

DEERFIELD

Continued from Page 3 those who appeared on the evening's program were Mrs. G. H. Newcomb, and daughter, Virginia, who played a delightful duet, "Home, Sweet Home," Virginia Cooky sang "O Little Mother of Mine," and Mrs. C. Friedlund, who has a lovely voice, sang a beautiful solo.

A very fine address was given by Mrs. A. B. Wellington of Evanston, young people's superintendent of the Chicago Presbytery.

Mothers Night

Mothers Night was observed with an unusually interesting program arranged by Mrs. Austin Plagge at the last meeting of the Deerfield Royal Neighbor lodge.

The following program was presented: "Old Time Melodies"—Mesdames N. Dietz, Johnson and Morgan.

American Legion Auxiliary The American Legion Auxiliary met at the town hall last Monday afternoon and the following committees were appointed by the president, Mrs. Carl Anderson:

Deerfield American Legion The regular meeting of the Deerfield American Legion post, No. 738, will be held in the town hall, Friday evening, May 21. All members are especially urged to be present to make arrangements for the coming big event of the season, "The Carnival."

Mrs. Carl T. Anderson, president of the Deerfield American Legion auxiliary, and Mesdames Frost, Whitcomb and Strong attended the dedicatory exercises at the Great Lakes hospital for the mentally afflicted of the World War, last Saturday afternoon.

All Saints Episcopal Church Sunday morning, May 30, there will be services in All Saints Episcopal church.

St. Pauls Evangelical Church F. G. Piepenbrok, pastor. Church school—9:15 a. m. English service—10:15 a. m. Communion service—11:00 a. m. German service—11:15 a. m.

Sunday is of special significance to the church of Christ, it being Pentecost. We especially commemorate the event of the "Outpouring of the Holy Spirit" upon the early church. Never since the first Pentecost was there greater need for the renewal of the Spirit of God in the life of the church than there is now.

Following the English service, we will celebrate the Lord's Supper. Many who were denied the privilege Easter Sunday due to inclement weather and other causes take the opportunity at this time. Several have announced their intention of coming to the Lord's table, and the pastor would appreciate it if others who desire to come would do likewise, which would give him somewhat of an estimate of the attendance.

The German service will begin at 11:15 a. m. Remember the Memorial service, Sunday, May 30. It will be of special interest since the American Legion post of Deerfield and also the Boy Scouts will attend and participate in the program. Besides the pastor there will be a special speaker from Chicago.

ELKS TEAM DEFEATS GIANTS OF EVANSTON

CLOSE GAME LAST SUNDAY

Batting Rally in Ninth Put's Game On Ice 11 to 10; Chicago Elks Next Sunday Here

(By A. L. FELL) In a slug-fest the Elks beat out the strong Evanston Giants last Sunday, 11 to 10. The Elks staged one of their famous ninth inning rallies. They were two runs behind in the ninth and the game looked like a lost one, when the wrecking crew came to bat.

This win gives Manager Green-jade's crew the third of the season. They are looking more like a ball club every game. The crowd last Sunday was one of the largest that has been down there for a long time and the crowds should increase in size.

Next Sunday the Elks will meet their brothers from Chicago. The Chicago Elks lodge No. 4 baseball team, one of the best in Elkhorn, will play here. There is keen rivalry between the two lodges and it will be a sort of grudge game. A large following of Chicago Elks will be out with their team.

ATTENDANCE LARGE AT BENEFIT BRIDGE PARTY

Over 250 Present; Thank Business Men for Contributions; Is Big Success

The bridge party at the Moraine hotel given Tuesday afternoon, May 18, by the Ravinia Center of the Infant Welfare society of which Mrs. John R. Glace is president, was the kind of benefit which makes charity card parties extremely popular.

It was largely attended, in spite of the downpour of rain, by 250 or more women who perhaps played the best game of their lives, stimulated by the beautiful display of prizes, one for each of the fifty-two tables, donated by the generous business men of Highland Park and others.

Among the well-known Highland Park and Ravinia people who won beautiful prizes were Mrs. George Mason, Miss Margaret Bunnell, Mrs. Ernest Nolting, Mrs. George M. Bard, Mrs. E. M. Gallup and Mrs. E. G. Wittaker of Chicago. The winner of the attractive jersey sport dress, donated by Mrs. Glace, was Mrs. John Thomas of Ravinia.

Several attractive luncheons at the Moraine preceded the card party which was attended by a great many people from every suburb on the North Shore as well as from Highland Park. Refreshments of coffee and cake were served at the tables after the many prizes had been awarded.

