St. Pauls Evangelical Church F. G. Piepenbrok, Pastor. Church school—9:15 a. m. English service—10:15 a. m.

The two union services of the Presbyterian and St. Pauls Evangelical church held this summer while one or the other of the pastors was on a vacation are another step forward in the progress of the church life of the community. This spirit of tolerance evidently will lead to a better understanding of each other and to a realization of the fact that after all we have many things in common. May this spirit continue and grow with the years to come.

Since Rev. Andrews of the Presbyterian church will be away next Sunday we again extend an invitation to the members and friends of the Presbyterian church to worship with us. Service will begin at 10:15 a. m.

The ladies' choir will meet Friday evening at 7:30.

Evangelical Bungalow Church Rev. Roy M. Williams, pastor. Sunday school at 9:45 a. m. Morning worship at 11:00 a. m. Christian Endeavor at 7:00 p. m. Gospel service at 8:00 p. m.

The mid-week prayer, praise and Bible study hour on Wednesday evening at 8:00 o'clock as usual. You are invited to attend. Rev. Williams will speak on Sunday morning on the theme, "The Church I Walk With."

Harold Vant will lead the Christian Endeavor Sunday evening, the topic being "Christian Ideals and How to Reach Them." This will be an inspiring service, so plan to attend.

Evening service at 8:00 o'clock. A good, rousing song service plus special musical numbers are promising features of an interesting service which welcomes you. Come and bring a friend with you. The W. M. S. will meet at the church Tuesday afternoon, Sept. 7, at 2 o'clock. Mrs. Margaret Freese will lead the devotions. Mrs. Sadie Beckman and Mrs. Hattie Wessling will present the lesson. Every member is urged to be present. Rev. J. G. Ellis will be with us Sunday evening, Sept. 19th.

The ten-day service held at the Barrington camp grounds was most uplifting and inspiring to all who were there and we have returned to our individual tasks and fields to labor for the "Master" in His vineyard.

The population of Paris is about equal to that of the state of Wisconsin. But Wisconsin has more than twice as many telephones as the French capitol.

Over five and a half million miles of telephone wire were added to the Bell System in the United States during 1925.

There are more telephones in the city of Providence, Rhode Island, than in the whole of Bulgaria, Greece, Jugo-Slavia and Portugal combined.
