

PRESENTS "MIKADO" AT VILLAGE HOUSE

(Continued from page 1)

The director, Mrs. William Mast, is sanctioning a number of innovations, more recent even than the memorable performance by the same cast a year ago. It is announced that the "Kio-to," said to be a current Japanese afterglow, if not intensification, of the Charleston, is to be featured as an entr'acte. It is whispered furthermore that certain delectable affectations of the professional Follies maidens are to be discovered in the chorus ladies of Japan.

The classic Gilbert and Sullivan procedure is being additionally improved upon, so 'tis said, by promiscuous dancing between the stars (they are all stars) and the audience after the performances Friday and Saturday night. This too for the benefit of the new auditorium.

The cast is as follows:

- The Mikado..... Lucien M. Brouillette
- Nanki-Poo, his son..... Kenneth Bennett
- Pooch-Bah..... Harry E. Barackman
- Ko-Ko..... J. Easton
- Fish-Tush..... William H. Kuh
- Yum-Yum..... Maud Brouillette
- Pitti-Sing..... Mildred B. Haessler
- Peep-Bo..... Grace Kuh
- Katisha..... Dagmar Christensen
- Chorus: James Cady Ewell, Robert L. Grinnell, Frank Horn, Orin E. Keller, Helen Clason, Patricia Hoffman, Serena Seymour, Marie Trevisan, Olga Trevisan, Marie Horn.

Solo dancer: Faith Hoffman. Kioto girls: Helen Clason, Marie Trevisan, Serena Seymour, Harriet B. Seymour at the piano.

BENEFIT CARD PARTY AT MORAINÉ HOTEL

Ravinia Center of Infant Welfare Society Plan Benefit Tuesday, May 18

The Ravinia Center of the Infant Welfare Society of Chicago will give a benefit card party on Tuesday, May 18, two o'clock at the Moraine hotel. This center was organized last December by a group of women in the south end of Highland Park and has now a membership of about thirty-eight. Mrs. John Glace is president, Mrs. Alfred S. Burdick, secretary; Mrs. M. O. Sneider, treasurer.

The members meet the last Tuesday in the month and sew for the Alice Wood station, located on the north side in Chicago.

This is the first card party given by the Ravinia Center and everyone in Highland Park and north suburbs are urged to co-operate to make this benefit a great success. Beautiful prizes will be given. Tickets can be bought from Mrs. W. R. Saul, Dell Lane, Ravinia, H. P. 1995.

GREEN BAY ROAD PAVEMENT PLANS

Engineers Working on Preliminaries; No Paving This Year, Belief

While there is every indication that Green Bay road through Highland Park will be widened and repaved as soon as it is possible to get the extensive and difficult preliminary work completed, it is not believed that active operation can be started on this big job this year. Engineers are already at work on the plans and estimates, and it is generally accepted that the width to be adopted will be 30 feet. However, there is much to be done and many angles to be considered, and the best that can be learned is that the improvement will be made in due time. However the street force will go over the entire street and make repairs made necessary by winter wear and tear on the pavement.

The British are "fearful that they may have a coal strike about May 1." Why don't they get Governor Pinchot to settle it for them?

Did you know that ancient people placed the bull, ram, and goat in the stars as deities worthy of worship?

Mrs. Carl Pfanstiehl is an important factor in the convention, in the position which she now holds as chairman of the nominating committee. Highland Park is especially honored to be represented on such an important committee.

ROBERTA LEE MOORE GIVING UP PRACTICE

Dr. Sadie B. Chambers to Take Over Office; Assisted by Dr. Downing

Dr. Sadie B. Chambers, osteopathic physician, who has been in the office of Dr. Roberta Lee Moore in the Highland Park State bank building, for the past six months, has completely taken over the practice as Dr. Moore is returning to California.

Dr. Bradley C. Downing, who occupies the office previously occupied by Dr. H. R. Holmes in the Goddard building, Chicago, will be at the office of Dr. Chambers on Monday and Friday evenings by appointment.

Dr. Downing comes very highly recommended. He was a member of the 1919 class of Princeton, obtaining the B. Sc. degree. He is a graduate of Chicago Osteopathic college and served three years in France with the American Medical corps.

A lot of European lecturers come over here and tell us what we ought to do, at two dollars a seat, but we have yet to hear of an American lecturer giving good advice in Europe and getting paid for it at the same time.
