

WINNETKA LEAGUE
PLAN NEW PROGRAM

ANNOUNCE COM. CHAIRMEN

Organization of Women Voters
Plans to Obtain New Record
Vote at Time of Novem-
ber Elections

The Winnetka League of Women Voters is now actively engaged in making its plans for next winter's program. This program will open on the second Monday in October, the regular league day for the month. Every effort possible is to be made to get out a still larger vote at the general election November 2, than was achieved in the recent elections. This is part of the national program of the league which is planned to remedy the serious ailments of non-appearance at the polls so prevalent among all classes of American citizens. The Winnetka league is also spurred on by a feeling of local civic responsibility in winning back for Winnetka the American flag offered by the Izaak Walton League, and which was awarded to Kenilworth this spring.

Board Meets June 8

Mrs. Walter L. Benson, who has recently completed a successful two-year term as president of the Winnetka league, has invited the new officers and members of the board to a luncheon at her home Tuesday, June 8, in honor of the newly elected president, Mrs. John N. Van der Vries.

The new board will also hold its first business session at the close of the luncheon. In addition to the officers who were elected a few weeks ago and whose names have already been announced, this board will include in its personnel the following committee chairmen:

Educational, Mrs. William B. Moulton; International Relations, Mrs. William B. Hale; Social Hygiene, Mrs. Gross T. Williams; Child Welfare, Mrs. Charles Strong; Efficiency Government, Mrs. Morris Greeley; Citizenship, Mrs. D. Bligh Crasset; Membership, Mrs. George F. Suker; Finance, Mrs. Walter L. Benson; Speakers' Bureau, Mrs. R. S. Child; Luncheon, Mrs. Oscar L. More and Mrs. Cecil F. Baker.

The Winnetka league is fortunate in also having on its board, in addition to its officers and committee chairmen, representatives of a number of important Winnetka organizations. These representatives for the year 1926-27 will be:

Winnetka Woman's club, Mrs. Arthur Cushman; Parent-Teacher association, Mrs. Hugo Hartman; North Shore Catholic league, Mrs. William F. Brown; Congregational society, Mrs. Wiley Huddle; Christ Church guild, Mrs. Randolph Buck; North Shore Congregational Sisterhood, Mrs. Eugene D. Sax.

\$100,000 ENDOWMENT
FOR N. U. MUSIC SCHOOL

Fund Provides for a New Department; Dean Lutkin In Charge of Church Music

A \$100,000 endowment for teaching church music in the School of Music of Northwestern university was announced by President Walter Dill Scott at the close of the North Shore festival last Tuesday night. The endowment is made by the Carnegie corporation and is regarded as a signal recognition of Dean Peter Christian Lutkin of the School of Music.

The fund provides for a chair in church music in the school. This department is to be under the direction of Dean Lutkin. It will co-ordinate courses already taught in the school, and make possible new ones. The history of church music, community singing and the relation of music to religion will be among the courses to be taught.

SKOKIE SCHOOL TO HOLD
GRADUATION NEXT WEEK

To Be In Jane Kuppenheimer Memorial Hall; Ritual From Maeterlinck's "Bluebird"

Skokie school, Winnetka, will hold its beautiful graduating ritual, which has become a tradition of the school, on Thursday evening, June 17, beginning at 8:30 o'clock, in the Jane Kuppenheimer Memorial hall. Seats for the occasion will be reserved and tickets have been distributed equally among the children of the graduating class.

The Skokie graduation ritual is taken from a part of Maeterlinck's "Bluebird" called "The Land of Unborn Children." It is a cross section of school life as it is lived at Skokie. All members of the class and some of the faculty take part in the ritual.

The part of Father Time will be played by Dr. James Austin Richards of the Congregational church. Principal Willard W. Beatty, Miss Mary Reese, Mrs. Margaret Funk and Edgar Dale will be guardians of the children. Miss Florence Canning, head of the English department of the school will take the part of Memory, who brings back two children who have gone out into the world to the "Land of Unborn Children." The two children will be played by Skokie graduates, Isabel Milton of New Trier high school and John Porter of the North Shore Country Day school.

