PUBLIC MEETING TO HEAR JUDGE GREEN

At Winnetka, April 1; Speaker to Explain Purpose of Christian Science Monitor

A public meeting will be held in Masonic temple, Winnetka, Thursday evening, April 1, at 8 o'clock, at which Judge Samuel W. Green, of Evanston, will talk about the purpose and accomplishments of the Christian Science Monitor as an international daily newspaper conducted on the principle that what the people want is the truth, unbiased by the opinions or purposes of any person or party—a clean newspaper that their children can read with no danger of finding there anything to lead their young minds in the wrong direction, yet in which they have access to all the news of the world.

The Christian Monitor is not a medium for the promulgation of religious propaganda, but is a true purveyor of all the news that is of interest to all the world. As such, it has made a name and a place for itself among educators, business men, journalists, and statesmen in every civilized country of the world.

The public is cordially invited to this meeting. There will be no admission fee, no solicitation, and no collection.

HIGHLAND PARK MAN FULL-FLEDGED MARINE

Among the recent arrivals at the Philadelphia navy yard is Robert Rudolph Wetzel, of Highland Park, Ill., who has completed his preliminary training as a marine at the large training station, Paris Island, S. C., according to a dispatch from Philadelphia.

For several weeks he has been undergoing instruction in the drills, customs, and duties of marines at the South Carolina camp. He has now attained the status of a full-fledged marine, and is available for duty at any post, at home or abroad, where marines are stationed.

Robert lived at the home of his mother, Mrs. Louise Wetzel, 220 Second street, Highland Park before he joined the marine corps at Chicago, last October. He went direct from that city to Paris Island, thence to Philadelphia, and will probably travel many more hundreds of miles before his enlistment is completed.

FORT SHERIDAN IS IN ATHLETIC EVENTS

Take Three Boxing Bouts and One Wrestling Match In Annual Meet at Post

With seven boxing bouts and four wrestling matches on the program, the annual championship athletic meet of the Sixth Corps area, in which seven divisions are represented, opened at Fort Sheridan Monday night. Of the seven fistic encounters, five ended in knockouts, while two of the mat bouts went to draws.

Fort Sheridan garnered the most points in the first preliminary of the athletic meet. The local soldiers came out on top by winning three boxing bouts and one wrestling match. Jefferson Barracks trailed with two boxing victories and one mat win.

D. A. R. HOLD ANNUAL STATE CONFERENCE

Local Representatives Attend Meeting in Peoria; Report To Be Given

Many of the 8,000 daughters from the 92 chapters in Illinois are assembled in Peoria in state conferences. Each day is filled with interesting reports and addresses as many nationally known men and women are in attendance and will speak on topics of vital interest to the D. A. R. patriotic work. Mrs. Phelps, regent, Mrs. E. B. Jordan and Mrs. C. A. Winston are representing the North Shore chapter. The following report of this chapter's work of the past year will be given.

Report from March 1, 1925 to March 1, 1926 of the North Shore chapter of the Daughters of the American Revolution. Organized April 20, 1893. Located in Highland Park, Ill.

This chapter has 84 regular members. Meetings are held the second Thursday of each month from October until June at the homes of the members with other members as assisting hostesses. The programs are varied and appropriate to the time.

Last March the chapter sponsored two lectures by Charles C. Long on "Washington, Our National Shrine." The proceeds of the lecture completed a flag-staff fund which had been started with a card party. On July 4th the chapter presented to the city of Highland Park a steel flag-staff 110 feet high, set in a concrete base, and bearing a bronze tablet. This staff replaced a wooden one given by the chapter 29 years before.

On May 29th the chapter gave the Highwood school a large flag, staff and base for the assembly hall, and 500 small flags and 150 copies of "The Correct Use of the Flag" for the children to take home. About 90 per cent of these children are of foreign born parentage.

The chapter participated in the local Memorial day service and the Defense day celebration.

In October the chapter gave a card party, netting about \$420, which was used for patriotic education and Americanization work. The chapter sent \$300 with an additional gift of

\$100 to Berry school; \$30 to the Carr creek Community center; \$10 to the Illinois Student Loan fund; \$5 to the Jefferson Memorial foundation, and practically paid the salary of one teacher in the night school for foreign born held twice weekly. The chapter sent \$10 to the Caroline Scott Harrison Memorial fund; and \$10 to the Great Lakes hospital for Christmas cheer for the World war soldiers.

The following per capita amounts were sent to our state treasurer: dues 50c, manual 25c, Ellis Island 3c, National Old Trails 10c and Schaulfer school 20c.

A box valued at \$16 was sent to Ellis Island, and a box of pieces for quilts and rugs was sent to Wootton Community Center. A history of the American flag was placed in the new children's room in the local library.

At each meeting a brief review of the D. A. R. magazine is given, the result of which has been a large increase in subscriptions. The chapter has a complete set of lineage books which are purchased as they are published.

The chapter sponsored the Prize Essay contest on "Why Uphold the Constitution" in the Deerfield-Shields high school. An additional prize of \$10 was offered for the best essay in the school if the trip to Washington is not won by a student in this school. In case the prize winner is here, the money will be given for the second best essay.

The chapter purchased materials and made 4 complete sets of 19 flags each, including every flag flown over this country since its discovery by Columbus. These sets of flags are being presented to four local grammar schools. One set was made by the chapter and presented about 14 years ago to one school and has been used on every appropriate occasion since.

The chapter has pledged \$15 per capita to the new Constitution hall and has bought one chair. An entertainment will be given next month to complete our share as far as possible.

Respectfully submitted, Elsie Robbins Phelps, Regent.

Lon Hill, one of Chicago's former gangsters and underworld characters will preach several times next week. He has been saved but two years and recently when he preached three times on one Sunday in Danville, Ill., they said "Isn't it wonderful what God has done for that man?"

A book stall is maintained for distribution of some free literature and the sale of good books.

The music is always a prominent feature of these Fundamental meetings. Mr. and Mrs. J. L. Baker, 16 years on the vaudeville stage, will sing several times. They always ring true to Christ.

IN MEMORIAM

In sad and loving memory of our dear husband and father, Andrew Somerville, who passed away two years ago, March 23, 1924.

The month of March again is here. To us, the saddest of the year; It was a bitter pain, a shock severe To part with one we loved so dear. Loving wife and family. 4pd

CARD OF THANKS

We wish to thank our friends and neighbors for the beautiful floral offerings and sympathy shown us in our late bereavement.

SPRING ARRIVES ON TIME LAST SUNDAY

Follows Normal Winter, According to Weather Recorders; Some Figures

Spring in a glowing garb of golden sunshine arrived on time Sunday morning, and most of the week has been in keeping with its advent. Looking back over the winter just passed weather recorders report that in general it was a normal winter.

On Dec. 12 it was 8 degrees below zero—one degree colder than on Dec. 26. Then there were Jan. 28, when it was 7 degrees below, Jan. 25, when it was 5 below, and Jan. 12, when it was 3 below.

Only Five Subzero Days
 There were five days below zero—only five—and the average is nine sub-zero days a winter, with several zero days in a row as last winter had altogether.

Numbers of the critics who are picking on the winter just passed are basing their grouches on March alone, it is suspected. March has been a tough month, the weather bureau admits, with the temperature 7 degrees below the daily average, and but six days on which the city had neither rain nor snow. These were the 3rd, 4th, 9th, 17th, 18th, and Sunday.