Mrs. Theodore Osborn was general chairman for the party while Mrs. W. R. Saul was in charge of the sale of tickets. Mesdames Lewis, Jerome, McIntosh, Supple, Bosworth, Moore and Frank were in charge of arrangements.

The proceeds of the party, amount-

ING TO SEVERAL HUNDRED DOLLARS, WILL GO TOWARD THE MAINTENANCE OF THE ALICE WOOD STATION OF THE CHICAGO INFANT WELFARE SOCIETY.

The meetings of the Ravinia branch are held monthly at private homes where the members sew to make supplies and layettes for distribution to the mothers of the station. Anyone interested in this worthy cause who wishes to join the organization may do so by giving her name to Mrs. John R. Glace.

The business men of Highland Park who contributed so generously to the success of the card party are: James Bowden, Jesse Sobey, H. T. Bakke, the Highland Park Ice Co., Geell and Co., Rapp Bros., Dreiske, the florist, Fritz Bahr Greenhouses, Pease, the druggist, Kellogg, photographer, and Hecketsweiler, photographer, the Loretta Shop, J. B. Garnett Co., Larson News Dealer, and the Service Market of Highwood, Chris Niebuh, William Denzel and Wm. Turner, hair dresser.

Those in charge of the party wish to thank these businessmen for their liberal donations of prizes as well as Prior and Co., the Highland Park State bank and the Moraine hotel for the assistance rendered.

BOTH PROPOSITIONS APPROVED BY VOTERS

Continued from page 1

May 11 approved a proposition to annex certain property south and west of that city, including some of the same territory voted here on May 18.

The Lake Forest city council immediately passed the annexation ordinance and filed a copy in the county court, so Old Elm club and some additional property which it was planned to annex to Highland Park is already part of Lake Forest. The matter will be straightened out by the ordinance to be passed by the Highland Park

COUNCIL, IN WHICH BY INCLUDING ONLY PROPERTY NOT ALREADY IN ANY OTHER CITY, AND ON WHICH THE ANNEXATION PETITION AND VOTE WAS BASED, THE CONFLICT OF AREA WILL BE ELIMINATED.

Regular Council Session

At the regular meeting of the city council on Friday evening a petition presented by owners of property on Central avenue, east of the present business district, requested the council not to extend the business district any further east than the present limit.

An ordinance providing for the construction of a connected system of water mains in the Valley subdivision, on the county line, was ordered filed for public inspection for one week.

George F. Nixon & Co. submitted a plat of subdivision of property into approximately one-acre lots in southwest part of Highland Park. It was tentatively approved.

To Install Improvements John Rosen, owner of the Military Academy subdivision on St. Johns avenue, was given permission to install water and sewer improvements in the subdivision, under the usual conditions prescribed by the city and according to the law in the premises. The old building on the property is being razed in clearing the property for subdivision.

The board of local improvements recommended passage of an ordinance for the construction of a system of water mains in the Valley subdivision. The board also originated two improvements, one providing for construction of sanitary sewers and the other for water mains, both in the Ravinia Dells subdivision.

SHUT-INS BENEFIT SALE IS NEXT WEEK

Home of Mrs. R. E. Smith to Be the Scene of Sale to Swell Funds of Society

Mrs. J. Waller Marshall of Winnetka, president of the Vocational Society of Shut-Ins, announces a sale of various articles made by the shut-ins, which will be held at the home of Mrs. Robert Edward Smith, 333 Maple avenue, Wednesday, May 26, from 10 a. m. to 5 p. m., and to which everyone is invited.

Assisting Mrs. Smith will be Mrs. Carleton Vail, Mrs. George Childs, Mrs. Gordon Buchanan, Mrs. Eugene Andrews, Mrs. Arthur Jerrens Sr., Mrs. Robert Forgan, Mrs. Howard Smith, Mrs. Arthur Jerrens Jr., Mrs. George Stevens, Miss Margaret Forgan, Miss Marion Smith, Miss Florence Boyd, Miss Sarah Louderback and Miss Emilie Smith.

The society, in announcing the sale next Wednesday, wishes to emphasize the point that the articles which will be offered at this time bear marked evidence of excellent craftsmanship and will be so low in price that the public will not feel that in buying them they will be doing it entirely out of charity. As a matter of fact, it will be strictly an economic buying event and at the same time will be aiding one of the most worthy causes.

Hooked rugs, foot stools, all kinds of linens, a large list of baby things such as blankets, pillows and sweaters; home spun bags, embroidered pillows of various kinds, aprons and a multitude of other useful articles, are the products of the Shut-Ins.
