

KENNETH D. MILLER AT SUNDAY EVENING CLUB

To Speak On "Problems and Opportunities of the New Immigration Law"

Kenneth D. Miller, who has lived in Czechoslovakia a number of years and since his return has interested himself in the problems of that nationality in this country, will speak at the Sunday Evening club on March 14. His subject is "Problems and Opportunities of the New Immigration Law."

The Sunday Evening club has been able to arrange an unusually interesting program for March. On the 21st Jesse L. Smith will talk on his trip to Europe and the following Sunday Dr. Wilfred Grenfell will give an illustrated lecture at the Elm Place school auditorium on Labrador. A special offering will be taken at the last meeting for Dr. Grenfell's work.

The Sunday Evening club invites all residents of Highland Park. The meetings are held in the parish house of the Presbyterian church at 7:30.

D. B. E. CARD PARTY SUCCESSFUL AFFAIR

Over \$200 Is Cleared; Many Attend Affair at Martindale Farm Monday

On Monday evening, March 8th, friends of Plymouth Chapter, D. B. E., filled to capacity the beautifully decorated garage and cottages of Martindale Farm, at a card party given by Miss Insull in aid of the British Old People's Home at Riverside. The party was transported to Martindale Farm in special North Shore busses through the courtesy of Mr. Britton L. Budd.

Mr. Martin Insull welcomed the guests and voiced his appreciation of the objects of the society.

Five hundred, whist, and bunco were played, prizes being presented by Miss Insull. Refreshments and dancing terminated a very enjoyable evening and a hearty vote of thanks with musical honors were accorded Miss Insull. Before leaving Mr. and Mrs. Martin Insull further augmented the proceeds with checks for \$100 and \$50 respectively and further donations were also announced from interested friends of Miss Insull.

EDWARD MAYER BUYS LAKE-ZURICH PROPERTY

Henry Pepper Farm of 229 Acres Is Sold; Is Near Biltmore Country Estate

Mr. Edward Mayer of the Moraine hotel, a member of the real estate firm of Rosenthal, Mayer & Lewis, at 77 W. Washington street, has purchased for a syndicate another large acreage in Lake county, known as the Henry Pepper Farm, containing 229 acres.

The town of Lake Zurich bounds the west line of the farm which extends east 4,000 feet on Half Day road and has 2,000 feet of frontage on a north and south road which bounds it on the east, making a total frontage of 6,000 feet.

This acreage is less than one mile from the 860 acres lying just west of Lake Zurich which were sold last week to the Biltmore Country Estate and which will be used partly for an 18-hole golf course, the balance to be subdivided.

CARD OF THANKS

We wish to thank our friends and neighbors, Rev. Doble, Mr. Guyot, Mr. Hansen and the employees of the Public Service company for the kindness and sympathy shown us and for the beautiful floral offerings during our recent bereavement in the loss of our loved husband and father.

Mrs. S. D. Christopher and children.

Many of the colleges getting large gifts of money, but it does not necessarily follow that the students will study any harder.

NORTHBROOK HEIGHTS
The "Valley Extension" Station within less than eight blocks from our subdivision, "Northbrook Heights," is to be named **NORTHBROOK**. This will mean a great deal for the village and will create first a business area near the two railroads while Northbrook Heights with its wooded and picturesque beauty will be located midway between the present village center where schools, churches, and shopping district are already a reality, and the new area more properly called "East Northbrook."

We are offering a limited number of restricted 100 ft. lots at our earlier prices, \$15 to \$35 per foot. Five hundred feet of this frontage already has state paving and city water paid for. Our "Northbrook Heights" offerings are much better by comparison and in actual price than properties extending north and westward to Libertyville.

We recommend "Northbrook Heights" as the best investment or homesite values of the entire North Shore. We shall be pleased to give full information and drive you out to the property.

S. R. BROWN SELLS LINCOLN AVE. HOME

Mr. Stewart Reed Brown has sold his former home at 709 Lincoln avenue to Mr. Walter G. Cowan of Evanston.

When he completes extensive alterations and additions now under way, Mr. Cowan and family will occupy this house as their residence.

Hine & Hine, real estate brokers of this city, negotiated the sale.

In view of the agitation for a 13 month calendar, the landlords will probably consent to collect the rent 13 times a year.

The girls who are said to be getting flatted from the modern dances might naturally expect so considering the heavy shoes the boys wear.

LISTENING to a Pfanstiehl is a musical surprise. Operating it is utterly simple. An illuminated station finder disc revolves with the tuning knob and registers in actual wave lengths. The disc is illuminated—you can tune it in the dark. The convenience is obvious.

The amber glow from the wave length dial adds a touch of brilliance to the panel assembly. It is a useful reminder—minimizing the chance of leaving the set turned on when not in use. Come in and let us show you the