Skokie school will close on June 18 and the annual graduation party has been set for Saturday evening, June 19. As usual it will be held in the Hibbard gymnasium and will be for members of the graduating class and the faculty only.

EXPECT FINAL DECISION
ON SUBSTATION JUNE 15

Final action on the petition of the North Shore electric line for a permit to erect a substation near Pine street was deferred for two weeks at the meeting of the village council last Tuesday evening. Both the North Shore line and the residents of the vicinity were represented at the meeting and the property owners remained firmly opposed to the erection of the building. In the course of the arguments against it the danger to children in the neighborhood was stressed by the opposition. The matter was taken into consideration by the council and will probably be settled at the next meeting, June 15.

N. S. COUNTRY DAY
EXERCISES TOMORROW

Graduation exercises at the North Shore Country Day school, Winnetka, will be held Friday afternoon, June 11, beginning at 3:30 o'clock on the lawn of the school. The graduation program will follow the usual form and the Rev. Herbert Willetts of Kenilworth will be the speaker of the day. Perry Dunlap Smith, principal of the school, will present the diplomas. The sixth and seventh grades of the school will sing several numbers as a part of the program. Twelve pupils will graduate this year and all parents and friends of the class are invited to attend the exercises, it is announced.

GRADUATING EXERCISES
TO BE HELD JUNE 18

Graduating exercises at the Glencoe public school will be held Friday morning, June 18, at 9:30, in the North Shore Methodist church. Dr. John K. Collidge, pastor of St. Elizabeth's Episcopal church will be the speaker of the day. Complete plans for the program have not yet been arranged and the exact number who will graduate will not be announced until later. Parents and friends of the graduating class will be invited to attend the exercises.

Sinclair Lewis has refused the \$1,000 Pulitzer prize offered him for writing "Arrowsmith." Maybe he feels that it wasn't worth it.

Left Waiting At The Church

SCHOOL AUDITORIUM
SOON TO BE REALITY

NEED 25 PERCENT PLEDGES

Glencoe Board of Education
Pushes Plans to Completion;
Hope to Complete Sub-
scriptions

Confident that the entire sum required will be subscribed before the money actually is needed, the Board of Education is pushing to completion plans for the public school auditorium, and construction of that first unit of the new school plant on the central site will start soon.

President Clarence T. MacNeille and J. A. Armstrong, architect, were in Cleveland the early part of the week, putting the final touches on the plans in the offices of Walter R. MacCormack. President MacNeille has been authorized by the board to give final approval to the plans, and the trip to Cleveland was made to conserve time and insure an early start on the work.

The campaign committee has mailed to every person who has not subscribed to the fund, a letter signed by Edward R. Johnston, chairman, appealing for subscriptions on the basis of a slight increase over one year's taxes. This letter set forth, also, the names of the 550 persons who have already subscribed approximately \$175,000, of which \$75,000 has already been paid in cash.

"Soon a Reality"

At the same time the board of education mailed a statement of its own position, declaring that "the time and effort spent on this matter have achieved success in that the building will soon be a reality, even though the fund has not yet been completed." The letter declares further that "all the committee has ever asked, and all that the board has ever desired is that each one should subscribe as near his share as he conveniently could with fairness to himself and his family. When this is done the fund will be oversubscribed."

The letter sets forth fully, the reasons that prompted the board and its advisors to build the auditorium by popular subscription instead of increasing taxes to accomplish the same purpose, an increase which would have been accomplished. This letter continues:

Building for All

"This board's earnest desire since it was first instructed by the citizens of Glencoe to proceed with this matter has been:

OPEN SUMMER SCHOOL
IN GLENCOE JUNE 21

Religious Education Classes at
Glencoe Union Church; Mrs.
Colton Directs

Glencoe Union church will open its summer school of religious education on Monday morning, June 21. A very large enrollment is expected this year, it is said. The following statement regarding the school was issued by Le Roy Clements, director of religious education at the church:

"As the more intensive study and religious education program draws to a close, we anticipate the opening of our Summer school of Religious Education. This offers one of the best means of testing our character building training and might well be called the practical school of religious education.

"The Summer school will open June 21, and will be held five mornings a week for five weeks, from 9 a. m. to noon. The program will include Bible study and drill, handcraft, motion pictures, singing, nature study, and supervised recreation. The school is particularly fortunate this year in securing Mrs. Theron Colton to direct the nature study."

