YOU MAY PREFER other flowering plants for the home during the rest of the year, but there is only one that expresses the spirit of Easter fittingly—it is the stately Easter Lily with its glistening white blossoms. Have one of our fine Lilies in your home next Sunday. Its delightful fragrance and beauty will help you and yours appreciate Easter more.

S. A., Canada and Europe ready and anxious to serve you through us — and we stand back of every order with our "Satisfaction or Money Back Guarantee."

It's over Telephone 85, that you can create a lot of happiness for Easter. What could you do better for that Day? Whether you have thirty-five cents to spend for a single hyacinth or wish a Twenty-five Dollar plant basket arrangement, that isn't so important, we will be glad to give either order our very best attention. But after all, it is your thoughtfulness and sentiments which your flower gift expresses that really counts.
