

Christmas Greetings

OME. Years go, but Christmas is new. The spirit of it is irresistible. It creeps
arms our hearts. It reduces us to the point where all the false has been shorn and
is forth as the son of God, needing no protection than His goodness and mercy. On
we stand only as brothers and sisters. There are no man-made lines. It is the brother-
facing front to one great leader — "peace on Earth, good will to man" it is,
in this page where greeting is neighbor to neighbor, whole-hearted, sincere and
by those who feel that it has a loyalty of you, the fellowship of you and the
yours which has contributed to all being. In each wish and hope for your peace,
prosperity, as expressed in the words here, it is to you (the reader of these lines)
are addressed. The true spirit of Christmas is here for your acceptance. It is the "good
allowmen."
