Let's Go!

Highland Park will grow and prosper. But only in the measure that each one of us contribute to these ends.

Healthy growth and prosperity will come from the combined efforts of all of us. From constant striving to do the things that mean betterment of our living conditions. From loyalty to home merchants and home enterprises. From a spirit of helpfulness and friendliness.

Let's work together and work hard—every last one of us. And our efforts will be richly rewarded! Let's Go!

We're going---come on along!
