BANKS TO BE OPEN ON CHRISTMAS EVE

Commercial Department Will Be Open for Convenience of Public; Hours

To accommodate the people of Highland Park the local banks have kindly agreed to remain open on Christmas eve, Dec. 24. Both banks are anxious to serve the public in this matter to the best of their ability, and the extra hours they will be open are the best that could be arranged, considering previous plans made by employees, etc.

The commercial departments of the banks only will be opened and for the cashing of checks and receiving of deposits only. No other business will be done at this time.

The Highland Park State bank will be open from 6:30 to 7:30 on Thursday evening, Dec. 24.

The North Shore Trust Co.'s bank will be open until 4:30 p. m. the same afternoon, instead of closing at 3 o'clock.

The committee, consisting of L. E. Rigdon and J. B. Garnett, appointed by the Chamber of Commerce to interview the banks regarding this matter, found the officials of both ready and willing to aid and the arrangement, as explained, was made accordingly.

SHOULD REMEMBER WORTHY SERVICE

A subscriber suggests that in this season of holiday festivities the public should not fail to remember the postman, the newspaper carrier boys, the deliverymen and all others who throughout the year help to give the kind of service which modern folks can scarcely do without and so greatly miss if it is not afforded. It is the thought of the subscriber that at this season such service would be rewarded by some token of appreciation, if it has been worthy.

McANDREW TO SPEAK HERE IN JANUARY

Supt. of Chicago Schools Will Address Joint Meeting of All P. T. A.'s

The joint program committees of the four Parent-Teacher associations of the High, Elm Place, Lincoln and Ravinia schools is negotiating with Dr. William G. McAndrew, superintendent of Chicago schools to speak at the January meeting which will be held in the high-school auditorium. The date has not been definitely decided upon but one will be chosen, if possible, which will not conflict with that of any other local meeting. It is hoped to make it Jan. 18.

The committee's announcement of this good news is being enthusiastically received by every one in school circles.

EVANSTON ARTIST IN THE LOCAL HOSPITAL

Suffers from Injuries Received Sunday and is Reported Improving

John B. Whitelaw, 733 Reba place, Evanston, well known artist, suffered severe injuries Sunday evening riding on an electric car, when the car stopped suddenly to avoid running down an automobile on a crossing near here. Mr. Whitelaw was thrown heavily, suffering fracture of a leg and injury to his head with symptoms of skull fracture. He was taken to the Highland Park hospital, where he is reported improving satisfactorily.

It will be remarked by the sports that some of these colleges and schools that are incurring deficits are not working their football team for all it is worth.

MISS PERKINS SPEAKS ON WORLD PEACE

Woman's Civic Club of Ravinia Hears Interesting Talk on Wednesday

The meeting of the Woman's Civic Club of Ravinia, Wednesday, Dec. 9, was devoted to the possibility of World Peace.

The program was in charge of Mrs. Arthur Raff, who is a member of the program committee. Mrs. Raff introduced the speaker of the afternoon who was Miss Eleanor Perkins and told of Miss Perkins' interest in the peace problem, and of her many opportunities for studying it first hand.

Miss Eleanor Perkins of Evanston was a delegate from the League of Women Voters, two years ago, to the Institute of Politics held in Williamstown, Mass., during the summer months. She also had the privilege of a "Press Ticket" at a summer session of the League of Nations, in Geneva, Switzerland, where she had the right to examine documents first hand, and to "listen in" on all the discussions. Later that same summer, Miss Perkins studied the peace problem in a memorable course at Balliol college, Oxford.

Thus mentally equipped to present the subject, Miss Perkins gave a most illuminating talk on "The World Court," prefacing her remarks by a detailed history of the peace movement, from the time of the first Hague congress, with its importance in action, to the establishment of the "League of Nations," and the present "World Court."

Miss Perkins explained the practical working of the Court, with its panel of International Judges, always at hand to decide upon the international disputes presented to them for arbitration. She stated that thus far, some seventeen grave matters have been satisfactorily settled, and that the majority of the civilized nations of the world have already joined it, the United States being one of the few now standing aloof. The question of our nation entering the Court, however, is to come before the senate in December, and it is the general opinion that the senate will endorse our entrance. President Coolidge in many recent speeches has been strongly advocating it.

