hose and the firemen, in a deluge of icy water, uncoupled the old and put in new lengths.

The Waukegan and Highland Park pumps were pumping on long feeders from Sheridan road in the factory yard while the North Chicago department carried four leads from Fourteenth street and the Highland truck was a block west of Sheridan road. Traffic on the North Shore Line was halted because the hose were laid across their tracks at the factory entrance. For a time the cars relayed their passengers from car to car past the fire area until George Kendry, superintendent of the local division, brought in a squad of men who removed the gravel from between the ties and tunneled the hose under the tracks so that the car service could be continued.
