FILE ORDINANCES FOR BOND ISSUES

FOUR TOTALING \$234,000.00

For Bridges, W. W. Improvement; Incinerator and Public Benefits; Board and Council Meet

At the regular meeting of the city council last Friday evening ordinances were ordered placed on file for public inspection providing for borrowing money and issuing bonds and collection of direct annual taxes to pay principal and interest on a total of \$234,000 to be used in building two north Sheridan road bridges, waterworks improvements, incinerator plant enlargement and general corporation purposes.

Four ordinances were started on their way through the council and are on file for inspection, according to law. The first provides for a bond issue of \$165,000 for bridge building. The second is for \$35,000 for general corporation purposes, public benefits, etc., and the third for \$30,000 for waterworks improvement. The fourth is for \$8,000 for improvements to the incinerator plant. Final action on all four will be taken later.

At this meeting the annual appropriation ordinance was placed on file also for inspection according to law, and it will come up for final disposition later.

On motion of Commissioner Cheney James Viti & Son were allowed payment of \$1,589.50 on their contract for the installation of cast iron pipe at the pumping station, in accordance with engineers' recommendations.

The report of the building inspector for June was received and filed.

Commissioner Card moved that bids submitted for the resurfacing of the brick pavement on Green Bay road be rejected and that the street department be instructed to resurface two blocks of said pavement and on completion submit a report to the council showing the cost.

At this juncture the bond issue ordinances were moved to be placed on file by Commissioners Preston, Card, Cheney and Preston, respectively.

Commissioner Card moved that George F. Nixon & Company be granted permission to install ornamental street lighting system in their Forest Ridge subdivision, the company to pay the entire cost, under the usual conditions and provisions protecting the interests of the city in the premises.

At the meeting of the board of local improvements Friday evening Member Cheney moved that the agreement dated July 9, 1926, by and between the City of Highland Park and the Randolph Perkins Co. be approved. The motion prevailed.

This refers to the engagement of the Randolph Perkins Co. to do the engineering work on the installation of the proposed new ornamental lighting system in the business district, etc., as recommended by the special committee appointed to investigate the proposition.

The engineers submitted estimate No. 2 and final for the E. A. Meyer Construction Co. for material and labor utilized in construction of a concrete pavement in Lakewood drive, known as Special Assessment No. 291. The amount due was shown to be \$11,614.60, and on motion of Member Cheney it was ordered allowed, according to the engineers' recommendations.

LOCAL ELKS MARCH IN CHICAGO PARADE

Arrangements Made at Meeting Held Tuesday Evening; In Uniform

An important meeting of the Highland Park lodge of Elks was held Tuesday evening for the purpose of planning participation in the grand lodge reunion and parade in Chicago on Thursday. The plan is for the local lodge representatives to appear in uniform attire of white trousers, white shirts, straw hats, purple ties and purple hat bands. They will assemble at 2 o'clock Thursday at Cass and Ohio streets, Chicago, to take their place in the big parade.

Letter Invites All City Organizations To Join Big Parade

The following letter regarding participation in the big parade on Highland Park day has been mailed to the various organizations in this city urging them to take part in the parade on the morning of July 28.

The committee of the Chamber of Commerce in charge of parade arrangements desires it made clear that in case any organization has been omitted or overlooked in mailing out the letters, they are to please consider the publication of the letter as an invitation directed to them. The desire is to have all local organizations represented in the parade. The letter follows:

Your organization is cordially invited and earnestly requested to participate in the big parade on Highland Park day, Wednesday, July 28th.

We wish you would be represented with an automobile, float, marching organization, or any other way of helping make the parade of interest and beauty.

The parade will begin at 9:30 or 10 o'clock a. m. Formation and march will be furnished by the committee or in the Highland Park Press and News. For further information call any member of the committee, who will be pleased to go into detail.

Hoping to see you in the line of march and assuring you it will be appreciated.

We are cordially yours, Albert Larson, Hugo Schneider, John A. Peters, Roy M. Howe, Henry G. Winter, Parade Committee.

LOST SWARM OF BEES ALIGHT IN HER TREES

"Has anybody here lost a swarm of bees; they've roosted temporarily in my trees?" was the inquiry phoned the Highland Park Press by a local woman yesterday, when somebody's hives overflowed and the surplus took refuge on her premises. The press receives many amusing and interesting inquiries and advertisements for its classified column, but this one certainly merits a high place among those catalogued "unique." Probably Merton Church is short a few honey makers.

LEG AMPUTATED AS ACCIDENT RESULT

Man Named Jack Davis Injured Sunday Night Undergoes Operation

In an accident on the Skokie branch of the North Shore Line Sunday night a workman named Jack Davis suffered such severe injuries to his foot and ankle that Dr. H. B. Roberts, who attended him at the hospital, found it necessary to amputate the leg between the knee and the ankle. The man is reported improving.

NEW EQUIPMENT FOR UDELL PRINTING CO.

