

Now Pull Together Everybody in Highland Park

Let's Go!

YOU—like every other true citizen—want Highland Park to grow and prosper.

You want a clean and attractive city, morally and physically. You want schools and churches of which you can be proud. You want good stores. You want civic advantages.

You can have them, if you will lend your individual effort and co-operation with us.

Do your share in keeping our city clean. A clean town attracts desirable citizens. So do good schools and churches. Support them morally and financially. Patronize the home merchants who contribute to the other advantages Highland Park offers you.

Let's all pull together for a better and more attractive Highland Park. Let's Go!
