ELKS TEAM LOSES TO EVANSTON NINE
FIRST DEFEAT OF SEASON

Game Was See-Saw Throughout and Final Score 8 to 7; No Game Memorial Day; Highwood Sunday

(By A. L. Fell)
The Elks lost their first game of the 1926 season last Sunday to the strong Evanston team 8-7. The game was a see-saw affair, the lead changing throughout the game. Hessler had a sore arm and did not pitch his usual good game. He walked 6 men and that is more than he usually walks all season. The Elks did not play very good ball behind him. Twice the infield kicked the ball around that cost a run. Third and Fifth Fatal
Evanston had two big innings, the third and the fifth when they scored 4 and 3 runs respectively. The Elks scored 3 runs in the second on hits by Groth, Glader and Hessler and a base on balls to M. Rudolph. In the third Bordes and Stallman scored on a hit and an error. Hessler and Geo. Glader scored the last runs in the fifth on a walk and a hit. Not until the ninth was the tie broken. Evanston scored a run on an error on Cronin and a double by Griffith.

The Elks got men on bases in their half of the ninth but could not score. Highwood Next Sunday
Next Sunday the Elks play Highwood here. The game Monday with them was called off on account of the rain. Highwood has added many new players to their lineup and want to beat Highland Park. Struck out by Hessler 7; by Weyrich 3. Base on balls—off Hessler 6, off Weyrich 4. Wild pitch—Hessler. Double plays—Groth; Cronin, Bordes, Groth. Three base hit—Hessler.

FIRE DAMAGES AUTO

An automobile owned by H. S. Moses, Marshall avenue, was damaged by fire Friday evening. The fire department was called and put out the blaze, which was believed to have been caused by defective wiring. The damage was estimated at about \$100.

TAXI DRIVER HURT AS CAR HITS TREE

Harold Ayres Badly Bruised in Accident Saturday Night; Is Recovering
Harold Ayres, driver of a yellow taxi, suffered painful injuries about the face and was otherwise severely bruised when his car ran off South Green Bay road in a rainstorm Saturday night and struck a tree. He was taken to the hospital, where he remained for several days, but is now able to be out, although not fully recovered from the effects of the accident.

PRESENTS PUPILS IN RECITAL THIS EVENING

Eva Emmet Wycoff of the faculty of the Gunn School of Music and Dramatic Art, Inc., Chicago, presents members of her class in a recital assisted by Edythe Agulnick, reader, tonight, June 3. Those taking part are: Marion Griffith, Josephine Hall, Mrs. Walter L. Ludlow, Mrs. D. L. Barrett, Mary De Carl, Clara Hicks, Samuel De Carl, Jeannette La Vine, Mrs. D. B. Scully, Jr., and Mrs. C. A. Pardee. Hyacinth Glomski and Esther Pardee Topp will be accompanists.

HAROLD LLOYD REAL CAMERA DARE-DEVIL

Many Narrow Escapes in Latest Film, at H. P. Theatre Next Week

Harold Lloyd takes more physical chances than any other star in motion pictures. While the bespectacled comedian is not rated the daredevil some of the he-men of filmdom profess to be, nevertheless, when it comes to risking his life and limbs before the camera, Lloyd undoubtedly takes the crown. His latest comedy production, "For Heaven's Sake!"—at Highland Park theatre all next week—goes a long way to bear this statement out. Not once, but at least half a dozen times, he performs "stunts" that most stars would have intrusted to a "double." In fact, his courage and grit during the making of this film amazed even his co-workers, who are well aware of his fearless spirit.

Marked that women have a steady influence, but they don't seem to steady the automobile driver much when two of them climb into the front seat.

OPEN SKOKIE LINE ON JUNE FIFTH
(Continued from page 1)

coming inauguration of service on the Skokie Valley route as an event of great importance in the development of the Chicago Metropolitan district," said President Britton I. Budd. "Our interest in the development of North Shore line service and facilities is exceeded only by our desire to contribute to the growth and prosperity of the communities we serve. Investment of \$10,000,000
"The Skokie Valley route of the North Shore Line represents an investment of \$10,000,000 in the future of the comparatively undeveloped North Shore region lying to the west of the territory now served by our Shore Line route. We have made this big investment, secure in our confidence that this region is destined to become one of Chicago's most beautiful and desirable suburban residential districts. We have every reason to believe that our confidence is not misplaced." Construction of the Skokie Valley route was started in June, 1925. Completion of the big project in less than a year is declared by engineering experts to be an outstanding example of speed and efficiency. D. H. Howard, engineer of construction, is being highly complimented on his excellent record in supervising the big job. North Shore Line work trains have been operating daily for some time over the new line under electric power from the new automatic substations, furnishing tests to insure 100 per cent operating efficiency when the Skokie Valley route is opened to the traveling public.

