onstration in preference to a permanent waving contest. The demonstration will be followed with the final stage of water waving and a style

Mr. Felix Coune who has done much in organizing among the hairdressing profession for its betterment with an orphan fund, and an educational and research club, operates his business on the fifth floor of the Bell building located in upper Michigan avenue, an establishment unique in its kind lighted by windows equipped with Venetian blinds, making every booth light and cool in the hottest summer day. The rooms are large and airy, equipped with all latest devices in, and for permanent waving. Each booth individually painted in shadto suit the most critical patron, giving a restful effect; the etchings and oil paintings are by famous artists such as Pierre, Nuyttens and Van Reeth, and are hung in place as to create the artistic effect which is so hard to find in places of this kind. Mr. Coune gives his personal attention to all work done by his expert staff of artists of reputation.

NEW FIRE STATION SOON AT WINNETKA

Village Board Decides to Proceed at Once With Remodeling Work

Winnetka is to have a new fire station in the near future. At a special meeting of the village council held last week it was decided to proceed at once with the remodeling of the old Village hall into an attractive and roomy fire station. This action was One of the features being planned in accordance with the recommenda-RING HOUR LATER for Winnetka day, to be held Thurs- tion of the public buildings and day, August 19, under auspices of the grounds committee of which Trustee
