

The Gift of Sentiment—

Flowers

We like to have you visit our display of flowering plants, basket arrangements and cut flowers at our Greenhouses. Laurel Ave. 1 block west of Depot, Highland Park.

Never before during the 32 years we have been in business here have we shown a more remarkable display of beautiful plants nor a greater assortment, in an endless variety of colors and shades from the modest little 50c primrose up to the 15 dollar specimen cyclamens, plants, measuring 30 inches across, loaded with a mass of bloom.

There are the beautiful Scotch Heather in pink and white, nicely fruited orange trees in pots, gorgeous azaleas, glorious golden jonquils and lily of the valley in pans, or the dainty white Roman hyacinths, the Christmas cherries, the celestial peppers, showy begonias, the French narcissi, cinerarias, last but not least the poinsettias for brilliancy.

Whether you wish to purchase or not, you should try to visit this wonderful Flower Show; there is absolutely nothing quite like it in or outside of Chicago. We will be open every evening up to Christmas and next Sunday all day.

Christmas Trees, Holly, Mistletoe, Boxwood-balls, berried Table Centerpieces, wreathing, Red Ruscus.