HELPS BRAKES HOLD

Fuller's earth may be used on brakes when they become slippery, according to a bulletin issued by the mechanical first aid department of the Chicago Motor club.

If the Fuller's earth can not be dusted on easily, it may be mixed with gasoline, and squirted on with an oil can.

"First: That the burden should be spread primarily on the basis of taxation and secondarily on the basis of one's ability to subscribe; and

"Second: That when the job was completed all subscribers would be proud and happy to have assessed themselves voluntarily for their share in a common-sense, business-like manner, and that, everyone whether he eventually subscribed or not, would feel free to use the building which will be his just as much as any other public buildings in Glencoe.

"This board feels that it has acted wisely in not attempting to increase school taxes. It has so acted because of the confidence it has in the community which elected it to the position of trust which it holds, and it now asks the community to respond to its recommendations, based on its careful investigation and best judgment."

S. S. BEEMAN, ARCHITECT
FOR NEW FIRE STATION

Submits Sketches to Winnetka
Council for Remodeling Old
Village Hall

A resolution was adopted by the village council of the town of Winnetka last Tuesday evening employing S. S. Beeman as architect of the proposed new fire station, and authorizing him to proceed with detailed plans and specifications. Mr. Beeman has submitted sketches of the proposed new fire station remodeled from the old Village hall. The plans are to convert this into a roomy and attractive fire station, in harmony with the Winnetka plan style of architecture. Work on the project will begin as soon as possible, it was said by village authorities.

In deciding to remodel the old building for fire station purposes much consideration was given by the members of the council to the various factors in the situation. Originally it was planned to have the fire station in the new Village hall, but that was found to be impossible before work on the building was begun. Ever since that time the council has been considering various sites for the building.

It was finally decided that for the same amount of money which would be spent for a new site and a new fire house the old Village hall could be remodelled and a much larger and more attractive building secured. Beeman, the architect finally chosen for the fire station, looked over the building and submitted sketches and plans some months ago. These have been under consideration ever since, and are essentially what will be used for the new building.

HUBBARD WOODS ISSUES
BUILDING PERMITS

New Trust & Savings Bank Ap-
ply for Permit; Many Alter-
ations and New Homes

Application for a building permit to erect a building for the new Hubbard Woods Trust and Savings bank was made by the John Jeffrey company, builders, this week. As planned the new building will be one story in height, of brick, stone and concrete construction and will cost \$30,000. It will be located at 954 Linden avenue, Hubbard Woods. The plans and application have been submitted to the architecture board of the village.

Other building permits which have been issued recently at the Village hall are as follows: Don A. Crawford, for a frame, brick and stucco house at 185 Fuller lane, to cost \$15,000; George Fletcher, for a frame and brick veneer home at 147 Chestnut street, to cost \$15,000; Frank C. White, for a frame home on Rosewood avenue, to cost \$15,000; Stanley H. Simpson, for a stucco residence at 1046 Starr road, to cost \$30,000.

Numerous permits for alterations and garages were also issued during recent weeks. A number of expensive new homes on Sheridan road which have been under construction are nearly completed.

GLENCOE WILL NOT
RENEW WATER CONTRACT

Information was received by Village Manager H. L. Woolhiser this week that the village of Glencoe will not renew its water contract when it expires September 1, 1927. Glencoe has decided to build its own water plant. An agreement between the villages has been reached to the effect that Winnetka will continue to supply water to Glencoe after the contract has expired, in case the new plant is not finished, up to May 1, 1928. It is understood, however, that in case of an emergency or an inadequate supply the Winnetka demand shall have the preference. It was suggested by Glencoe that after the completion of its new plant the present connection of the plant of either village may help the plant of either village may help the other in case of an emergency.

