### IN "NO MAN'S LAND"

"No Man's Land," that 20-acre strip of land lying between Kenilwerth and Wilmette and fronting on Lake Michigan, can be used for club and commercial purposes inso far as the Wilmette Park board is concerned. That to institute proceedings looking toward condemnation of the territory in question for park purposes, according to President Louis K. Gillson

Action by the park board came as climax to a series of mass meetngs held in Wilmette and Kepilworth several weeks ago at which groups of citizens interested in having "No Man's Land" converted into a park, thus to preclude the possibility of invasion of the area of commercial projects, appealed to the board to take prompt and drastic action

The matter was brought before the park board since it was the only taxing body on the north shore which has

It is believed the park boare's decision not to start proceedings was based upon investigation which indicated that the cost of condemnation would place an unreasonable burden of taxation upon Wilmette property

Meanwhile projects in "No Man's Land," including the Vista del Lago and a block of stores are well under way with actual construction in pro-