"While it is by no means a perfect means of providing for international peace, the World Court is by far the most practicable plan thus far devised for the peaceable settlement of international disputes," said Miss Perkins. "Such men as Senator Borah who are seeking a more perfect instrument are still opposed to this one, but it bears within itself the seeds of improvement and of enforcement of its decree."

In keeping with the general spirit of the afternoon, Mrs. Mary Hoffman, in charge of the afternoon tea at the close of the meeting, had an assemblage of cakes from twelve different countries, an English Plum cake, a wonderfully decorated "Lebkuchen" from Germany, some French pastry from France, Scotch scones, and many attractive others, from other countries. It was a most entertaining and instructive meeting, and Miss Perkins' charm of manner added much to the interest of her learned presentation.

The class in citizenship which is conducted by Mrs. M. H. Lieber of Winnetka was held from 1:30 to 2:30 preceding the meeting. This course is given by the club for its members and has proved to be most interesting and beneficial.

HOLIDAY TRAIN MAY BE MADE PERMANENT

Shoppers' Special To Be Retained, If Use by Public Warrants This Arrangement

If patronage by the North Shore public is sufficient to warrant such action, the Northwestern railroad is planning to retain in regular service the extra train put on for the accommodation of holiday shoppers and which leaves Waukegan at 11:20 a. m. daily, stopping at Lake Forest at 11:35 and at Highland Park at 11:45 and also at other North Shore points according to schedule.

