**SUNSET VALLEY GOLF CLUB READY TO OPEN**

**If Weather Man Will Behave Himself and Give Us a Little Good Weather**

Kelly—was on the job last week with a big smile.

Preparations are being made for the spring opening. Some of the boys fully expected to limber up Saturday and Sunday, but the weather man thought we needed a little more winter so the boys stayed in and polished up their clubs.

The first 9 holes will be ready for use this week, weather permitting.

Owing to a large flow of water across Fairways 12 and 13, a drainage ditch is being dug which when completed will soon relieve the situation and make it possible to use the second 9 holes.

Have you seen the calendar of events for 1926. Ask Kelly for one it is in a neat form of convenient size to put in your pocket.

The membership cards for 1926 have been printed. Applications are coming in fast.

If you are not familiar with the location on the operation of this club, write the Sunset Valley Golf club, city hall, Highland Park and a description pamphlet will then be sent you.

Well, golfers, lets hope for better weather next week.
