St. Paul's Evangelical Church
F. G. Piepenbrok, pastor.

Following the service on New Year's day the members of the church met for their annual business meeting. Great interest was manifested by the splendid attendance. In the course of the meeting many interesting and important matters pertaining to the future welfare of the congregation came up for discussion. One matter of special interest to church going people, others as well as members, is the change voted in regard to German and English services.

Beginning with the month of February there will be English service every Sunday morning and German service twice a month. In order to find room for all these services one English and one German, on the same Sunday, twice a month. The following is the schedule for Sunday school and services beginning February, 1926, at the St. Paul's church:

Sunday school, 9:15 to 10:15 a. m.
English service every Sunday of the year, 10:15 to 11:00 a. m.
German service every second and fourth Sundays of the month, 11:00 to 11:45 a. m.

The above arrangement of services was voted upon and met with great approval on the part of the members present. It is hoped that the other members not present will likewise

sense the advantage of this arrangement.

The pastor wishes to extend a hearty invitation to one and all to attend our services and set aside one hour on the Lord's Day for worship. Worship has been defined as "that phase of religious experience in which the individual comes to know God and to know himself, and seeks to become identified with the plan of God not only for himself, but for the world as well."

Services for Sunday, Jan. 10:
9:15 a. m., Sunday school.
10:30 a. m., German service.

Our hope of adorning the altar platform of the church with a piano has been realized. Since Sunday, Jan. 3, a beautiful Kimball concert grand has been added to our church furnishings. The pastor wishes to take this opportunity to thank all who so nobly contributed to this cause.
