Garden Club
 The Garden club met at the home of Mrs. Will Galloway with Mrs. Jesse Strong as assistant hostess on Wednesday, January 27. After the business meeting the meeting was turned over to Mrs. E. B. Jordan who was the leader for the day. Her subject was "Fragrance in the Garden," which she treated in a most adequate and interesting fashion. The use of spices and perfumes since history began was traced through the decades up to the present time. A discussion of the fragrant flowers used in the garden today followed in which each member took part, telling her favorite sweet-smelling plant. Delightful refreshments were served and an enjoyable social hour followed. The next meeting will be held at the home of Mrs. W. B. Metcalf on February 17.

St. Paul's Evangelical Church
 F. G. Piepenbrok, pastor
 Sunday school, 9:15 a. m.
 Service, 10:15 a. m.
 The service Sunday will be conducted in the English language. In fact we will have English service every Sunday from now on. This will give you the opportunity to form the regular church going habit at St. Paul's church. Please observe the change of time for service to begin. English services will begin promptly at 10:15 a. m. every Sunday morning. On the second and fourth Sunday of the month a German service will follow the English, beginning promptly at 11:00 a. m.
 At last Sunday's service a little four-page church reminder was distributed. If you did not receive one, please ask for one. You are entitled to it. Those of you, who are in possession of more than one, please get the others working. Pass them on to your neighbors and friends who are not members of any church in town, and invite them to come to church with you Sunday.

Last Sunday we had some new comers at Sunday school. To reach the goal we have set for Easter Sunday we must have some new comers every Sunday. Who will bring a new Sunday school scholar next Sunday?