CHILDREN'S PROGRAM AT RAVINIA PARK
Continued from page 1

in and Mr. Eric DeLamarer didn't direct an afternoon of beautiful music. Well that is just one of the features which will be given at the Thursday afternoon children's concerts at Ravinia this summer, by the Ravinia club, and the entire season's program is a thrilling one, in fact so interesting that all the grown ups will want to attend also. The first Thursday children's concerts will be on the afternoon of July 1, and it will be a pantomime of episodes in a toy shop given by North Shore Y. W. C. A. groups from Lake Forest and Highland Park. The second program on July 8 will be furnished by Dr. Eastman, famous Indian chief, international Boy Scout advisor, lecturer and writer. Dr. Eastman will be assisted by a group of Indians in their native costumes, and the program will include tribal dances and legends. Ruth Page, premiere danseuse with Adolph Bolm, will give a most fascinating program on July 15, assisted by members of her company. Her famous Doll dance, a Peter Pan dance, the Butterfly and the Rag Doll dance will be included. For the afternoon of July 22, the Children's theater of Evanston under the direction of Alexander Dean will present "All Baba and the Forty Thieves" in pantomime with music. This group last year gave the lovely little Chinese play "The Legend of the Stolen Prince." For the last Thursday in July something very, very interesting is planned. It concerns us all, for it is the history of our own Chicago. It begins with important events in Indian times, through the covered wagon days, the Chicago fire, up to the present day. How many children would like to take part in the mob scenes? Won't it be exciting to be rushed from the threatening fire or fleeing across the park from Indian scalpers or just building a home in the wilderness or riding in a covered wagon? This will be on Thursday, July 29, and children who would like to take part in one of the mob scenes, may do so by getting in touch with their town chairman within the next ten days. Miss Bertha Iles of Chicago is directing this performance. The program for August 5 is not yet ready for publication, but on Thursday, Aug. 12, a full house is assured. The "reason" is Rothig the magician whom all the children love. He will have an entirely new program which is to be a great secret of wonderful acts. Miss Helen Freund of the Chicago Civic and Ravinia Opera companies will sing the Doll song from the "Tales of Hoffman" for the concert on August 19. This will be one of the treats of the season.

136 Miles of Wire

One hundred and thirty-eight miles wire, including the copper trolley and the primary and secondary messengers, was strung in installing the catenary overhead.

Five automatic electric power substations were completely installed with the latest of modern equipment, and connections were made with the trolley system.

Twenty-three miles of telephone cable was strung along the right-of-way on the catenary structure.

The North Shore Line signal department, under the supervision of John W. Stephenson, signal engineer, installed three interlocking plants—a 24-lever mechanical plant at the junction with the Niles Center Line south
Continued on page 6

A Child Artist day program on August 26 will be announced later, as will also the program for September 2 the last one of the season.

Mr. Eric DeLamarer will conduct the music programs as heretofore with music by the Chicago Symphony orchestra. These Thursday afternoon concerts are growing more popular each year as they are meeting a great social need, that of providing wholesome entertainment for the children, giving them the best that can be provided in entertainment and cultivating a taste for the highest musical forms. All children under twelve years of age are admitted free and the center section of the pavilion is reserved for them. Miss Isabelle Cline of Kenilworth is chairman of the Children's day committee.

GARDEN OPENINGS OF L. F. GARDEN CLUB
List Includes 28 Different Gardens to Be Visited in June and July

The Lake Forest Garden club has arranged for another series of garden openings on Saturdays in June and July. A nominal admission fee will be charged for each Saturday, four different gardens being opened to the public, each week, from 11 a. m. to 7 p. m. The list includes 28 different gardens, some of which have never before been opened to the public. The schedule is as follows:
Saturday, June 5—Mrs. John T. Pirie, Lake Forest; Mrs. Thomas E. Donnelly, Lake Forest; Mrs. A. B. Dick, Jr., Lake Forest; Mrs. Roy E. Sturtevant, Lake Forest.
Saturday, June 12—Mr. Cyrus McCormick, Lake Forest; Mrs. William H. Mitchell, Lake Forest; Mrs. George D. McLaughlin, Lake Forest; Mrs. Walter Brewster.
Saturday, June 19—Mrs. Rockefeller McCormick, Lake Forest; Mrs. Samuel T. Chase, Lake Forest; Mrs. James H. Douglas, Lake Forest; Mrs. William E. Clow, Lake Forest.
Saturday, June 26—Mrs. J. Ogden Armour, Lake Forest; Mrs. Joseph M. Cudahy, Lake Forest; Mrs. Leverett Thompson, Lake Forest; Mrs. George A. McKimlock, Lake Forest.
Saturday, July 3—Mrs. Howard Phillips, Winnetka; Mrs. Frederick W. Scott, Hubbard Woods; Mrs. John W. Gary, Hubbard Woods; Mrs. James Simpson, Hubbard Woods.
Saturday, July 10—Mrs. Laurence H. Armour, Lake Forest; Mrs. C. Morse Ely, Lake Forest; Mrs. Harry B. Clow, Lake Forest; Mrs. Robert McGann, Lake Forest.
Saturday, July 17—Mrs. Charles H. Schweppe, Lake Forest; Mrs. Louis E. Laffin, Lake Forest; Mrs. A. A. Carpenter, Lake Forest; Mrs. De Forest Hulburd, Lake Forest.

HIGH SCHOOL NURSE IS GOING TO IOWA
Accepts Position as Asst. Supt. of Nurses in Hospital at Cedar Rapids

Miss Adeline Hendricks, who has been high school nurse since last February, has accepted the position of assistant superintendent of nurses at the Saint Luke's hospital in Cedar Rapids, Iowa. Miss Hendricks received her bachelor of arts degree at Wheaton college and her nurse's training at the Presbyterian hospital in Chicago. Later she worked in the dispensary at the Children's Memorial hospital for a time in Chicago and then came to Deerfield, Shields.