BUY ANOTHER FAST PRESS

Second Miehle Purchased in Two Years Increases Capacity; Self-Feeding Machines, Other Devices

With the purchase of a second No. 1 Miehle high speed press and several other modern devices to increase the efficiency of the plant, the printing plant of the Udell Printing Co. and the Highland Park Press is now one of the best equipped plants of the kind in northern Illinois. The new press is now being installed.

Increase in the size and circulation of the Press and growth of the business of the company generally has made necessary the purchase of another large press to take care of this phase of the business. The old Campbell press which has done duty in newspaper printing in Highland Park since before the Highland Park Press was started, is being dismantled to make way for the fast new Miehle.

This new press is a duplicate of the one purchased and installed in 1924 in this plant, and with the addition of the new one the plant will have a battery of two fast newspaper and book presses which will take care of all demand in this line for a long time to come.

Besides to this major addition to the plant, several other important improvements in equipment have been made recently, all of which give increased efficiency and increased speed in turning out good printing.

Within the last few weeks there has been installed a self-feeder for the Miehle press purchased in 1924. This mechanical feeder takes the sheets of paper into the press, the complicated device slipping the paper into the press faster and more accurately than can be done by hand. This mechanical device can be speeded up to the highest capacity of the press to which it is attached, and its use greatly facilitates the printing of the newspaper and books, booklets, pamphlet programs and all publications of larger size.

MASON PARK TEAM HERE NEXT SUNDAY

Strong Evanston Nine Will Meet Elks Team on Local Field; Crowd Coming

Another good baseball game is promised Highland Park fans on next Sunday, when the local Elks team will face the Mason Park nine on the local field. The Mason Park aggregation is said to be one of the fastest in the Chicago district and they showed their prowess last week by defeating the strong Chicago Blues 7 to 0. The Mason Parks have the strongest backing of any team in Evanston, it is reported and they are expecting to bring a big crowd of their supporters to Highland Park on Sunday. Chief Watkins and Stallman will be the battery for the Elks.

MRS. FITT'S ARTICLE IN ATLANTIC MONTHLY

Appears in July Number and is Entitled "The Ancient Virtue"

Mrs. Frank Fitt of Highland Park has an article in the July Atlantic Monthly entitled "The Ancient Virtue," which is a reply to an article on "Thrift" which appeared in that magazine in the April number. The article by Mrs. Fitt is of especial interest to her many friends here, not only because of the personal angle, but also by reason of the fine phrasing and unanswerable logic of her argument.

CONCERT RECITALS SCORE AT RAVINIA

MONDAY NIGHT FEATURE

Symphony Orchestra and Soloist In Each Instance; Program For Next Week Given In Detail

So great has been the interest manifested by the public in the series of Monday night concert-recitals which Mr. Eckstein has arranged as a special weekly feature of Ravinia Opera and Concerts, that there is every reason to believe that the plan meets with the enthusiastic approval of all music lovers.

These concerts, which were inaugurated last Monday night, are given jointly by the Chicago Symphony orchestra, under the direction of Eric DeLamarter, with one of the leading artists of the opera forces appearing as soloist in an extensive recital program. Next Monday night, July 19, Mme. Elisabeth Rethberg, dramatic soprano will be heard in a generous program and the Chicago Symphony orchestra, will as usual present a brilliant program. All seats are free for these concerts, the general admission at the gate covering everything.

Rethberg Scores Mme. Rethberg, who holds a firm position as one of the world's greatest dramatic sopranos, has won the wholehearted approval of every Ravinia patron who has heard her in the monumental operatic roles which fall to her lot at Ravinia. Her voice is unusual in that it is of beautiful lyric quality, yet it has a power that permits this singer to achieve the greatest climaxes with consummate ease. Mme. Rethberg is fully equipped

ANNUAL PICNIC AT ARDEN SHORE CAMP

All Friends Invited to Attend; 2,000 Mothers and Children Vacation Here

Arden Shore's annual picnic will take place Friday, July 16. This is a box lunch affair to which all new friends of this large fresh air camp are invited, as well as those who in the past have helped to make Arden Shore what it is today.

This picnic will be an opportunity for the new comers of Highland Park and surrounding suburbs to become acquainted with the splendid work being done at this camp where 2,000 mothers and children spend their vacations, and under-nourished boys and girls are given renewed health. Space will not permit to tell the many good features about Arden Shore. Only a visit will justify and give you a thorough knowledge of all that is accomplished toward making boys and girls better citizens. Come early, bring your lunch and spend the day.

PLUMBERS TO PICNIC AT GAGES LAKE JULY 17

The Lake County Heating and Plumbing Engineers association will hold a picnic at Gages Lake, Saturday, July 17. All plumbing shops from Highland Park to Waukegan will be closed all day Saturday so that their employees may attend this picnic. About twenty-five shops are represented in this organization and about four hundred are expected to attend the picnic.
