## CHRISTIAN SCIENCE

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, November 7.

The Golden Text was from Ezekiel 18:23, "Have I any pleasure at all that the wicked should die? saith the Lord God: and not that he should return from his ways, and live?"

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Be ye therefore followers of God, as dear children: And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light" (Ephesians 5:1, 11, 13, 14).

The Lesson-Sermon also included the following passage from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When we are awake, we dream of the pains and pleasures of matter. Who will say, even though he does not understand Christian Science, that this dream—rather than the dreamer—may not be mortal man? . . . For right reasoning there should be but one fact before the thought, namely, spiritual existence. In reality there is no other existence, since Life cannot be united to its unlikeliness, mortality" (p. 491).
