On Sunday, Sept. 12, a basket picnic will be held at Forest Preserve at Wheeling, on the south side of Dundee road. All members and their families are urged to attend. Members having automobiles with a seat or two to spare are asked to arrange to take some extra passengers.

## FIREMEN CALLED OUT 3 TIMES THIS WEEK

No Damage Reported in Any of These Instances; One Call From Wisconsin

Three alarms have called out the fire department this week, in none of which instances was serious damage reported. On Sunday morning smoke issuing from the public library caused neighbors to send in an alarm. The firemen found that the janitor had been burning paper in the furnace and because of poor draft the smoke had issued from the windows, etc. No serious damage was done. The same morning R. H. Kuehnstedt, 1229 St. Johns avenue, while on a week-end trip in Wisconsin, called the fire station by telephone and asked that the firemen visit his home, as he thought he had left a gas heater in operation. The firemen arrived in the nick of time, as the water in the tank was boiling and the joists over the vent were just beginning to char. Wednesday between 12 and 1 o'clock the firemen were called to the Bowman Dairy where an auto was reported on fire. It was out when they arrived, and no damage was reported.

## O'SHEA INDIANS TO PLAY HERE SUNDAY

One of the Best Traveling Clubs In Chicago; Promises a Good Game

After becoming possessors of a grand winning streak of nine straight ball games, the local Elks ball club will be seeking the scalp of the O'Shea Indians next Sunday.

The O'Shea Indians are without a doubt one of the best traveling clubs in Chicago. They also possess a great string of victories and a battle royal can be promised to Highland Park fans.

Since the local team was revamped last July 4th they have played remarkable baseball. It is the best team that has represented Highland Park in many a year. The season is drawing to a close. Be on hand for next Sunday's game.

## THE GIRL FROM CHILDS AT WAUKEGAN THEATRE

Is Next Week's Special Presentation at Majestic; Is Big Success

Lots of laughs—lots of love—a bit of drama and a tear now and then. Add to this originality, a strong plot that catches you the very first minute, and keeps you interested to the very end—and you have some idea of the reason why "The Girl From Childs" has been a success from one end of the country to the other.

This slashing, smashing comedy-drama by Archie Colby will be next week's special presentation of the Majestic Theatre, Waukegan, and from the present indications, it will be the banner of the stock season. Unconventional and slangy young waitress, who finds she has married the scion of a prominent and fashionable Washington family.

The family doesn't want her. She jags their nerves, and they are afraid she will make them a laughing-stock with their guests. But they are unable to get rid of her, for her husband has told her to stay until he called for her.

Matters turn out happily in the end, through a clever chain of humorous, heart-interest and sometimes highly dramatic complications. There is a strong and sturdy love story running throughout the play, and it comes to a climax in an unexpected and most unusual manner.
