STATE ROADS HELD UP; RIGHTS OF WAY

THURSDAY, APRIL 29, 1926

LOCAL DIFFERENCE CAUSE

Communities Cannot Agree Upon Routes Through Territory and State Unable to Proceed

Illinois road-building activities ur der the \$60,000,000 bond issue pros countless family chains. No estimate gram, have come practically to a stop can be made until some organization because rights-of-way cannot be set- or periodical starts the search. It is tled over 224.79 miles of highways, worthy to be done by farm papers and according to information compiled by the highway department of the Chicago Motor club.

Furthermore, these 224.79 miles must be completed before the state ernment, having started a search for the \$100,000,000 program; therefore, of the same family, found one that the outlook for extensive road-build- went back nine hundred years, having ing by the state this year is not en- been first occupied by ancestors of couraging. Work that was stopped the present owners just after the year when cold weather set in last fall will, 1000. of course, be finished.

Roads Delayed Under the heading "right-of-way family possession is just south of service. not secured but satisfactory progress West Chester, Pennsylvania, close to being made" there are 25.47 miles the site of the Revolutionary battle of held up as follows: Route 11, Baden- the Brandywine, where a venerable vate individuals who feel that Eng- for golf and other outdoor pleasures.
