SOME "BOOTLEG MILK" IS BEING SOLD HERE
It is reported on good authority that "bootleg" milk is being sold in several North Shore cities, including Highland Park. This milk is from untested cows and has been condemned as unsafe. The Bowman Dairy Co. and the Hohlfelder Dairy Co., which distribute much milk on the North Shore, use only tested milk, their officials report, and every precaution is taken to keep their milk in the best sanitary condition. Other concerns also are selling milk from tested cows, but it is reported that in a few instances the "bootleg" milk is being peddled in this territory.
A beer war has been started in Vienna because the price has been raised from ten to eleven cents a quart—which ought to make the bootleggers in America laugh out loud.

"ALONG GOOD WILL HIGHWAY"

Your neighbor on the Sinclair Truck has the answer to your oiling problems

WHEN you see the Sinclair Oil Truck coming, remember, the man driving it is always ready to stop and talk with you about your lubricating and fuel problems. He knows about oil—how to recommend the right oil for automobiles, trucks and tractors. Perhaps he can help you get better work and more power out of them.

He is not just a "salesman". Perhaps he can help you when something goes wrong with your car—if the difficulty is in the oiling. Talk with him tomorrow. Ask him questions—ask him, for example, how you can cut down your oil-and-gas expenses. He will be glad to talk with you.

Let him give you a copy of "Oiling"—Sinclair's new help-booklet for motorists.