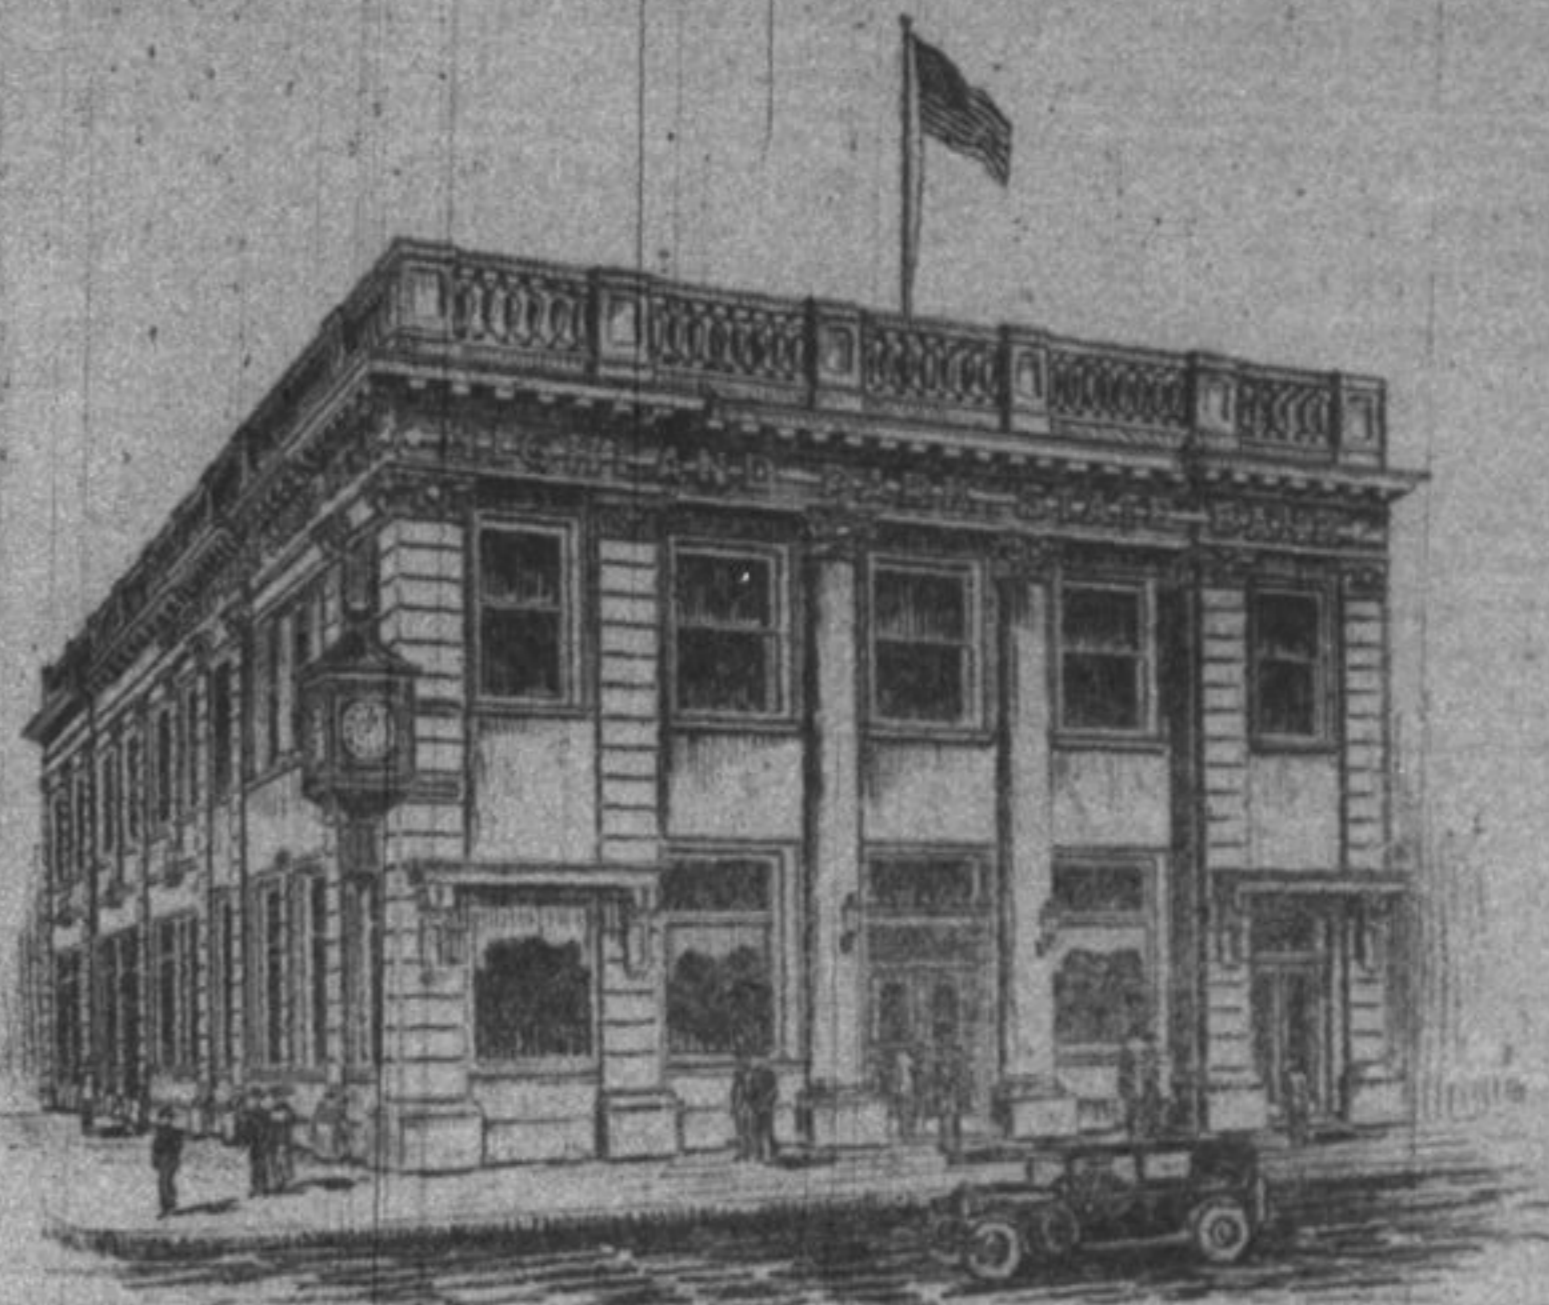

C. M. Mattson, traveling agent of the company, stated this week that patronage for this train had not been as great as was expected, but that if there was indication of a growing use of this means of transportation to Chicago by North Shore people, the train would be made a permanent one. It appears that whether or not this is done depends largely on how much use is made of it by the public.
