Plant Now—Pay Later
For Next Springs Flowers Plant Now

Don't wait with planting shrubs and perennials until Spring. So much has to be done in a few weeks during Spring that it is hard to find time to do them right. Fall is the time to plant hardy stock and especially when it can be lifted and planted inside of a few hours, which is not the case with plants shipped in from long distances.

More and more is **HOMEGROWN STOCK** being appreciated. It is superior in every respect; it is worth double in value, yet doesn't cost you any more. We grow in our own Nursery many thousands of ornamental shrubs and evergreens as well as hardy flowering plants. They are now ready and we are filling orders every day. All are full of life and, in every sense of the word, **PREFERRED STOCK**.

To the new Home Owner, we would like to mention the fact that if it shouldn't be convenient to pay in full for whatever is to be planted, rather than wait until Spring, we shall be glad to plant now and accept payment whenever convenient for the reason that while we have ample time to do this work now, it is almost impossible to fill orders the way we like to during busy Spring.

In Shrubs, we offer all the popular sorts such as Bridalwreath, Goldenbell, Mockorange, Lilac, Honey-suckle and many more varieties of our own growing, fresh lifted for your order from 50c on up to \$1.00 each, according to size. Maybe you would like to plant a hedge of Hardy Privet or Barberry. Let us tell you about what we have to offer and how reasonable you can do it. All you need to do is to call up 85.

We offer a splendid lot of small Evergreens, plants ranging in height from 2-5 and 6 feet, and consisting of Austrian and Scotch Pine, American Arbor Vitae, Red Cedar, White and Norway Spruce, ranging in price from \$2 to \$10. Over 9000 to select from. We would like to tell you more about Evergreens over Telephone 85.

If you like Peonias, Iris, Phlox, Larkspur, Lily of the Valley, Shasta Daisies, Columbines and other plants classed under Perennials or Hardy Flowering Plants. We have them, the latest and best, and as low as \$2.00 per dozen for some sorts. Planted now, they will all flower next Summer. If you wish a complete descriptive list, we shall send you one. Just call up 85.

EXTRA SPECIAL (for one week only) Darwin Tulips, "Clara Butt," the best soft pink for outdoor planting, 40c per doz. bulbs. Don't miss this opportunity. If you call 85 we will deliver them.

EXTRA SPECIAL (for two dollars) we will deliver to you three strong Peony roots, white, pink and red, or 1 Peony, 5 new Iris and 5 Hardy Phlox or 15 assorted Perennials, our selection. Telephone 85 will bring them.

Greenhouses and Office One Block West of Depot on Laurel Ave.

It will do you much good to take a walk over and see our Chrysanthemums in bloom now—see our Carnations, our Cyclamens. The Greenhouses are full of Blue Ribbon Stock. You can't get flowers fresher than having them cut for you while you wait. That is what we do here. Flowers for all occasions—the best of everything—delivered free to Chicago and all North Shore Towns, or by Telegraph to all the rest of the world. We have increased our glass area over 15,000 feet this Summer and our new range of Greenhouses located on Ridge road and Park avenue will soon be ready to supply our ever increasing demand for choice flowers. If you have no chance to pay us a visit, give us a ring over TELEPHONE 85.
