RENTED FARMS
That a fifth of the farm landlords in this country own approximately half of the rented farms, the other four-fifths having but one tenant each, is indicated by a survey conducted by the United States Department of Agriculture of the ownership of rented farms in 184 counties grouped in-half the states.

NUTS IN SEASON
Now that nuts are in season, you can enjoy them in a great many different dishes. They not only improve the flavor of salads, cakes, breads, scalloped dishes and other foods to which you add them, but they increase the food value.

The towns that vaccinate against it find that they begin to grow almost at once as they are immunized. That's because they can stop fighting them, organize, and go to work.
