TO SELL COTTAGE BUILT BY STUDENTS

"Sunshine Cottage," the bungalow built by the carpentry classes of the high school is to be put on sale at real estate offices until June 5th. If, at that time, it has not been sold, a public auction will be held, the cottage going to the highest bidder.

"Contractors," said Principal R. L. Sandwick last week, "say that the cottage is better built than the average structure of its kind." The cottage will be completed by

the second week of June.

The reason they still call it pre-war iquor is that after you drink it the battle starts immediately.

Graded Up to a Standard Not Down to a Price

Because ice cream is not sold by "grade" some people think that all ice cream is of the same quality. Of course, this is far from true. One manufacturer may use rich, sweet cream—another butter. One may use pure cane sugar—another, glucose. One may use genuine fruits and flavors-another, extracts and imitations.

HYDROX Ice Cream is graded up to a standard -not down to a price. It never is sold by agents who boast about the fact that they can sell you any grade of ice cream they choose to buy. But you will find it in the stores of agents who believe in giving you the best in quality that can be made.

There Is a HYDROX Agency Near Your Home
