

EVANSTON CAGERS TO PLAY HERE FRIDAY

Saturday Locals Go to Bloom; Deerfield Wins From University High

The high school basketball teams play two games this weekend. On Friday, Evanston comes here to try to even up the defeat which the heavies gave them earlier in the season. Saturday, the local teams travel to Chicago Heights to engage the Bloom cagers in two games.

Deerfield defeated University high in a double header in their home gym last Friday night and advanced another step toward the suburban league title. Gabbert starred for the winners, but he was put out on fouls. Francis Stipe, "Tom" Martin, and Captain Lindenmeyer also did well.

The game was slower than usual despite the close score. Deerfield was always just a few points in the lead, but was unable to pile up a comfortable lead.

In the lightweight game "Jimmie" Peddle starred with four baskets and three free throws. His all around ability also helped immeasurably in the teamwork displayed by the smaller basketeers.

The lineup is as follows:
Deerfield Lights 19 Univ. High 11
 Heineman, rf Hansen, rf
 Robertson, lf Lawler, lf
 Dickenson, c Dunbain, c
 Peddle, rg McDowell, rg
 Johnson, lg Schollenberger, lg
 Rosenthal, rg Stagg, c
 Merrick, lf Smith, lg
 Joyce, rg
D. S. Heavies 19 University H. 18
 Gabbert, rf Baker, rf
 Halahan, rf
 Martin, lf Alger, lf
 Lindenmeyer, c Hornberger, c
 Laegeler, rg Gray, rg
 Stipe, lg Schonig, lg

Coach Peel's cagers went to La Grange Saturday night and split with them. The lights lost 23-10 and the heavies won 24-19. Jimmie Peddle, right guard, starred for the ponies while "Bezak" Gabbert, with eleven points, did the outstanding work for the heavies.

Many motorists being run over at railroad crossings, but the way they keep on doing it seems to suggest that they like it.

Some young men seem to think it is a very valuable experience to go to college and then get sent home.

The students may not worry much about getting put out of school, but if they get put out on the ball field, that is serious.

The camp fire girls is such a mighty fine organization that some of the housewives would like to see them come over and try their skill on the kitchen fire.

Always plenty of room at the top, but unfortunately there is no elevator and you have to get up there by the ladder.

DEERFIELD SENIORS WIN FROM PROVISO

Deerfield-Shields tank teams journeyed to Maywood last Saturday and the seniors snatched a swimming meet from Proviso 35 to 24. The juniors were not so fortunate, however, and lost their half of the meet 34 to 16. Croke starred for the seniors with two firsts and ten points

while Ted Osborn and Gallup did their stuff for the juniors.

Much credit must be given to Coach Kendig for making a winning plunge in the space of two minutes out of a boy who had never fallen in frontwards before.

Deerfield jumped into the lead with the first event and was never headed afterwards.

Although no records were broken, the time for all of the events was

unusually fast. The relay was won by Proviso in 1:34.

Being urged to adopt a balanced ration, many of the boys would be willing to give up cake and eat pie instead.

Anyway after the American people have jumped out of the way of automobiles for a few years more, it ought not to be necessary to take reducing exercises.

A New Method Has Made Good

FOUR years ago the Bell System introduced "station-to-station" long distance service.

PRESENT cost levels are much higher than those of ten years ago, so that each additional telephone installed now increases the average investment per telephone. To maintain the service the company's revenues must keep pace with this condition.

The service has "made good." It is used thousands of times daily where it is not necessary for the caller to speak to a particular person or where the person wanted is likely to be within immediate reach at the called telephone.

The service is especially suitable for personal or social calls to relatives or friends.

Rates for daytime station-to-station calls are about 20 per cent lower than for person-to-person calls. Evening and night rates are still lower. The rate is charged when the distant telephone (or private branch exchange) is answered.