NOTED ECONOMIST
COLLEGE SPEAKER

AT 18TH COMMENCEMENT

John Rogers Commons of the
University of Wisconsin to
Deliver Address Tues-
day Morning

Activities connected with the forty-eighth annual Commencement at Lake Forest college begin tomorrow afternoon with Alumni day. The alumni have organized a baseball team which they will pit against Coach Brown's regulars at Farwell field at three o'clock. Most of the members of the alumni team are well known here. The probable lineup is: Joseph Lindenmeyer, p; "Buck" Carleton, c; Don Hause, 1b; Kenneth Robertson, 2b; Lee Jackson, ss; Bertrude Smith, 3b; Carl Peterson, George Beese and Dale Hause in the outfield. Dick Wagner will alternate as pitcher. It is reported, however, that any alumnus who comes out in a suit will get in the game.

Following the baseball game, the President's reception to alumni and visitors will be held on the Commons plaza, just preceding the annual alumni dinner. Alumni day will be concluded with the Senior dance in the ballroom of the Durand Art Institute at eight o'clock.

Dr. Soares to Speak

The address at the Baccalaureate services Sunday, at the Presbyterian church, will be delivered by Dr. Theodore G. Soares, head of the department of practical theology at the University of Chicago and for a number of years pastor of the Hyde Park Congregational church of Chicago. These services will be held at the regular hour for church services.

The chief feature of interest on Monday, designated as Senior class day, is the presentation of the final Garrick play of the year in Durand Institute at eight-fifteen in the evening. Included in the day's events will be presentation of the class gift, reading of the ode, history, etc., in the exercises in front of College hall at two-thirty. The Senior breakfast will be held at the beach at nine, participated in by the twenty-three graduating members of the class and their faculty advisor.

Noted Economist in Address

The Commencement address will this year be delivered by John Rogers Commons, professor of economics at the University of Wisconsin since 1904, and an economist of note. Dr. Commons has also been director of the American Bureau of Industrial Research since 1904; was a member of the Federal Commission on Industrial Relations, appointed by President Wilson in 1913; and is the author of a number of texts and treatises on economics, labor problems and industrial conditions. The exercises will be held in Reid chapel at eleven o'clock Tuesday.

The annual meeting of the board of trustees of the college at 2:30 Tuesday afternoon will conclude Commencement.

NEW TRIER FACULTY
HONOR DEAN HARPER

Members of the faculty at New Trier high school gave a farewell dinner for George A. Harper, dean of boys, at the school Saturday evening. Mr. Harper has taken a year's leave of absence and will go to Tucson, Ariz., for his health. He has been a member of the school faculty for the past 20 years; having first come to New Trier in 1906. He was an instructor in mathematics at the time and was later made head of the mathematics department. For the last few years he has been dean of boys. The dinner was held at the school and Mr. Harper was presented with a gift of esteem from the faculty.

The Family Next Door

Comic strip panels with dialogue:

WELL, WELL, IF IT AIN'T OLD SPEED QUINN HIMSELF! HOW'S TH' OLD TRAPPER - AND THINGS IN GENERAL?
HEH, HEH! HOWDY, NEXTDOOR.

YESSIR - IT SEEMED T' ME TH' WHOLE MORSEL O' CREATION HAD GONE UP TH' CHUCK - TH' GAME WART' WHAT IT USTA WUZ - THEY WUZN'T NO FISH ANYMORE AND I SEZ T' MYSELF, "SPEED YOU'D BETTER PACK UP AND GIT BACK T' CIVILIZATION AGAIN AND SORTER GIT A CHANGE O' PACE" - BUT WHAT DO I FIND? - DIRTY, UP AND DOWN! TH' WHIMMIN' FOLKS TRAPPED OUT IN NEXT T' WHAT NATURE GIVE 'EM TH' MEN' RUNNIN' AROUND IN PANTS BIG ENOUGH T' CLOTHE A WHOLE MOUNTAIN FAMILY -

- THINGS WHAT SHOULD'A BEEN WUZN'T - THINGS WHAT WUZN'T, SHOULD'A BEEN! EVERYBODY CHASIN' AROUND IN CIRCLES LIKE A POLE-CAT LOOKIN' FER A TENDERFOOT - IT LOOKS T' ME LIKE OLD MOTHER NATURE OUGHT'A BEEN ASHAMED O' HERSELF! - BUT THEN, I SHOULD BRING A TRAP!! -

- I FINALLY GOT RID O' TH' KNOCK IN OLD LIZ'S INNARDS AND ENDED ALL O' MY TROUBLES!
