HIGHWOOD CHURCH TO BE DEDICATED SUNDAY

BY CARDINAL MUNDELEIN

New St. James Edifice and School to Be Formally Opened in the Afternoon; History of Parish

The new St. James church and school at Highwood, Illinois, will be dedicated by His Eminence, George Cardinal Mundelein, D.D., next Sunday, April 25, 1926 at three o'clock in the afternoon.

REV. FRANCIS J. MAGNER, Ph.D.

The Highwood parish was for many years a mission of the Immaculate Conception church of Highland Park, but in 1912 Reverend Simon J. Gates was appointed as the first resident pastor, a charge which he kept until his death in August, 1924.

Remarkable Development In October 1924, Reverend Francis J. Magner, Ph.D., was appointed pastor and under his direction the parish has undergone a remarkable development, both in numbers and in achievement. The old church was soon too small and Father Magner at once set out to build not only a church, but a school, a plan which was heartily welcomed by his parishioners. Today, St. James parish boasts of a modern church that seats over five hundred, a six-room school house, a parish house and school hall, the latter being made by renovating the old church. All these buildings are of brick construction.

St. James parish is the first pastorate of Father Magner, who previously was an assistant at St. Pius and St. Mel's in Chicago and at St. Francis Xavier in Wilmette. Since coming to Highwood, Father Magner has been assisted by the Jesuit Fathers from Loyola university, by whom he was educated.

Other Ceremonies His Eminence, after blessing the church, will administer the sacrament of confirmation to a class of over one hundred, children and adults. Cardinal Mundelein will also make the address. The St. James Men's club and the Boy Scouts of the parish together with the Ladies' Tabernacle society and the Children of Mary have charge of arrangements and the decoration of the church. A guard of honor will be composed of the Fourth Degree Knights of Columbus of the Wilmette and Lake Forest councils.

PRESENT "MIKADO" AT VILLAGE HOUSE

To Benefit Proposed Ravinia Auditorium; To Be Given April 23-24

While the standard version of Gilbert and Sullivan's Mikado, as presented by DeWolf Hopper in America and the D'Oyley Carte company in England, has its undoubted merits, the singing actors of Ravinia are confidently offering their own jazzed up interpretation at the Ravinia Village House this Friday and Saturday evening (April 23 and 24) at 8:15 p. m. And while Hopper and other stars sing the ever popular airs for a living, the Ravinia skylarks and night-ingales are warbling for the benefit of the proposed Ravinia auditorium. Tickets at Gell's, both in Highland Park and Ravinia, or from members of the cast.

Women said to be taking up the cudgels in behalf of various causes, but some of us would prefer to see them taking up the rolling-pin, with suitable restrictions.

Daylight Savings To Begin Next Sunday; Lasts Five Months

Daylight saving for this season begins at 2 a. m. next Sunday, April 25, at which hour, clocks are to advance one hour. Local people are reminded to advance their clocks before retiring Saturday night, so that they may not find themselves an hour late the following morning.

The change back to Standard time will be made September 26, so there will be five months during which Chicago and suburban residents will have an extra hour of daylight for recreation or such other uses as they may select. Railroads will operate on Central time, with such alterations as necessary to adapt their schedules to suburban needs.

Services at the local churches will all be held on daylight saving time.

For those who enjoy golf, baseball, tennis, and other outdoor sports, daylight saving plan is especially convenient, and that it is appreciated is evidenced in the general sentiment in its favor which has persisted in the Chicago region for several years.

LOCAL MERCHANTS SPRING OFFERINGS

QUANTITY, AND QUALITY

Finest Goods Obtainable Are In H. P. Shops; Trading at Home Made Easy; Good Goods, Prices Right

Special attention is called at this season to the splendid display of new spring merchandise in all lines in the stores of Highland Park merchants, and because the variety, quality and excellence of these stocks assure patrons wide choice of the best goods and emphasizes the value of trading at home.

Never before have the stocks of goods of all classes shown by local merchants been so complete and attractive. No effort has been spared in their selection and nowhere in cities of this size and much larger can be found so extensive an accumulation of down-to-the-minute merchandise offered at such attractive prices as these to be seen in local business houses.

Attractive Stocks

Show windows are brilliant these days with samples of spring offerings, but the windows are only indications of the wonderful stocks to be seen inside. Comprehensive advertisements in the Highland Park Press tell much of the opportunities for economic buying from stocks in local shops, where variety and value go hand in hand with quantity and beauty.

So remarkable are the offerings of Highland Park merchants in all lines of goods; so excellent are their values and so wide the choice available that Highland Park folks will find it very much worth while to visit the stores, shops and other business places to inspect the splendid values offered at unusually reasonable prices.

The pallbearers were Henry Pierce, Thomas Simpson, Arthur Foster, J. Pierce, John Armstrong, and Bernhard Stiegler.
