

**CO-EDS PLAN TO AID
IN CHRISTMAS CHEER
FOR BENEFIT OF CHILDREN**

**Girl Students at Northwestern
University to Dress Dolls
for Gifts; To Fill
Stockings**

Competition in bringing the most Christmas cheer to some little girl, looking for the promised visit of Santa over on the West side in the poorer districts of Chicago, has started on Northwestern University's Evanston campus, according to campus Y. W. C. A. officials who are sponsoring the plan. About 300 dolls will be dressed by N. U. girls during the next three or four weeks and thousands of red Christmas stockings made. The material for the stockings, and the undressed dolls, have been received and competition not only among individual girls will be keen but there is to be friendly rivalry among the twenty-six sororities as to which will set the styles this year in attractive doll-dressing. A doll show is to be put on about a week before Christmas, probably in Harris Hall, when the results of the dressmaking will be judged by competent critics.

"The girls have decided to concentrate most of their energies in giving the little girls and boys living in the neighborhood of the Northwestern University settlement in Chicago a happy Christmas this year," explained Miss Dori Curran, secretary of the campus Y. W. C. A. "In other years they have tried both to pack Thanksgiving baskets and to do Christmas doll-dressing, but this year it seems most wise to center our energies upon Christmas preparations, as the time is not long and the girls are extremely busy in class-work. After the stockings are made and the doll show is held, the girls will take the results of their labors to the Settlement House where the stockings will be filled with candy, fruit and nuts and the dolls apportioned off by Miss Harriet Vittum and her staff to the poor families of that section."

Miss Curran made it plain that not only sorority girls but the unorganized women students are participating in the doll-dressing contests and in the fabrication of Yule stockings. She said that sorority lines are never drawn when it's a test of the girl's willingness to perform good deeds and that in this year's Christmas work all of the girls are "pitching in" with vim and enthusiasm.

**BASKETBALL SEASON
TO OPEN TOMORROW
High School Cagers Meet Har-
rison Tech Team from
Chicago**

Deerfield high's basketball season will get under way next Friday evening when the squad will meet the strong Harrison Tech five from Chicago.

Harrison is, no doubt, one of the strongest basketball teams in the City League. Since school started last September candidates at Harrison have held practice sessions. As for Deerfield it is the first game for the City League. Lately the "dope" has leaked out that the visitors will present an exceptionally good defensive team along with a fast scoring combination.

Coach Peel expects to start against Harrison a fairly well-trained team. Although practice has been held only two weeks, the squads have shown considerable development. Probable starters on the light-weight team are Joyce at center, McGath at backguard, Zanier or Gifford and Snyder or Mills at forwards, and Jack Backer at guard.

Most of the heavyweight aggregation will likely see action. Men who are expected to play are Thomas at center, Heineman and Lindenmeyer at guards, "Allie" Baker and Daugherty or Johnson at forwards, and Van Blair.

**HIGH SCHOOL BAND
WILL GIVE CONCERT
Plans Under Way for Public Ap-
pearance February 4 With
Fifty-Two Pieces**

As its first major public appearance of the year, the Deerfield-Shields high school band, under the direction of Mr. Harry E. Bolle, will give a concert in the high school auditorium February 4.

At least one rehearsal will be held each week until that in which the concert will be presented.

The funds to be gotten from this concert may be used to send the band to the Illinois State Band contest at Champaign, Ill., although this point has not been settled as yet.

It is important that you vote at the bond issue election Monday. Our suggestion is to vote "YES" on all issues.

Now that St. Louis has won the National League pennant prohibition is no longer the burning issue in the Missouri metropolis.
