The Better Buick offers every ordinary motoring comfort, and many that are exclusively Buick: Easier starting-a new, high-speed starting motor does it. Smooth running from the go-Automatic Heat Control is an exclusive Buick feature. Easier steering-Buick's 5-controlsurface steering gear is the most ex-pensive and most efficient type today.

For Safety's Sake

Buick surrounds you with every ordinary protection, and then adds Buick protection: Buick dependability, which takes you and brings you back, on time, all the time. Buick mechanical 4-wheel brakes, with no liquid in them to expand contract or leak away. And Buick Controllable Beam Headlights, with steering wheel control, which make night driving a pleasure.
